FRIDAY, OCTOBER 5, 1900.

E. ROSEWATER has accepted G. M. Hitchcock's invitation to meet him in joint debate.

HON. E. M. POLLARD had the honor of accompanying Governor Roosevelt and his party October 1 and 2.

SOME 400 mounted rough riders from various towns in Sarpy county will go to Omaha this evening to take part in the Roosevelt parade.

THERE is said to be rivalry between New York's leading democratic newspapers for the "honor" of producing the coal miners' strike.

MARK HANNA has consented to spend two days in Nebraska along about the 20th, accompanying Senator Frye of Maine on his western trip.

WHEN a former gold democrat concludes to support Bryan the first thing he does is to prepare a written apology for so doing.

MR. BRYAN explains his ice trust affiliations by saying that the ice trust of New York is a mere local issue.

IN HIS speeches Congressman Boutwell admits that Bryan's election would disturb business, but adds that this result would "only be temporary."

NO OTHER nation on earth supports so few soldiers. Notwithstanding the rebellion on Luzon, the troubles in China and the temporary intervention in Cuba, less than one person in every thousand of our population wears a uniform or carries a gun.

GOVERNOR ROOSEVELT'S reception at various points in the western part of the state has been magnificent. People of all classes and conditions admire him for his honest courage and straight forwardness.

COLONEL BRYAN'S moon over the money expended in restoring the Philippines to law and order and the good that might have been done with it in other directions was evidently suggested by the Pharisee who was scandalized by the cost of that alabaster box of ointment in the old days.

IN MINNESOTA a few days ago, speaking of the Philippine question, Mr. Bryan repeated that he was willing to assume all the responsibility for the ratification of the treaty, but not for the treaty itself.

THE following special from Chadron to the State Journal would indicate that there are a goodly number of socialists in the western part of the state, and that they are not likely to assist the Bryan cause very much.

THE following dispatch from Lead to the Bee gives one some idea of Roosevelt's reception in the Black Hills country: "The City of Mills is making a wonderful reception tonight to Theodore Roosevelt."

BRYAN VOTED FOR SUGAR TRUST.

The people of the First congressional district of Nebraska have not forgotten that Mr. Bryan represented them in congress in 1893.

When the Wilson-Gorman tariff bill had been passed by the house and referred to the senate for concurrence note what happened.

A tree is known by the fruit it bears. WILL TAKE NO CHANCES. Commercial Advertiser. "People take no chances with a president unless they are forced to do so, and then the least possible."
