Fred Kovar of Schuyler was in the city this week visiting with James Sochor. This is one of the three young men who made the trip last spring from Schuyler to New Orleans in a motor boat. He states that they had a most pleasant trip all the way down.

J. W. and Mr. and Mrs. A. C. Tulene left Monday for Springfield where they will operate a merry-go-round during the Old Settlers' reunion which is being held there today. The boys will not get far from here as they intend to run it here at the Merchants Carnival Sept. 1 to 6.

Benjamin Rainey, who resigned his position as chief of police recently has returned from a visit in Oklahoma. He says crops in Oklahoma have been badly injured by the drouth and will nearly be a complete failure. Oklahoma City he thinks is a good live city and is growing constantly, though this year's crop failure will cripple the boom to some extent.

Using goats as lawn-mowers is the plan adopted by the Bellevue chautauqua for clearing their grounds. Over 1000 Angora goats belonging to H. T. Clarke were turned into the grounds last week, and management expects to have the grass clipped short by chautauqua time, the last of August, without any further bother on their part.

Mrs. J. M. Woodson, the aged lady who had the misfortune to fracture her hip is getting along as well as could be expected though the injury is causing her considerable suffering. The accident was caused by her cow which in endeavoring to eat some sweet corn shucks from her apron took a quick jerk at it throwing Mrs. Woodson down with the above result. As she is 72 years of age the injury might be permanent though the surgeons are making every effort in the case.

John H. Beck, who resides on a small farm northwest of the city had the misfortune to upset his wagon in which he was delivering five calves to the Mynard stock market. John had laid down the lines for a few moments to light his pipe when the team drew the front wheel of the wagon into a ditch. No bad breaks resulted from the accident though it took some time and considerable trouble to get the calves which had scampered back home. Some of his neighbors considered it a good joke on John and enjoyed a good laugh at his expense.

Does Not Really Need a Man

Can Operate Farm with Dog,
Cat and Parrot

SPokane, Wash., Aug. 18.—Grace Croonquist, comely and vivacious, who drew No. 354 in Uncle Sam's big land lottery at Coeur d'Alene, Idaho, where 3,000 names were drawn from among the 100,000 registered for land in the Coeur d'Alene reservation, made a witty reply when asked by Judge James W. Witten, superintendent in charge of the drawing, what she would do on a homestead without a husband to run it. She said:

"With a dog that growls, a cat that delights in staying out at night and a parrot that 'cusses' like a veteran sailor or seasoned mule-whacker I do not believe I will have occasion to miss a husband. I believe I have all the necessary adjuncts to farm life. I have paddled my own canoe for several years and I think I am qualified to pilot a plow over the hills. However, if the right man comes along I may be induced to share my claim, which timber cruisers say is worth \$10,000, with him. Understand I said 'the right man.'"

This is Sure And Certain

The Proof That Plattsmouth
People Cannot Deny

What could furnish stronger evidence of the efficiency of any remedy than the test of time? Thousands of people testify that Doan's Kidney Pills cure permanently.

Home endorsement should prove undoubtedly the merit of this remedy. Years ago your friends and neighbors testified to the relief they had derived from the use of Doan's Kidney Pills. They now confirm their testimonials. They say time has completed the test. J. B. Patridge, 8th st., Plattsmouth, Neb., says: "I suffered almost constantly from pains across my loins and kidneys and at times I was in a bad way. On several occasions I was so badly crippled that I could only get about with the aid of two canes. The first box of Doan's Kidney Pills, procured from Gering & Co's. drug store, helped me so greatly that I continued taking the remedy and it brought me entire relief. It would be impossible for me to speak too highly of Doan's Kidney Pills."

The above statement was given in June 1906 and on Dec. 29, 1908, Mr. Patridge said: "I still endorse Doan's Kidney Pills highly. I willingly renew

the statement I gave over two years ago in their favor."
