SAVING PAINT MONEY

It Cannot Be Done by Using Cheap Material and Cheap Painters.

In arranging for painting, a good many property-owners try to save money by employing the painter who offers to do the job cheapest—or try to save money by insisting on a low-priced paint. But no property-owner would run such risks if he realized what must be taken into consideration in order to get a job that will wear and give thorough satisfaction.

No houseowner will go wrong on the painting question if he writes National Lead Company, 1502 Trinity Building, New York, for their Houseowner's Painting Outfit No. 49, which is sent free. It is a complete guide to painting. It includes a book of color schemes for either exterior or interior painting, a book of specifications, and an instrument for detecting adulteration in paint materials.

Nearly every dealer has National Lead Company's pure white lead, (Dutch Boy Painter trademark.) If yours has not notify National Lead Co., and arrangements will be made for you to get it.

One day three-year-old Baby Jess was visiting her grandmother, who was very devout. She asked Baby Jess if her mother had taught her to say her prayers.

Jess answered: "Yes, ma'am."
"Whom do you pray to, dear, and ask to forgive your naughty ways?"
"Sometimes I pray to mother's knees and sometimes to the bed."—Delineator.

With a smooth iron and Defiance Starch, you can launder your shirt-waist just as well at home as the steam laundry can; it will have the proper stiffness and finish, there will be less wear and tear of the goods, and it will be a positive pleasure to use a Starch that does not stick to the iron.

Cleaning the Stage.

"We hope," said the spokesman of the committee, "to enlist your support in favor of a clean stage."

"You have it," responded the theatrical manager, heartily. "Why, almost every one of my plays opens with a girl dusting everything in sight."

CRIMINAL IN CHILD NATURE.

Writer in New Orleans Picayune Asserts We Are All Born with Tenderness Toward the Bad.

"All children," said a psychologist, "are born criminals. Instinctively they lie, steal, slander, torture—I don't know what. The saintliest man, a very Dr. Parkhurst of a man, were he to grow up as he began, would have a long career of bank robberies, assaults, debauches and murders, and he would die on the gallows."

"A child, as soon as it begins to toddle and limp, steals. Till you have trained a child to know that thefts are followed by spankings, would you dare to leave it alone in a candy shop?"

"It also lies. After a raid on the jam or cake, does a child admit its guilt? Of course not. It lies earnestly, doggedly."

"A child slanders and libels. Did you ever hear a beautiful, lisping child speak in praise of its playmate? No. On the contrary, it accuses the playmate continually of horrible crimes."

"A child will get drunk if you give it the opportunity. Lack of opportunity is all that prevents children from becoming confirmed inebriates."

"It is needless to go on. Look back on your childhood. Study your evil little child heart. You'll wonder then that no curio collector cherishes a piece of your rope."—New Orleans Picayune.

Starch, like everything else, is being constantly improved, the patent Starches put on the market 25 years ago are very different and inferior to those of the present day. In the latest discovery—Defiance Starch—all injurious chemicals are omitted, while the addition of another ingredient, invented by us, gives to the Starch a strength and smoothness never approached by other brands.

Offensive Advice.

"Madam," said the medical man, gravely, "you must practice filling your lungs with deep breaths of pure air."

The tonic laxative herb tea known as Lane's Family Medicine will clear your head, remove the pain in side or back and restore your strength. Nothing else is so good for the stomach and bowels. At druggists' and dealers', 25c.

Foolish Question.

A New York chap wants to be told why theater tickets in that city do not indicate the hour of the beginning of the performance. Should think he would know. The hour is not mentioned because nobody is ever on time at the beginning of the performance. What would be the good of wasting printer's ink?

That an article may be good as well as cheap, and give entire satisfaction, is proven by the extraordinary sale of Defiance Starch, each package containing one-third more Starch than can be had of any other brand for the same money.

Usually They Are.

"Professor, what is the meaning of the word 'monologue'?"
"My dear sir, consider the derivation of it. 'Mono' is slang for 'money,' and 'logos' means 'a word.' Monologue, words for money."

Let Me Tell You Something

A woman who is sick and suffering, and won't at least try a medicine which has the record of Lydia E. Pinkham's Vegetable Compound, is to blame for her own wretched condition.

There are literally hundreds of thousands of women in the United States who have been benefited by this famous old remedy, which was produced from roots and herbs over thirty years ago by a woman to relieve woman's suffering.

Read what these women say:

Camden, N. J.—"It is with pleasure that I send my testimonial for Lydia E. Pinkham's Vegetable Compound, hoping it may induce other suffering women to avail themselves of the benefit of this valuable remedy."

"I suffered from pains in my back and side, sick headaches, no appetite, was tired and nervous all the time, and so weak I could hardly stand. Lydia E. Pinkham's Vegetable Compound made me a well woman—and this valuable medicine shall always have my praise."—Mrs. W. P. Valentine, 902 Lincoln Ave., Camden, N. J.

Erie, Pa.—"I suffered for five years from female troubles, and at last was almost helpless. I tried three doctors but they did me no good. My sister advised me to try Lydia E. Pinkham's Vegetable Compound, and it has made me well and strong. I hope all suffering women will just give Lydia E. Pinkham's Vegetable Compound a trial, for it is worth its weight in gold."—Mrs. J. P. Endlich, R. F. D. 7, Erie, Pa.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound had the virtue to help these women it will help any other woman who is suffering from the same trouble.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice—it is free and always helpful.

JUST DOUBLE

320 ACRES INSTEAD OF 160 ACRES

As further inducement to settlement of the wheat-raising lands of Western Canada, the Canadian Government has increased the area that may be taken by a homesteader to 320 acres—160 free and 160 to be purchased at \$3.00 per acre. These lands are in the grain-raising area, where mixed farming is also carried on with unequalled success. A railway will shortly be built to Hudson Bay, bringing the world's markets a thousand miles nearer these wheat-fields, where schools and churches are convenient, climate excellent, railways close to all settlements, and local markets good.
