Base Ball

At Omaha

Lincoln and Omaha will Engage in Royal Battle Sept. 18, 19 and 20.

There will be a chance on September 18, 19 and 20 for the people of Platts-mouth and Cass county to see the team owned by Don Despain and Lowell Stoner, two Cass county boys, play the kind of ball that is the sensation of the Western league at the present time. The attention of base ball men all over the United States has been drawn to the sensational and record breaking work of the Lincoln team in winning six shut-out games in succession.

Playing against Denver the team that has always been a hard one to win from, the Lincoln team won nine straight from, closing the series with two shut-outs in one day, 5 to 0 and 3 to 0. The next day opposed to the heavy hitting Pueblo team again won a double shut-out 6 to 0 and 5 to 0. Then came Des Moines and they were shut-out two games 7 to 0 and 3 to 0. Of the last 13 games played they have won 12, six of them being shut-outs, seventy-four scores being made to their opponents thirteen.

The balance of the season they will be playing Des Moines, Sioux City and Omaha, three teams that are close contenders for the pennant, and the hope from those towns show that they are expecting Lincoln to pull them all down.

Lovers of the game in Cass county should not lose the opportunity to see the Lincoln team in action in the Omaha series. You will have a chance to see Davidson, the great center fielder who is the sensation of the Western League and who is to be a member of the great Chicago Cubs next season. Jack Thomas the crack first baseman of the league and the home run slugger of the circuit, having made ten home runs so far this season. "Kid" McGriever, the old gentleman, who plays second base like a youngster and who has been playing professional ball nearly twenty-five years, and is yet considered one of the best. Cockman, the best third sacker in the league, lately purchased from the Americans for a big wad of money. Eddie Gagnier, the deep sea diver, the best short stop in the west. Jude the swift little Chippewa Indian out fielder, Waldron from the salt sea waves of Cape Cod, who plays the right garden, Nunamacher, the catcher, whom the big leagues have been trying to purchase and who is considered one of the coming great catchers, Farthing the Methodist preacher from the Wesleyan university, who has won six out of seven games pitched, McGrath, the Kansas kid, who as a pitcher has been shown to be the class of the league and fresh from the bush has been mowing them all down. McCafferty, Nagle and Ryan, three other pitchers from the big leagues who are doing great work, and last, but by no means least, Jimmie Sullivan the big Irish catcher, who as manager took hold of the Lincoln team when it was down and out and in three

weeks has brought it up to a standard never before accomplished and has made it the talk of the base ball world.

The above are facts, and no lover of base ball should fail to see the Lincoln team in action when they are in Omaha.

Remember the dates, September 18, 19 and 20, and everybody who enjoys a good game of ball should make it a point to visit Omaha one of those days.

The Canvas Tabernacle.

The much heralded series of evangelistic meetings to be conducted under the auspices of the Christian church was commenced last evening in the mammoth tent erected for the purpose in the rear of the court house, by Mr. and Mrs. Tuckerman, Mr. Willhite being unable to be present until Saturday night. A telegram received by Rev. Luther Moore, pastor of the church, states that a wonderful work is being done by the evangelist in Guthrie, Ky., and that it will be impossible for him to arrive here before Saturday.

On that evening it is planned to hold a reception in the big tent, the object being to give all an opportunity to meet these people and become personally acquainted with them. Besides the pastors of the several churches of the city it is hoped to have Mayor Sattler present and other heads of civic societies, giving these great religious workers a welcome that will at once convince them that Platts-mouth's heart is in the right place.

Buys New Home.

A deal was consummated yesterday whereby George R. Sayles becomes the possessor of the handsome residence property owned by Geo. Born in the western part of the city. Mr. Born has only owned the property a short time, moving in from his fine farm several miles west of the city last spring.

Mr. Born states that he enjoys city life very much, but that the opportunities for making money on the farm now are so great that he feels that he cannot afford to stay away, especially as he owns one of the finest farm properties in Cass county.

Celebrate Anniversary.

Saturday was the 20th anniversary of the marriage of Mr. and Mrs. J. C. Petersen, and in celebration of the event they entertained about twenty of their friends at their home on lower Main street. The evening was spent in progressive high-five and at its close a four course luncheon was served which was much enjoyed by those present. At a late hour the guests departed wishing Mr. and Mrs. Petersen many recurrences of the happy event.

Glenn Rawls who has been connected with White's grocery store for some time past has resigned his position to accept the place C. E. Wescott's Sons' made vacant by the resignation of Matt Jirousek, the latter going to Chicago to accept a place with a large wholesale concern.

County Attorney Ramsey made a trip to Blair yesterday morning to be present in the afternoon at the marriage of an old school friend, Lyman Peck. He returned on the evening train.

Big Time For Eagles

State and National Conventions at Omaha This Week Attract Large Crowds.

Past President—John J. Ryder, Omaha.
President—Jule Althaus Omaha.
Vice President—Charles A. Tracy, Benson.
Secretary—J. M. Tanner, South Omaha.
Treasurer—Russell E. Danders, Chadron.

Chaplain—George Gamble, Florence.
Conductor—M. Pedersen, Blair.
Inner Guard—T. L. Walker, McCook.
Outer Guard—M. M. Green, Norfolk.
Trustee—C. H. Christiansen, Fremont; R. H. Schwitzer, Lincoln; Dr. A. J. Ames, North Platte.

These are the officers elected by the Nebraska aerie of Eagles at Benson Tuesday afternoon. Chadron was chosen as the next place of meeting. Grand Island was also a bidder for the convention, but unfortunately for it, and fortunately for Chadron, the Grand Island aerie was not up with its per capita and consequently not in the eligible list. Following the election and other business, the new officers were installed and the convention concluded.

The convention adopted two important resolutions, one recommending the establishment of a national home for aged Eagles and those who have tuberculosis. The other urges state autonomy, which will be one of the live issues in the national convention.

Today will occur the grand parade of the visiting delegates and it is estimated that 10,000 Eagles will be in line. Platts-mouth sent up a delegation of about sixty, No. 15 on the Burlington this morning taking over a hundred visitors. Reports from Omaha received during the week are to the effect that this meeting is one of the most successful in the history of the order, and many good words have been spoken for Omaha for the manner in which she has entertained her visitors.

Out On Bail.

Charles Baker, who was recently arrested on a charge of bigamy on information furnished the county attorney from his old home in Ohio, and who has since been confined in the county jail, was released on bail the first of the week, and is now looking for work at his trade of stone mason. The county court fixed the amount of his bond at \$500 at his hearing. Later Judge Travis reduced this to \$400. Old friends of the accused in Ohio made up a purse of \$300 and deposited with the First National Bank of this city, and his attorneys, Sullivan and Gering, furnished the balance.

The confinement has had a bad effect upon the health of Mr. Baker, but he thinks he will quickly recover his usual robustness when he gets to work.

Compliments the Parmele.

Platts-mouth has many things of which her citizens are justly proud, fine business houses, churches, schools, hotels, etc., but perhaps none of them stand out in such prominence, as compared with similar things in other cities, as does our opera house. Frank H. Leonard, the Christian Science lecturer who spoke in this city last week, made the statement that in all his travels, with one exception, he had not found so handsome and well appointed a structure as the Parmele, and many cities much larger in population could not boast of so good a house.

New Decorations.

Charles Martin, the barber, with commendable push and enterprise is having the interior of his place of business repainted and decorated. While Charles' political principles are regarded by many as dreadfully unorthodox he is a delightfully optimistic cuss and keeps well up with the great American ZEITGEIST. Kinkead & Mahoney are doing the work and with their handicraft are working a transformation.

Dwyer Wins Case.

The case of D. O. Dwyer vs. John Hatt, jr., wherein the plaintiff sued to recover for rent and other items aggregating the sum of \$60.25 was tried before a jury in Judge Archer's court Tuesday, and judgment found for the plaintiff in the sum of \$25 and costs, amounting in all to \$40.20. There is some talk that the case will be appealed.

In another part of this paper will be

found the program for the full two days.

The people of Nehawka have put in a lot of time and money to make this fair a success. The program is fine, good speakers will be in attendance and if the weather is fair there will surely be a good crowd.

Case Being Closed Up.

The case of Wortman vs. Pratt which was tried before Judge Archer during the summer, coming up from the vicinity of South Bend and resulting in a hung jury and an order for a retrial is being settled out of court.

This is the case wherein W. H. Wortman employed for farm work M. Pratt and wife, the latter asserting that they were familiar with farm work and thoroughly competent to perform same in a workmanlike manner. After possession was secured Mr. Wortman became dissatisfied with their work and sued for possession. The first trial resulted in a hung jury, and a retrial was ordered for August 31. On this date neither of the parties appeared for trial but William A. Robertson, as attorney for the plaintiff appeared and claimed default and took judgement. However, plaintiff has now settled the case, and paid the costs, an amicable arrangement having been reached out of court.

A Handsome Residence.

The new residence of W. L. Pickett on Vine street between 5th and 6th, is rapidly nearing completion, and when done will be one of the finest and best appointed dwellings in the city. The structure is strictly modern throughout a hot water heating plant being installed together with electricity and gas. Contractor Larson has charge of the work. Mr. and Mrs. Pickett expect to move into their new residence in about a month. It is understood that Superintendent Baird of the shops will take possession of the house now occupied by them immediately upon their vacation.

Quite A Common Error

The same Mistake is made by many Platts-mouth people.

It's a common error
To plaster the aching back,
To rub with liniments rheumatic joints,
When the trouble comes from the kidneys.
Doan's Kidney Pills cure all kidney ills,
And are endorsed by Platts-mouth citizens.

Mrs. John Sharp, Cor. Third & Dyke Streets, Platts-mouth, Nebr., says: "For a long time I had trouble from my back and kidneys. There were terrible pains in the small of my back often extending into my hips and limbs and though I doctored and tried various medicines, I was not relieved. About a year ago I procured Doan's Kidney Pills from Gering & Co.'s drug store and in a short time they brought me complete relief. This remedy has my hearty endorsement." (Statement given June 9, 1906.)

On December 29, 1908, Mrs. Sharp said: "I gladly renew my former endorsement of Doan's Kidney Pills. I still think highly of this remedy, knowing that is a splendid one in cases of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-McBarn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. 42-4

Contractor L. G. Larson is making some extended improvements to his residence property on Gospel Hill, the completion of which will materially add to the desirability of his home.
