Ernest E. Rottman Owns Revolver Formerly Property of Queen Victoria.

A representative of the NEWS-HERALD, chanced to be in the jewelry store of E. E. Rottman of Murdock, a few days since and was shown a very pretty revolver, once the property of Queen Victoria of England. It is an article of exquisite workmanship, a 22 calibre short, six shot, with ivory handle. Mr. Rottman keeps it in a leather covered plush lined case in which the former Queen carried the same. The cartridges were ejected by hand with a steel punch, and when a later design was invented Queen Victoria discarded this one and at a time when she called upon a family by the name of McIntire, presented this little gun to them as a token of her esteem and friendship. A friend of Mr. Rottman, McIntire by name, cousin of the parties to whom the Queen presented the weapon, visited in England some ten years since and the gun was given him by his English relatives. He in turn sold the same to Mr. Rottman while they were both living at Palmyra in Otoe county. The revolver bears stamped in the steel barrel the British crown and the initials of Queen Victoria.

Indigestion Ends Soon

Misery From Your Disordered Stomach Goes in 5 Minutes.

You can eat anything your stomach craves without fear of a case of Indigestion or Dyspepsia, or that your food will ferment or sour on your stomach if you will occasionally take a little Diapiesin after eating.

Your meals will taste good, and anything you eat will be digested; nothing can ferment or turn into acid or poison or stomach gas, which causes Belching, Dizziness, a feeling of fullness after eating, Nausea, Indigestion (like a lump of lead in stomach.) Biliousness, Heartburn, Water brash, Pain in stomach and intestines or other symptoms.

Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapiesin really does all the work of a healthy stomach. It digests your meals when your stomach can't. Each triangle will digest all the food you can eat and leave nothing to ferment or sour.

Get a large 50-cent case of Pape's Diapiesin from your druggist and start taking today and by tomorrow you will actually brag about your healthy, strong Stomach, for you then can eat anything and everything you want without the slightest discomfort or misery, and every particle of impurity and Gas that is in your stomach and intestines is going to be carried away without the use of laxatives or any other assistance.

Story of Accomplishment

What Has Been Done in The Philippines.

All who desire to know what are the actual conditions in the Philippines, and what has been accomplished since the United States took possession of the islands will do well to read what is said by W. Cameron Forbes, Vice-Governor of the Philippines. The following is a summary of what has been done up to date as given by him in the Atlantic Monthly. He said:

We have completed the separation of Church and State, buying out from the religious orders their large agricultural properties, which are now administered by the government for the benefit of the tenants.

We have put the finances on a sound and sensible basis.

We have established a complete new system of auditing and accounting.

We have placed our civil administration on a strictly self-supporting basis, receiving no aid whatever from the United States Government, except in so far as they have elected to help us in charting the coasts for naval purposes. This charting, which is being done at a rapid rate, is at the expense of Insular and National governments.

We have established a uniform and stable currency on a gold basis.

We have established schools throughout the Archipelago, teaching upwards of half a million children, and we find that the Filipinos are eager to learn and are rapidly learning the English language.

We have started a general and thorough system of road construction and maintenance, in which the Insular, Provincial, and Municipal officials cooperate.

We have established the policy of constructing all public buildings, as well as bridges and wharves, of durable material, preferably reinforced concrete in order that our work may endure.

We have given the Filipinos almost complete autonomy in their municipalities.

The Filipino Assembly, it will be remembered, consists of two chambers: an Upper House appointed by the President of the United States, four of its members being Filipinos, and a Lower House, elected by the people. The establishment of the latter chamber was a most important step in the gradual process of giving self-government to the Philippines; and Vice-Governor Forbes thus describes its make-up:

The principal parties which developed were the Nacionalista, favoring immediate independence, usually with some vague qualification as to a protectorate; and the Progressista, the reorganized Federal party, favoring ultimate independence, but continuance of the present form of government.

The delegates elected are thus divided among the parties:

Nacionalista	32
Progressista	16
Independent	20
Immediatista	7
Independista	4
Catholic	1
Total	80

Those classed as Independent were affiliated with no party. The Immediatistas wanted to emphasize the urgency of their desire for immediate independence.

WORK THAT TELLS

Plenty of It Has Been Done Right Here In Plattsmouth.

Cures that last are cures that tell. To thoroughly know the virtues of a medicine you must investigate the cures and see if they prove permanent. Doan's Kidney Pills stand this test, and plenty of proof exists right here in Plattsmouth. People who testified years ago to the relief from backache, kidney and urinary disorders, now declare that relief was permanent and the cure perfect. How can any Plattsmouth suffer longer doubt the evidence?

J. S. Hall, South Sixth Street, Plattsmouth, Neb., says: "In 1896 I strained my back and soon after I began to suffer from kidney trouble. I had severe pains across the small of my back and on this account it was difficult for me to stoop or rise from a chair. I tried several remedies but to no avail and finally when I had the good fortune to hear about Doan's Kidney Pills, I decided to use them. I procured a box at Gering & Co's. drug store and within forty-eight hours after the first dose, I felt better. Since then, I have always kept a supply of Doan's Kidney Pills in the house, finding that they bring the best of results whenever used." (Statement given June 6, 1906.)

On December 30, 1908, Mr. Hall said: "I cheerfully renew my former endorsement of Doan's Kidney Pills. I know that this remedy is a reliable one for kidney complaint."

Wise talks by the office boy

Some one sent the boss a bunch of books entitled, "Business Nuggets," "The Road to Success," "The Man in Front" and such like, I think he's been looking them over, for when I came to work this morning he handed me this: Everything comes to those that wait, and the lazy boy waits to greet it; but success comes on with a rapid gait, to the man that goes to meet it." I had to laugh, because he's the boss; but to tell you the honest truth, a boy on this job doesn't get any chance to apply these wise hunches. Actually it's no credit for a fellow to be industrious here, because he can't be anything else. If he lets up for an hour he wouldn't get his orders out and then there would be people coming in and saying lots of fierce things, but nothing about "business success" or the "lazy boy waits to greet it."

Have you tried Curtis Brothers Janis. Retains all the fine natural flavor. Great. Picnic size, 25c. Don't forget to order a sack of Goods Best Flour with your next order.
