Mrs. Meisinger Gains Fame

Captures Negro Burglar and Holds Him Until Help Arrives.

A dispatch to the World Herald from Papillion, Neb., gives an interesting account of the capture of a burglar who had stolen two pocket books containing about \$51 in money from the home of Henry Meisinger a well known farmer living near there.

Mrs. Meisinger had noticed a negro hurrying from the house and suspecting something wrong had secured a revolver and compelled his return holding him at the point of the gun until her husband and boys could render assistance. The negro loudly protested he had done nothing and a search uncovered but 10 cents in his clothes. However a search at the point to which he had retreated brought to light the two pocket books which he had hastily thrown in the weeds. The colored gentleman was turned over to the sheriff of Sarpy county and will doubtless get a term in the pen.

Death of Frank Ingram.

The funeral of Benjamin Franklin Ingram who died at his home east of Louisville after a long illness, took place from the Glendale church Sunday afternoon, August 1st, at two o'clock, interment in Glendale cemetery. The services were conducted by Evangelist Walter K. Williams of Lincoln, assisted by Rev. Rutledge and the M. E. choir.

The deceased had been a true Christian and an active worker in church for the past twenty years.

Rev. Williams' sermon touched upon the constant Christian life and upright character of the deceased brother and the bereaved relatives would derive great comfort from the knowledge that the loved one had gone to a better reward.

He was born October 5, 1861, east of Louisville, Neb., where he spent his youthful days and grew to manhood and resided at the time of his death, Friday, July 30, 1909. He was united in marriage to Miss Cora Swindell, at Casey, Ia., Nov. 14, 1883. Six children were born, five of which survive him. Mrs. Earnest Ahl, Louisville, Neb., Mrs. John Carter, of North Platte, Neb., Misses Eunice J., Blanche V., and Cove E., of Louisville; in addition to these immediate members the deceased is survived by an aged mother, two sisters Mrs. C. McMullen, Mrs. Verna Lee, and one brother Edward. His wife and infant daughter preceded him fifteen years ago.

In the death of Mr. Ingram the family loses a kind and loving father and the community a staunch and upright citizen.

Rains Boom Corn Crop.

Louis H. Heil was in the city Tuesday to attend to some trading and settle up for some corn he had recently delivered at Cullom. Louis reports a good rain in his vicinity and states it is of great benefit to the corn crop and was needed worse than most people imagine.

Up Against the Real Thing.

Clel Morgan, democratic candidate for county clerk, made a trip out to Cedar Creek yesterday for the purpose of posting up a few election notices, and incidentally shaking hands with some of the voters in that neighborhood. Clel is a nice, easy-going fellow but he is up against a hustler in George Lushinsky whose great popularity with all classes makes him a sure winner. Then he is on the right ticket also which makes assurance doubly sure. Here's to Lushinsky, our next county clerk of Cass county.

The News From Nehawka

Mrs. E. M. Pollard entertained the Entre Nous Club last week.

Miss Minnie Jones of Hickman, Neb., is visiting Miss Isadore Hall.

F. P. Sheldon is now buzzing around in a brand new Olds touring car.

Mr. H. F. Kropp and son, Ernest made a trip to Omaha last Thursday.

Mr. and Mrs. C. E. Corbin of Weeping Water were in Nehawka Thursday.

Thomas J. O'Day left Wednesday and Mr. A. E. Sturm Tuesday on a business trip to Idaho.

The time for the Nehawka Social Fair gradually draws near but hardly anyone—even in Nehawka—seems to be aware of the fact.

Ex-Gov. Sheldon accompanied by two of his children, is back in Nehawka, having just put away his cotton crop on his plantation near Greenville, Miss.

Misses Evelyn Wolph, Clara Nutzman, and Gertrude Sturm returned Tuesday evening from Salem, Neb., where they have been attending a house party given by Miss Mable Pollard formerly of this place.

At a house party given by Mrs. E. A. Kirkpatrick last week were the following: Mr. and Mrs. Reed and Miss Irma Hunt of Council Bluffs; C. E. Tefft, wife and children of Weeping Water; Miss Ida Myers of Omaha; Mrs. Ruffner of Plattsmouth; Mr. and Mrs. Harmon of Avoca; Paul Kirkpatrick, wife and daughter of Texas; Mr. Orlando Tefft of Avoca.

Candy Hungry Burglars.

Upon opening their store Monday morning J. W. Larkin & Co., found that some time since closing Saturday night burglars had paid them a visit. Entrance was effected to the store room through a rear window. So far as has been determined nothing was molested excepting a little candy, probably ten or fifteen pounds, and this leads to the supposition that perhaps it was the work of local talent.

A window near the north end on the west side was broken open first, but iron bars inside prevented an entrance. The elevator to the second story and basement of the hardware store, which is located in the angle between the Larkin store proper and the store room was raised on a level with another window and another glass broken and an entrance effected.

Fine job work done at this office.

Conference of Forest Schools

The heads of all universities, colleges and schools in which technical forestry is taught have been invited by Gifford Pinchot, United States Forester, to attend or send a representative to the Congress on Education in Forestry which will be held in Washington in December. In his letter of invitation the Forester says:

"I believe that a conference of the representatives of forest schools and universities and colleges in which forestry is taught might be made of great value to the general progress in forestry in the United States, as well as to the institutions which teach forestry, and to the Forest Service, which employs so many of their graduates, and which is vitally interested in the best training of foresters. Such a conference might well consider the objects and methods of forest instruction, the organization and standards of educational work in the field of forestry the coordination of the work of different institutions, and the needs of the Forest Service and other employers of forest graduates.

"I hope you will find it possible to be present or send a delegate to a conference of this kind, which, with the concurrence of the institutions concerned, will be held in Washington December 30 and 31, 1909."

From all over the country the plan has met with enthusiastic support, letters of acceptance having been received from nearly every institution to which the invitation has been sent.

New Reading Room

A recent by-law of the Christian Science Church requires that reading rooms shall not be conducted in connection with the office of a practitioner. Heretofore the reading room of the Second Church of Christ, Scientist, has been located in the rooms of Mrs. Aurelia Hilton, the practitioner, in the Coates block. In conformity with the new ruling, however, another room has been secured, and the reading room has been removed. The new room is also in the Coates block, just at the head of the stairs to the west, formerly occupied by Earl Wescott, where the public is cordially invited to call any afternoon between the hours of 2 and 4 for information or literature relative to Christian Science.

Doing

Their Duty

Scores of Plattsmouth Readers Are Learning the Duty of the Kidneys.

To filter the blood is the kidneys' duty. When they fail to do this the kidneys are sick.

Backache and many kidney ills follow; Urinary trouble, diabetes. Doan's Kidney Pills cure them all. Plattsmouth people endorse our claim.

P. M. Lindsay, Marble Street, Plattsmouth, Neb., says: "Off and on for about two years I suffered from pains in my back and while at work, a dull, steady ache through my loins greatly disturbed me. I had reason to believe that the trouble was caused by disordered kidneys but I was unable to find relief from the remedies I used. Finally Doan's Kidney Pills were brought to my attention and I procured a box at Gering & Co's. drug store. The results that followed their use showed that I had at last found the right remedy for my trouble and thus encouraged, I obtained another box. In return for the great improvement Doan's Kidney Pills have made, I heartily endorse them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Runaway Boy Captured.

"Jack" Denson picked up Henry Miller, a youthful runaway from his home in South Omaha, this forenoon. He is a son of William Miller, formerly a resident of this city. He left his home some time Monday but was apprehended by his father in Omaha yesterday and placed upon a street car and started home. However, he concluded that he was not quite ready to return to the parental domicile, and leaving the car started south, arriving in this city this morning. Upon learning that he did not arrive home his father sent word to the officers of this city and Deputy Manspeaker and Policeman Trout got a team and started to look up the youngster. Shortly afterward, however, Constable Denson picked him up on the street and lodged him in jail awaiting further instructions.

Cut the Weeds.

What has become of the agitation in regard to the destruction of weeds. Present appearances of the streets for blocks in many different parts of the city are rendered unsightly by a tall growth of rank weeds which are a menace to the health conditions of the neighborhood. There is a stretch of tall weeds extending from the city tool house over the sewer entrance to the bridge a few hundred yards distant so high the houses cannot be seen on the west side of Chicago avenue. Someone should get after these and cut them down.
