To the Public.

We wish to present to the people of Plattsmouth the proposed work of the Gospel Army. We want it understood the work is to be interdenominational. All persons becoming interested in the work will be encouraged to take membership with the church of their choice. The purpose of the Gospel Army is to buy the German M. E. chapel, to be used as a meeting place, and the property to be placed in the hands of a board of trustees of reliable citizens, who will have complete control of the same. Should the work ever cease the property would be sold and the funds derived therefrom divided among the churches of the city, to be used as a missionary money. The work of this mission is to be along the lines of the Y. M. C. A., working for the uplifting of the community. Every citizen should take an interest in this work, which is only a labor of love.

Returned to Omaha.

J. W. Balson, of Omaha, who came to this city Tuesday to accept the position of business solicitor and local editor of the NEWS-HERALD, returned to Omaha Wednesday morning having received a very flattering offer from his old firm to again enter their employ in charge of their shipping department. We regret very much to lose the services of Mr. Balson, but did not feel like standing in the way of his acceptance of terms that were as flattering as those offered. We have secured the services of Mr. A. W. Atwood to look after the local writing until such time as we can make other arrangements, and we trust that the friends of the NEWS-HERALD will accord to him every courtesy possible and assist him to give the public a newsy department.

Back From Alberta.

Geo. L. Farley returned Tuesday morning from Alberta, Canada, where he went some two weeks ago with a party of prospective land buyers. He reports conditions excellent in that country and is very enthusiastic regarding the future of the great northwest. Many Cass county people now own land in that vicinity and on this trip Will Stokes of Mynard bought 169 acres, John Spagier of Murray got a half section and George Thomas of this city another half section. C. E. and E. H. Wescott who accompanied the party have not yet returned though they are expected to arrive in a day or two.

Mrs. Hunter is survived by seven children, her husband having died in 1896. The funeral services were held in the Congregational church in Weeping Water this afternoon, by Rev. J. H. Andreas, the pastor.
