NEWS AT THE LEADERS' HOMES

McKinley Receives It at Canton and Bryan at Lincoln, but Goes to

Sleep Early - Returns From the Polling Booths.

Canton, O., Nov. 7 .- President Mc-Kinley received the election returns last night at his home surrounded by a large number of his old friends and neighbors, including many ladies who came as the guests of Mrs. McKinley, to share with her the interest and excitement of this culminating event of the campaign. Direct wires connected the house with the Republican national headquarters at New York and at Chicago, with Senator Hanna, at the Union club in Cleveland, and with the home of Governor Roosevelt, at Oyster Bay, so that the president was in constant telegraphic touch with his assoclate on the ticket and with the campaign leaders. The first congratulatory dispatch from headquarters came from

J. H. Manley at New York as follows: "Praise God from Whom all blessings flow. Your triumphant re-election is conceded by Democratic managers. I tender my earnest congratulations. We are very happy at headquarters," Bryan Is Making Up Lost Sleep.

Lincoln, Neb., Nov. 7 .- At 8 p. m. when the newspaper men congregated at Bryan's house sought to secure a statement from him they were told that he had just gone to sleep and could not be disturbed. He had slept an hour in the afternoon, after which he went for a horseback ride to his farm. He did not, however, feel fully recuperated, and therefore sought additional rest, thus manifesting probably less concern than hundreds of thousands of his followers. He refused to express any opinion.

Manle.y's Claim of Victory. New York, Nov. 7 .- At 10 p. m. yesterday National Committeeman Joseph Manley made a statement as follows: "The reports at headquarters at this hour show that President McKinley is re-elected by an electoral vote larger than he received in 1896. New England, New York, New Jersey, Pennsyl vania, Delaware, Maryland, West Virginia, Ohio, Illinois, Wisconsin, Michigan, Minnesota, Iowa, North Dakota, and South Dakota, and all in the Re-

publican calumn. No definite informaion has been received from Indiana. Kansas, or the other western and porthwestern states." Stone Concedes New York

Ex-Governor Stone, vice chairman of the national Democratic committee at 10:30 p. m. gave out a statement in which he said: "At this hour the returns indicate that the Republicans have carried New York state by something like 100,000. The information from other states is so meagre that I am unable to give a satisfactory opinion as to the results."

Washington, Nov. 7.-Representative Richardson, chairman of the Democratic congressional committee. at 11 o'clock declined to make an estimate on the complexion of the next house. He said the returns received up to that time were too incomplete to determine the result so far as the house was concerned. It is practically conceded here, however, that the house is Republican by a working majority. M'KINLEY PLUBALITY IN NEW YORK

McKinley Gets Michigan - Bryan Has Colorado-Lind In Minnesota. Detroit, Nov. 7 .- President McKinley

has carried Slichigan beyond doubt. Conservative estimates place his majority at 05,000. His majority in 1896 was 41,542. The Evening News says that if McKinley's ratio of majority in the 110 districts heard from is maintained throughout the state his majority will be 90,000. The Republican state ticket has also been elected, but by a smaller majority. It is thought the Republicans have elected all their congressional nominees.

Denver, Nov. 7 .- Returns indicate that Bryan's pluarlity in the state will be from 30,000 to 40,000.

RENTUCKY AND MARYLAND.

Both the Parties Claim the First, but th Republicans Pave the Latter. Louisville, Nov. 7 .- At this writing both Democrats and Republican committees claim the state, though they furnish no figures in support of their claims. The Louisville newspapers claim that Bryan and Beckham or Mc-Kinley and Yerkes have gained the victory in this state, just according to whether these papers supported the Democratic or Republican tickets in the campaign just closed. MclKnley's majority in 180 out of 200 precincts in Louisville and the county is 4.059. In the same precincts the majority of Yerkes, Republican candidate for governor, over Beckham, Democrat, is 4, 498. The Democrats are claiming gains

out in the state. Baltimore, Nov. 7.-McKinley has carried Maryland beyond the shadow of a doubt, the only question to be setteled being the size of his majority. With practically complete returns from the city he has a majority here of about 6,500, while from the state, seattering returns indicate an additional surplus of 3,500, making his total mafor ity in the state about 10,000. British Officers Tell of Their Bravery at the Relief of Peking.

London, Nov. 7 .- The Gazette prints General Gaselee's dispatches to the secretary of state for India, referring to the operations for the relief of Peking, and General Dorward's report of the operations about Tien-Tsin. General Gaselee among half a dozen officers mentioned for special services, includes two Americans who "gallantly supported our fighting line, viz., Major Quinton and Captain J. R. M. Taylor," both of the Fourteenth United States infantry. General Dorward's report, relating to the withdrawal of the Ninth United States Infantry after it had suffered so heavily in the

attack upon Tien-Tsin, says: "I would specially bring to notice the conduct of Major Jesse Lee during the retirement. In him the regiment possesses an officer of exceptional merit. Among many instances of personal bravery during the action I would specially bring to notice the conduct of Captain Smedley D. Butler, United States marines, in bringing a wounded man in from the front under a heavy and accurate fire. Butler was wound ed while so doing and was himself carried out of the firing line by Adjutant Leonard, who, I regret to say, was dangerously wounded in so doing. "Captain Lawton, of the Ninth (United States) regiment, brought me the news of their condition under a heavy fire. When returning and guiding the reinforcements of his regiment be was severely wounded."
