Boosters

Meet Mishap

Carnival Committee Participates in a Runaway while Interviewing the Farmers.

Several members of the committee on the live stock show Sept. 1st took teams and drove out through the county to meet some of Cass County's enterprising live stock, fruit and grain raisers Tuesday.

Geo. Sayles and Julius Pitt drove through the territory between here and Nebraska while Geo. Raffenberg and Luke Wiles made a similar trip to the west near Louisville, Murdock and Manly. The gentlemen were courteously received by the farmers and stockmen who are greatly interested in the exhibit and are united in approving the attempt and in regard to its benefits to farmers interested in making Cass county famous for its pure blood stock and improved grain and fruit. The weather was dry and hot and the roads dusty which made traveling quite disagreeable but this feature of the trip was easily lost sight of in the splendid reception accorded the members of the committee by the farmers who are keenly alive to the situation and seemed glad to show their animals and products, many of them having evidently been expecting a visit from the boosters. Nearly all of the cattle, horses and hogs were in splendid condition with the exception of fatness and this will be of no particular disadvantage to exhibitors as quality is to be the main feature in Prof. Ashby's judging. The farmers were assured that this was not a fat stock show and were urged to bring in their animals no matter if they were not in their customary weight and condition. And right here the committee wishes to state that it was not shown an animal which it would not be proud to see put on exhibition at the show Sept. 1st. Nothing happened to mar the successful conclusion of the trip other than the accident to Messrs. Pitt and Sayles, their team becoming frightened at an automobile resulting in a broken buggy pole and spilling the boys out. A few cuts and bruises which were not serious covered the extent of the physical damages. The horses were not hurt, and a broken pole and buggy top were the only damages to the rig.

The accident happened near the farm of Charley Jean, who offered every thing at his command in the predicament, bringing the boosters to town with his splendid single driver, for which he has their thanks. Everything points to success in connection with the stock, fruit and grain show feature of the carnival and the committee is busy at work completing final arrangements for the care and protection of the exhibits expected.

William Hohlsch returned Monday evening from a trip to Oklahoma. He reports that the weather in that part of the country is about as dry as it is hereabouts, with the corn suffering greatly though the small grain did well and a fair crop of cotton has been realized.

Big Class of Red Men.

The local lodge of the Improved Order of Red Men is making great preparations to participate in the big jubilee which will occur in Omaha on October 23, when it is the purpose of the promoters to initiate a class of 1,000 new members. Members all over the state have been invited to join in the effort, and for that occasion the initiation fee has been reduced to \$3 out of which the advance dues for one month and fare to Omaha and return will be paid. The local tribe is displaying much enthusiasm in the matter and have assured the state officials of the order that Plattsmouth may be depended upon to do their full share in furnishing their quota of palefaces.

American Apples In Demand

European Fruit Crop is Short—Buyers in this Country.

Spokane, Wash., Aug. 25.—Ron H. Rice, secretary-manager of the National Apple Show Inc., has received advices from London, Liverpool, Dublin, and Hamburg, which indicate that because of the shortness of the crop in Europe there will be a large demand for American apples the coming fall and winter, with the promise of better prices than in former years. The apple crop in England is reported to be far below the average and there is an increased demand, not only for fancy fruits but also medium grades. Robt. P. Skinner, United States consul, writes from Hamburg, there is a larger demand in Germany for American apples, adding that this European business can be increased by sending only the best fruit and honest packs. Growers in the Northwestern states and provinces are preparing to send large consignments of fruit abroad this season.

A Notable Event.

Mrs. J. W. Larkin left this morning for Clarks, Neb., where she will visit for a time with her parents, Mr. and Mrs. W. R. Morse. When she returns she will be accompanied by her daughter, Mildred who has been visiting her grandparents for some time past. Mrs. Larkin expects to be present next Sunday at the dedicatory services of the new Congregational church at that place, and Miss Mildred will participate by the rendition of a vocal solo. This congregation erected the first church in Clarks in 1874, the different members getting together and doing the work themselves, Mrs. Larkin's father, Mr. Morse, performing his share of the work in laying the shingles. And it is worthy of note that in the present work of rebuilding the church, Mr. Morse is chairman of the building committee.

Mayor "Jim" Dahlman of Omaha, who debated Mrs. Florence D. Richards, president of the Ohio State W. C. T. U., at Albion chautauqua last week on the "liquor question," seems to have gone into the chautauqua business. He is to debate W. E. Price of Lincoln, a prominent democrat, on the same subject at the Bellevue chautauqua Tuesday evening, August 31.

Things Social At Mynard

Special Correspondence.
From present indications Nebraska is about to go dry.

W. B. Porter and wife were shopping in Omaha Tuesday.

Mr. Nearhood of Ong, Neb., is visiting with R. L. Propst.

Master Garwood Richardson of So. Omaha is visiting at Mynard.

Joe Sheehan of So. Omaha is visiting at the home of J. R. Vallery.

John Schwartz is enjoying a visit from his brother from Montana.

R. L. Propst and wife were transacting business at Omaha Wednesday.

Philip Meisiger of Oklahoma is visiting his parents. Philip appears to be pretty well satisfied with the south.

Roger Barker has returned from Oklahoma to be one of us. We are glad to have you back with us Edgar.

G. W. Barnmeister returned recently from Oklahoma. He reports the south dry but says they had a good small grain crop.

Wm. Murry is now shipping apples by the car load to Omaha. The apple crop appears to be quite bountiful but the peach crop is a total failure.

F. A. Marler and wife, D. J. Larr and wife, Grandma McCoy, Boyd Porter, Will Propst, Mrs. S. O. Cole and daughter Opal attended the Elmwood chautauqua Sunday.

The Wild West and Far East

Many Interesting Features Will Be Seen with the Buffalo Bill and Pawnee Bill Exhibitions.

Considerable interest has been aroused in this vicinity through the announced appearance of Buffalo Bill's Wild West and Pawnee Bill's Far East at Nebraska City, Sept. 7th.

Col. Wm. F. Cody, the original and only "Buffalo Bill," travels with the big exhibition and positively appears at every performance, rain or shine. Arrangements have been made with the railroad officials to run excursions at special rates from the various stations along the line and there will be special provisions for the accommodation of those who wish to visit the exhibition. To the small boy and grown up Buffalo Bill will be the chief attraction, for his fame is not dimmed by the years which have elapsed since he helped write the story of the west through his heroic deeds. One of the principal contests of the redmen, in which he took active part, will be pictured in the open air melodrama, The Battle of Summit Springs, an engagement in miniature introducing more than one hundred Indians and as many cavalymen and soldiers. Contrasted with this scene will be An Oriental Spectacle which will picture the gorgeous beauties of the Far East, its pageantry and people, its pleasures and pastimes, and its strange costumes and customs. Turning again to American history there will be An Attack Upon an Emigrant Train, A holiday at "T-E" Ranch, and The Great Train Hold-Up by Indians, showing varied pictures of early life upon the boundless plains. Rossi's Musical Elephants will be a particular feature of the Far East scene, and as an individual feature of the Wild West section of the exhibition Ray Thompson's Trained Western Range Horses will be shown in feats of grace and equine skill. Sharpshooting by Johnny Baker will be a particular attractive feature, and a bunch of bucking bronchos will furnish the principal comedy element of a truly exhilarating and strenuous exhibition.

Liberati.

The Managers of the State Fair at Lincoln, September 6th to 10th, have again secured the world renowned Liberati's Band of New York. They will give three grand concerts in the Auditorium every day and one concert each evening in front of the Grand Stand. Besides the band he has with him a full complement of Grand Opera singers. To those who have attended the State Fair the past two years that is announcement enough.

County Commissioners Switzer and Jordan, of Weeping Water and Alvo respectively, were in the city Tuesday attending a meeting of the board.

Oak Leaf Diet Kills Cattle

The stockmen grazing their cattle on the National Forests in the southwest, especially in Colorado and New Mexico, have suffered serious losses during the present summer through the cattle eating oak leaves.

In that section of the country the season has been unusually dry and grass extremely scarce. To eke out the scanty forage supply, the cattle have browsed heavily on the scrub oak which covers large portions of the range. Ordinarily the stock does not browse much on the oak and the little they do get, taken with other food, is not injurious, but when, as in the present season, the oak becomes a large proportion of the daily food of the cattle, the results are serious.

The oak leaves and sprouts contain a large percentage of tannic acid. The action of this acid on the stomach is extremely injurious and the losses have been unusually severe. The symptoms are staring eyes, feverish and blistered lips and nose, the animal ceases to graze or seek for food, standing in one place for hours at a time. The coat becomes rough and the hair is all turned the wrong way, as in cases of loco poisoning. The animal does not chew its cud and in a comparatively short time it becomes too weak to remain on its feet and death rapidly follows.

So far as is known the only available remedy for this trouble is linseed oil given as a drench in amounts from one to two quarts. The oil appears to overcome the injurious effects of tannic acid and if the disease is not advanced to far and the animal can be furnished sufficient food so it will not be forced to eat the oak, it will generally recover. The best method, of course in handling the trouble, is, if possible, to get the cattle away from the range where the oak is found and furnish them with plenty of fresh green feed to build up again.

This is Sure And Certain

The Proof That Plattsmouth People Cannot Deny

What could furnish stronger evidence of the efficiency of any remedy than the test of time? Thousands of people testify that Doan's Kidney Pills cure permanently.

Home endorsement should prove undoubtedly the merit of this remedy. Years ago your friends and neighbors testified to the relief they had derived from the use of Doan's Kidney Pills. They now confirm their testimonials. They say time has completed the test. J. B. Patridge, 8th st., Plattsmouth, Neb., says: "I suffered almost constantly from pains across my loins and kidneys and at times I was in a bad way. Contrasted with this scene will be An Oriental Spectacle which will picture the gorgeous beauties of the Far East, its pageantry and people, its pleasures and pastimes, and its strange costumes and customs. Turning again to American history there will be An Attack Upon an Emigrant Train, A holiday at "T-E" Ranch, and The Great Train Hold-Up by Indians, showing varied pictures of early life upon the boundless plains. Rossi's Musical Elephants will be a particular feature of the Far East scene, and as an individual feature of the Wild West section of the exhibition Ray Thompson's Trained Western Range Horses will be shown in feats of grace and equine skill. Sharpshooting by Johnny Baker will be a particular attractive feature, and a bunch of bucking bronchos will furnish the principal comedy element of a truly exhilarating and strenuous exhibition.

The above statement was given in June 1906 and on Dec. 23, 1908, Mr. Patridge said: "I still endorse Doan's Kidney Pills highly. I willingly renew the statement I gave over two years ago in their favor."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. 35-4

Back From Wedding Trip

Mr. and Mrs. Don York returned Tuesday evening from their wedding trip which included the Seattle exposition and other coast cities as well as Denver and other mountain cities. They were absent about four weeks and report themselves as having enjoyed every moment of the trip. They commenced keeping house yesterday in the groom's property on South 8th street where they will be at home to their many friends.

Mrs. W. H. Scnidknecht has returned from a trip of a year or such a matter spent on the Pacific coast, in the interest of her health. Her many friends are glad to see her back and trust that the improvement in her health will be permanent.

War on Dogs.

In compliance with the proclamation of Mayor Sattler the police yesterday were notified to commence the war of extermination on the horde of hungry canines which have been wont to roam the streets of the city unmolested. Accordingly the chief came on duty armed with a double barreled shotgun. The result of the first half day would seem to indicate that our minion of the law did not avail himself of the open season on ducks last fall and was consequently not in the best of practice. However, he did not make many very bad blunders in marksmanship, and by the time of the noon hour the dogs had become very scarce. Dr. Elster reports a slight increase in the sale of license tags.

Young People Wedded

Catholic Church Scene of Brilliant Nuptial Event.

Yesterday morning at 10 o'clock in this city at the Holy Rosary church occurred the ceremony which united the life interests of Mr. Anton W. Vetsnik and Miss Hermia Novotny. The ceremony was performed by Father M. S. Shine. The wedding party entered the church to the strains of wedding march played by Miss Mary Janda, the bride being attended by Misses Rose Novotny, Anna Vitousek and Clara Jirousek, while Messrs Louis Vetsnik and Tim Wooster of this city and John Skounal of Omaha acted as groomsmen.

Immediately after the ceremony a reception was tendered the newly married couple at the residence of the bride, which had been handsomely decorated for the occasion, a wealth of cut flowers being in evidence everywhere. Immediately following this a wedding breakfast was served, and last evening a ball was given in honor of the happy couple at the new K. S. hall on West Oak street.

Both of these young people have grown from childhood in this city and number their friends by the score who will join with the NEWS-HERALD in wishing them a most happy voyage on the matrimonial sea.

Adam Kaffenberger and Adam Fornoff went to South Dakota the first of the week. Both of these gentlemen have large farming interests in that state and this trip was made for the purpose of looking after the same.

Wedding at Cedar Creek

Andrew Thompson and Miss Ruth Sayles the Contracting Parties.

Andrew Thompson, one of Cedar Creek's influential business men was in the city on business Tuesday returning home that evening. Mr. Thompson has been a resident of that thriving little village for about two years and during that time has made hosts of warm friends, who will be pleased to learn that while in the county seat he secured a marriage license to wed Miss Ruth Sayles, the handsome and accomplished daughter of Mrs. Geo. E. Sayles of Cedar Creek. The wedding which occurred today was a quiet home affair, owing to a recent bereavement, in the death of the bride's father, the late Geo. E. Sayles, only immediate relatives of the contracting parties being present. The ceremony was performed at high noon by Canon Burgess of Plattsmouth, the beautiful ring ceremony being used. Miss Honor Seybert, niece of the bride, presided at the piano and played "The Bridal Chorus," the bride and groom at the first strains appearing in the doorway of the large parlors, which had been beautifully decorated for the occasion. The bride was exquisitely gowned in white while the groom wore the customary black, the couple presenting a handsome appearance. A splendid wedding dinner was served in the comfortable dining room at the conclusion of the ceremony and an inspection of the wedding presents, which were numerous and costly including many sets and pieces of beautiful silverware and handsome furniture.

Mr. and Mrs. Thompson departed on a few weeks' trip to Denver and other Colorado points, and after a visit, later, with the groom's relatives at Fremont will be at home to their friends in the dwelling which has been rebuilt and furnished for their use. The NEWS-HERALD joins with the numerous friends of the happy couple in extending congratulations and best wishes.

Sell your junk to Wave Allen and get the highest market price. 36-10.

Reduced rates to Lincoln, Neb., and return on Aug. 28th to Sept. 15th and on Sept. 11th to 19th inclusive via the Missouri Pacific. H. Norton, Agent.

Yes everybody's coming to the Merchants carnival.

It's certainly going to be one big time, and we want you all to be here. While you're in town, we want you to visit our new store. See our large display of new fall wearables for men, young men and boys.

You're going to get a letter from us in a day or so. Read it, we want to give you something.
