

# I Want You to Buy a CASE Machine

I know what CASE machinery will do and I want you to know. You do not need to buy a machine to find out what it will do, there are machines right here in Cass county that you can investigate. One satisfied grain grower after having his grain threshed by a CASE separator said "It does the best work of any machine I ever saw in all my life." Why not get into this business NOW, it requires comparatively small capital to start, has large profits, and is easy to conduct.

A CASE steel separator is fire-proof, water-proof and weather-proof, making it an ideal machine for all sorts of conditions and weather. It is a very clean thresher and it has the highest deck room and greatest capacity of any separator ever built. It is warranted to do more and better work than any other machine of similiar size, working under like conditions. A CASE 20-bar 28x32 inch cylinder would cost \$425. See me for catalogues and particulars.

### This is Sure And Certain

The Proof That Plattsmouth  
People Cannot Deny

What could furnish stronger evidence of the efficiency of any remedy than the test of time? Thousands of people testify that Doan's Kidney Pills cure permanently.

Home endorsement should prove undoubtedly the merit of this remedy. Years ago your friends and neighbors testified to the relief they had derived from the use of Doan's Kidney Pills. They now confirm their testimonials. They say time has completed the test.

J. B. Patridge, 8th st., Plattsmouth, Nebr., says: "I suffered almost constantly from pains across my loins and kidneys and at times I was in a bad way. On several occasions I was so badly crippled that I could only get about with the aid of two canes. The first box of Doan's Kidney Pills, procured from Gering & Co's. drug store, helped me so greatly that I continued taking the remedy and it brought me entire relief. It would be impossible for me to speak too highly of Doan's Kidney Pills."

The above statement was given in June 1906 and on Dec. 29, 1908, Mr. Patridge said: "I still endorse Doan's Kidney Pills highly. I willingly renew the statement I gave over two years ago in their favor."
