## ADVERTISING SUPREME.

Advertising has become the greatest factor in modern salesmanship as well as the greatest factor in modern publishing solely because of the new attitude toward advertising taken by the business world.—Arthur Capper in Topeka (Kan.) Capital.

## Big Loss In Wheat Area.

Washington, May, 17.—The winter wheat area to be harvested this year is 2,478,000 acres less than the area harvested last year, according to the May government crop report made public today at 1 o'clock p. m. Of the area sown last fall 2,153,000 acres have been abandoned owing to the poor start that the crop made on account of the dry weather during and after the seeding period. The condition of the remaining area is 83.5, compared with 82.2 a month ago and 89 a year ago.

The infant child of Mr. and Mrs. J. H. Gravett died Saturday morning. The parents have the sympathy of the community in their bereavement.
