

### CHIEF NATIONAL RANGE

Although this range may have an exterior appearance resembling the Ranges exhibited in other stores in the city, and therefore does not appeal to you, as a subject of special attraction. We assure you that it is decidedly different from all others in construction, containing those particular features which make it the best Range ever offered to the user. The firebox is so constructed that the heat will radiate into the oven at the same moment a fire is started. Consequently, soon as the fire has attained the necessary 250 degrees of heat, the oven also will register the same temperature; therefore, it is ready to bake. The results of this direct action will have a telling effect on the coal pile, saving nearly half the fuel used in ordinary stoves. The fire back lining is guaranteed for 5 years use. The front section of the top can be suspended, making a convenient place for broiling or toasting. A special cover or lid on top is arranged for cooking oat meal, milk, rice, etc., without fear of scorching. The body is made up of three distinct walls, which retain all heat into the stove. If you will call at my store and examine this Range, you will admit there is no other to equal it at prices that will meet your approval. I have some special bargains in express wagons, chairs and Misses Rockers, bookcases.

### A BIG SOCIAL EVENT

Reception On New Year's Day in Honor of Rev. Moore and Geo. Porter and Families.

The New Year's reception tendered by the Christian church in honor of the arrival of Rev. Moore and family and of the departure of George Porter and wife was a most enjoyable event. Every church in the city was represented in the company and all vied in an effort to make Rev. Moore and his wife and daughter feel that their welcome to the city was heartfelt and warm. A neatly printed program was handed to each guest as he or she entered the room, and after being presented to the guests of honor each corner was made to feel at home, and was later ushered into the dining room and served with cake and fruit punch.

The reception was given in Coates hall and was largely attended. About 4 o'clock the program was announced by Mrs. Mae Morgan, the first number being a piano selection by Miss Mollie Godwin, which elicited much applause. Miss Joe Hall then gave a reading, "In May," to piano accompaniment, played by Miss Ella Margaret Dovey. Miss Hall's readings never fail to please and this one was exceptionally good. A solo, "Her Greatest Charm," by Miss Zelma Tukey, was sweetly sung, while B. A. McElwain rendered a barytone solo, "King of the Forest Am I," which was well received. A reading by Mrs. William Baird, who is an eloquent and of rare merit, won the warmest applause. In response to an encore she gave "The Wordless Poem," which excited great mirth.

Rev. Randall made a strong speech on "Wesleyan Welcome," after which Mr. H. S. Austin sang "Out on the Deep," by Lohr. This number was exceptionally fine, as the song seemed to have been written for Mr. Austin's most excellent voice. Rev. Salsbury extended "Calvinist Congratulations," the speaker being in his most happy vein. At the conclusion of Rev. Salsbury's remarks Rev. Luther Moore gave a response to the words of welcome and congratulations spoken to him by his brother ministers. Rev. Moore said he appreciated the welcome extended to him, and thanked the people for it. Mrs. E. H. Westcott sang a solo after which Prof. E. L. Rouse gave a short address. Mr. Rouse was warm in his commendation of the harmony among churches of different denominations in Plattsmouth, and believed the time would come when his Satanic majesty would be driven out of Plattsmouth. All of the speakers regretted that Mr. Porter and wife were going from our midst. A fitting number for the close of the program was a piano solo by Miss Ella Margaret Dovey.

Thus ended one of the most successful New Year's receptions ever given in the city.

Some cigars are only cigars, but Pepperburg's "Buds" are a good smoke. Always reliable.

### IS VERY ANNOYING

This Hardly Expresses What Plattsmouth People Say of It.

Any itchininess of the skin is annoying. Little danger in itching skin diseases. But they make you miserable.

Doan's Ointment is a never-failing cure.

For Piles, Eczema, all itching troubles, Plattsmouth citizens endorse it.

Mrs. Joseph Wurga, of 1400 Main street, Plattsmouth, Neb., says: "Experience has taught our family the value of Doan's Ointment. My mother was troubled for a good many years with a skin irritation on one of her feet. Despite the fact that she tried remedies of various kinds no relief was obtained until she used Doan's Ointment which by chance she learned about and procured at Gering & Co.'s drug store. This preparation not only banished the trouble at the time but effected a permanent and absolute cure. I also used Doan's Ointment for a terrible itching on my right hand and wrist. A few applications reduced the inflammation and stopped the itching. I have had slight touches of the trouble since but an appeal to Doan's Ointment has always given me relief. We are never without this splendid preparation in the house, finding it invaluable."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

A veterinary was called but advised Mr. Kaufenberger to kill the animal. This he hated to do as the animal was his favorite driving nag, and one he would not have taken \$150 in gold for. **WISE TALKS BY THE OFFICE BOY**

Josh Wise says, "Some men sneer at women's shopping but when women shop they don't have to eat cloves to disguise what they've been buying." Speaking of cloves I think we carry the smoothest line of spices that ever came over the seas. You know some spices are all drawn out of one barrel so as to speak, and doctored up with the essential oils to represent each particular spice, such as cinnamon, cloves, allspice, pepper and mustard. That saves a lot of trouble for the spice mills, because they don't have to have a different hopper for grinding every kind of spice, but of course that is all done away with now. When you buy spices at our store you are not buying ground almond shells or some kind of hulls flavored with essences and oils but you are buying the real thing, perfectly pure, and not mixed with cracker crumbs or any other dope to make it go farther. We handle Dwinell-Wright Co's spices and flavoring extracts, cranberries, Sour Cider, Celery, Lettuce, Bananas, Nuts, Figs and Dates, Raisins and Currants, Candied Citron, Oranges and Lemons, Curtis Bros. Olives.
