Excursion Rates Everywhere

It is impossible to present a detailed list of the attractive excursion rates now in effect.
 You Can go East on daily low rates to Atlantic cities and resorts; every day rates to Wisconsin, Michigan and Canadian resorts, and for the celebrated tour of the lakes.
 You Can go West: There are very attractive rates every day to Colorado, Yellowstone Park, Seattle, California, Black Hills, Hot Springs; homeseekers rates every first and third Tuesdays everywhere west. Inquire about the personally conducted camping tours from Cody into the Yellowstone Park.

See Your Own Country: Between America's prosperity and low railroad rates there is every reason why you should join the great summer travel throng.

OVERLOOKED FOR THIS TIME.
 Substantial Reasons Why Business Firm "Stood For" Impertinence From Employee.
 The New York dry goods firm of Blumstein & Rosenberg had a traveling salesman named Richards. Richards was a good salesman, and when sober a genial fellow. Once, however, after an unusually successful trip he indulged in an unusually successful celebration, and ended by going to sleep in the public office of the company.
 "Get up," said Mr. Rosenberg, shaking him violently.
 "Rosey, go jump on yourself," said his sleepy employee.
 The senior partner tried it next and was rewarded with the words: "Blumstein, you go to thunder."
 The firm held an indignation meeting, decided to dispense with Richards' services, and asked the bookkeeper what they owed this erring salesman.
 "Fifteen hundred dollars," he reported.
 "Richards has sold \$60,000 worth of goods in the past three months."
 The partners looked at each other in silence.
 "Rosey," said the senior partner, "you go chump on yourself. I'm going to thunder."—Success Magazine.

In a Pearl Factory.
 The pale, bent workmen were, most of them, drilling costly pearls, but here a man in kid gloves performed the operation of skinning, the operation of removing a pearl's cover, its colored coat so as to give it again its original luster, and by the window another man shook industriously three pearls in a bottle.
 "It is a secret of the trade, of the pearl driller's trade," he said, "this bottle-shaking. You see, in pearl drilling, a drill point often breaks off in a pearl, and to get it out may take a whole day's work—that is, if you don't know the secret."
 He looked closely at the bottom of the glass bottle, and then, continuing his shaking, he resumed:
 "But if you put your pearl in a bottle and shake it up, the drill point in a few minutes will fall out of itself! Look! There's another out already. The third'll come soon now."

The Insanity Plea.
 "Sir," said the young woman, what seemed to be indignation.
 The young man looked embarrassed.
 "Yes, I did kiss you," he admitted, "but I was impulsively insane."
 "That means that a man would be a lunatic to kiss me?"
 "Well, any man of discretion would be just crazy to kiss you."
 This seemed to ease the strain, and no jury being present to muddle affairs a satisfactory verdict was reached.—Philadelphia Ledger.
