HE RESTS IN PEACE

Remains of William W. Slater Interred Saturday at Oak Hill Cemetery.

The mortal remains of William Slater were laid to rest in Oak Hill cemetery last Saturday, after a most impressive funeral service at the Methodist church, conducted by Rev. A. A. Randall, pastor. A large concourse of sympathizing friends gathered at the church before the hour started for the service. An honorary escort composed of members of the G. A. R. preceded the acting pall bearers as they tenderly bore the remains from the late residence of the deceased to the church. The acting pall bearers were C. E. Wescott, George Dodge, Frank Schlater, D. C. Morgan, J. E. Douglass and John Schulhof. Vocal music was furnished by the Euterpians. Rev. Randall spoke words of comfort to the bereaved relatives and friends and dwelt on the noble and endearing qualities of the deceased. He was a brave soldier, a kind husband and a true and loyal citizen. Whether duty called to great or small things "Billy" Schlater was quick to respond. He was equally careful of life as to the graver responsibilities which came to him. His disposition was always genial, his countenance frank and open. The speaker said that no eulogy from him could add anything to that which the life of the deceased had already pronounced. The floral tributes were beautiful and profuse indicating in slight measure the warm esteem in which the deceased was held by his friends.

BUYS ROAD TO GULF

J. J. Hill Has Closed a Deal Whereby Burlington Will Be Extended South.

Jim Hill has accomplished a bit of strategy which will extend the Burlington system to the Gulf. For the sum of \$18,000,000 he has at last become the owner of the Colorado and Southern, which will connect the Pacific northwest with the Gulf, at the same time giving his system, the shortest line from the Rocky Mountains to tide water. It has been known for some time that such an outlet was desired by the Hill system, but it was thought he had his eye on the "Katy." Mr. Hill has always been a strong believer in the future of the great south-west, and this in connection with the completion of the Panama canal will have an important effect on the transcontinental traffic east and west. After the opening of the canal, Mr. Hill thinks the gulf ports will increase in importance, and it may be his idea that railroad traffic in that direction will increase accordingly. The company or lines just acquired operate something near 2,000 miles of track, and is the shortest line to the gulf ports from the Rocky mountains.

Holeproof Sox

IT IS A GOOD REASON

Plattsmouth People Can Give You Many Good Reasons Why it is So.

Doan's Kidney Pills cure the cause of disease, and that is why the cures are always lasting. This remedy strengthens and tones up the kidneys, helping them to drive out of the body the liquid poisons that cause backache, headache and distressing kidney and urinary complaints. Plattsmouth people testify to permanent cures.
J. W. Hickson, employed with the Plattsmouth Water Co., and living on Oak Street, between Seventh and Eighth streets, Plattsmouth, Neb., says: "My experience with Doan's Kidney Pills warrants me in giving them my strongest recommendation. Off and on for twelve or fourteen years I was subject to attacks of pain in my back and other symptoms which gave evidence of a deranged condition of my kidneys. Procuring Doan's Kidney Pills at Gering & Co.'s drug store, I used them as directed and the benefit derived was so pronounced that I am able to attest to the remarkable value and merit of this remedy. Not only did Doan's Kidney Pills give me entire relief from the pain in my back but they toned up and invigorated my system generally.
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
