

experience as a teacher and banker especially fit him for accuracy in the office, where accuracy is so much demanded. Lawrence H. Daft is very popular in his home town, and if he should receive the nomination at the primary, he will prove a very popular candidate. He is a gentleman through and through and when the primary is over there will be no sore spots on Daft.

JOHN GERRY STARK.

John Gerry Stark, the republican candidate for county treasurer, was born near Scranton, Pennsylvania. He is a graduate of the Mansfield State Normal School of Mansfield, Pa. After graduation he taught school for eight years. He came to Nebraska in 1889 and engaged in the banking business. For several years he has been the cashier of the American Exchange Bank of Elmwood. Mr. Stark is the very soul of honor and is one of the most popular fellows in Cass County. He has been a moving spirit in all of the enterprises of Elmwood. He has been a leader in the organization of the chaqueta movement, and much of the success of the movement has been due to his push and industry. He is well liked by everybody in his home town. We predict for him a signal victory at the polls in November.

It is easier to suppress the first desire than to satisfy all that follow it.

It is better to seek advice at the beginning than at the end.

MAN punishes the action, but God the intention.

AVOID a slanderer as you would a scorpion.

THE best is the cheapest.

Needful Knowledge

Plattsmouth People Should learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, headaches and dizzy spells may occur and the victim is often weighed down by a feeling of languor and fatigue. Neglect these warnings and there is danger of dropsy, Bright's Disease, or diabetes. Any one of these symptoms is warning enough to begin treating the kidneys at once. Delay often proves fatal.

You can use no better remedy than Doan's Kidney Pills. Here's Plattsmouth proof:

Mrs. Claude Butler, 613 S. Tenth st. Plattsmouth, Neb., says: "Doan's Kidney Pills, procured from Gering & Co.'s drug store, have been used in my family and I can heartily endorse them as a splendid remedy for kidney disorders, especially in children's cases. I publicly recommended Doan's Kidney Pills in 1906 and as I still think highly of them, I have no hesitation in confirming that statement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Takes New Position.

Ben Brooks departed Saturday morning for Shenandoah, Ia., where he has secured a good position, expecting to enter upon his new duties Monday morning. As his employment is to be permanent the family will reside in that city. Ben and his family have a large number of friends in this vicinity who are sorry to see them move away and extend best wishes for success and prosperity in their new location.

The W. C. T. U. Convention.

The Cass County Convention of the W. C. T. U. society met in the Christian church Wednesday, July 21, and was conducted by the president, Mrs. L. A. Moore, who opened the session by reading the 146 Psalm followed with prayer by Mrs. A. A. Randall and singing, "Lead Kindly Light" by the audience. Roll call and greeting by Mrs. J. E. Vandercok which was responded to by Mrs. Belle Miles of Louisville. Letters from the absent president and secretary were read by Mrs. Geo. Dodge, sec'y, pro tem. Mrs. Moore read a very beautiful poem urging members to wear the white ribbon badge always. Encouraging reports were read by Mrs. Miles of Louisville union, and by Mrs. Ollie Kirkpatrick of Nehawka. Report of Plattsmouth by the local secretary, Mrs. Vandercok. The Louisville L. T. L. report was read by the superintendent of that department. Mrs. A. H. Knee presented her report on her branch of work, Mercy and Relief; Mrs. Vandercok gave a good account of her work with the prisoners at the jail and would give some information to be handed in by an eminent judge on our best method towards getting the commissioners to build a new jail, so much needed in Cass county. Mrs. Moore then introduced Miss Oldham and suggested that we induce her to assist us in coaching those who would join in the medal contest. Mrs. Colville was asked to lead in the noontide prayer. Adjourned until 2:30 p. m.

The afternoon session opened by the president and was led in prayer by Rev. Moore and by singing "Rock of Ages." Reports of county superintendents were continued, Mrs. Stribling, Mother's Meetings, Mrs. Thomas, Literature, Mrs. Kirkpatrick and Mrs. Hall, Sabbath Observance.

Rev. Randall exhibited a chart, painted by himself, illustrating the evil contained in a glass of wine. Mrs. A. J. Beeson gave a reading "Pledge me in Wine," which brought tears to the eyes of many. Mrs. Mae Morgan sang a solo with her usual good voice, ease and grace of manner.

The address of Rev. Moore on "What Women can do for Temperance" was just such a forcible and practical talk as was expected of him.

The president asked of the local presidents to state what was their greatest difficulty in their union in promoting temperance? Their usual reply was the indifference of the people.

Mrs. Vandercok was again called upon to give her additional information obtained from an eminent judge as to our best course to take to obtain a new jail. Action was postponed to a future date owing to lack of time.

The convention took a rising vote of thanks to our retiring county president, Mrs. L. A. Moore, for the very able manner in which she has conducted the county work and our gratitude for her untiring efforts toward promoting temperance; while gracefully acknowledging our compliments she returned the courtesy by highly complimenting our local secretary for her successful work among the prisoners at the jail. Mrs. Vandercok said she could only claim half the praise, the greater half being due to her very able assistant, Mrs. C. P. Richards.

Miss Margaret Thomas then rested us by singing a very beautiful song. Mrs. Colville gave us a short talk in the interest of the National convention to be held in October at Omaha. The convention then proceeded to elect officers for the coming year as follows: Pres., Mrs. Belle Miles, Louisville; V. Pres., Mrs. Geo. Dodge, Plattsmouth; Sec'y., Mrs. Harmon, Avoca; Treas., Mrs. Ollie Kirkpatrick, Nehawka.

The "Presidents Hour" was occupied by Mrs. Moore in giving suggestions for the work in the coming year. Owing to the extreme warm weather the business was rushed

through in one day. The evening sessions at the M. E. church was of much interest to those concerned and closed the convention of the W. C. T. U. society. We wish to make especial mention of the helpful services of Master Stuart Randall in decorating the churches with flags and flowers and in administering to our comfort the entire day.

Glenwood Wins.

The Plattsmouth base ball team lost the game played Friday afternoon with the husky lads of Glenwood on their own lot. Our boys had played along with a good lead having made three runs in the early part of the game while the Glenwood boys had crossed the plate but twice. They limbered up however in the first half of the seventh and three singles filed the bases. It was a critical point in the game as a good long hit could easily bring in enough runs to make a win. However our boys were not worrying much as we had two outs and the batter was not considered strong as he had fanned twice before in the game and already had two strikes chalked up against him. So Mason twisted on his heel, swung his mighty arm and the ball swished through the air toward the batter. Freddy Mann our catcher, had made a nice nest in his pillow for the ball but it never nestled; for whang! and in a very few seconds it had soared over the high fence, a few yards back of the left field and was lost. The batter grown desperate by his former unsuccessful attempts to make good, had shut his eyes, swung wildly and accidentally made a hit which won the game for his team, as no other runs were made and the game closed 6 to 3 in favor of Glenwood.

Picnic Entertainment.

A number of the young lady friends of Mrs. L. E. Shaulis were delightfully entertained last Thursday evening in honor of her sister, Miss Oma Pendarvis, and friend, Miss Nellie Kelly, of Omaha. Well supplied with baskets containing the choicest of the seasons eatables the merry company camped near the large Burlington bridge and indulged in various summer pastimes and picnic stunts, delightfully enjoying the afternoon and evening.

The tempting picnic supper was spread at a welcome hour and the rapid disappearance of the many toothsome dainties prepared by the hostess amply testified to her culinary skill as well as to the hearty appetites of the merry-makers. Boating and outdoor games were greatly enjoyed by the picnickers and also an attempt to cross the bridge in which the young ladies were kindly but firmly frustrated by the good natured watchman. Those in the party were: Misses Lillian Thompson, Elizabeth Kerr, Hazel Tudy, Ina and Verna Hatt, Jennie Batten, Katherine Lough, Dallas, Texas, and Anna Nosworthy of Dixon, Illinois.

Reo Demonstrator in Town.

Jacob B. Frey, chauffeur for F. J. Coddington of Syracuse, Neb., who has the Cass & Otoe county agency for the celebrated Reo automobile, a product of R. W. Owen & Co., of Lansing, Michigan, arrived in the city Saturday to spend the day visiting with friends. He was accompanied by Christy Metzgar of Cedar Creek.

Mr. Frey who is on a demonstrating trip for his company drove from Syracuse over to Cedar Creek last Wednesday, Mrs. Frey and baby coming with him to visit at the home of Mr. Frey's parents for a few days. They intend to return to their home Tuesday. Jacob reports considerable improvement of his sister, Mrs. Fred Horn who has been very ill at her home near Stamford, Neb.

For jewelry, watches, rings, silverware, clocks, and cut glass see Crabill.

The Question Is

"Will I get results?" And legion answers, "Use J. I. CASE Threshing machinery and you will." There are thousands of threshermen all over the United States who will testify to the efficiency and reliability of J. I. CASE

Threshing machinery. That CASE machinery does good work is attested by the fact that grain growers wait frequently for weeks for the progressive thresher with a CASE outfit. Why not get into the threshing business? The time is now. The place is my office.
