You Can't Be at Ease.

You can't feel quite at home in your clothes unless you know that your collar sits right, that the Trowers hang right, that your Raincoat has good lines and the proper broad shouldered effect

"R.W." Raincoats fit "R.W." Clothes, and "R.W." Clothes fit you.

SCHOOL NOTES.

By Marie Robertson.

Last Saturday evening the first basket ball games of the season were played. The first half the Freshmen boys played the Sophomore boys, resulting in a victory for the Sophomore team. In the second half the Seniors were defeated.

The Freshman class furnished the music this week, Waldemar Soennichsen presiding at the piano.

On Thursday night the Junior boys defeated the Sophomore boys by a score of 16-12. The game was very exciting and some splendid playing was done by both teams. Maybe the promised supper had something to do with the energy displayed.

The Senior girls won against the girls' interclass team, score 15-6. Regardless of the fact that the Senior team were all last year players and much heavier, the other girls put up a good fight.

After the games Thursday evening Hon. R. B. Windham very pleasantly surprised the four defeated teams by inviting them to an oyster supper at his palatial home on Sixth street. Those present are rejoicing over the fact that they had their oyster supper before the victorious teams got their promised feast. After a very enjoyable time all joined in voting their host a charming entertainer.

Supt. Gamble is in attendance at the State Teachers' meeting held in Lincoln this week.

The mid-semester examinations were held Thursday and Friday, hence that worried expression on the faces of the high school pupils the past few days.

Miss Howard, one of the high school teachers, went to Omaha Friday evening.

S. L. Furlong of Rock Bluffs visited the county seat Saturday.

DO NOT WORRY ABOUT OUR TEDDY

EX-PRESIDENT ROOSEVELT IS ALL RIGHT

Rumored Accident to Teddy is Entirely Discredited.

ENTEBBE, UGANDA, Nov. 8.—The rumors that harm had come to ex-President Roosevelt is without foundation. A message from the British Commissioner at Eldama Ravine was received here as follows:

"Roosevelt was in excellent health October 28 and news of the party received on October 30 reported all well. A letter, dated November 3, has been received from the party, who at the time the message was sent were on the Guas Ingishu plateau. The letter made no mention at all of Colonel Roosevelt. If any of the party is sick, we, the nearest medical help, have received no news of such sickness."

The Roosevelt party was at Eldama ravine, from which the commissioner telegraphed, on October 27, and probably proceeded for Guas Ingishu plateau on October 28. In any event their nearest point of communication with the outside world would be for several days Eldama ravine, and news of the party could hardly get out by any other way.

CHICAGO AUTOMOBILE TAKES A DIVE

All Occupants Go Down with It—Bodies Not Recovered.

CHICAGO, Nov. 8.—An automobile containing four persons whose identity could not be discovered plunged into the Chicago river at Jackson boulevard and none of their bodies have been recovered.

The bridge had been opened for a steamer to pass through and the auto coming along before the bridge could be closed plunged into the stream. A gentleman who had a few moments before arrived at the bridge and was waiting for the same to close, shouted to the occupants of the machine, but they failed to hear him and the auto plunged over. Members of the police department have since tried to recover the bodies but have failed.

Death of Joseph Preis.

Joseph Preis, aged 42 years, died in a hospital in St. Joseph, Mo., Friday morning and his body was brought to Plattsmouth this morning for interment. Deceased was born in Germany and at one time was a resident of this city and worked in the shops. For a number of years he has resided at St. Joseph. Two years ago while employed at a stone quarry he was accidentally struck on the head with a sledge hammer and has been in the hospital ever since. He was a member in good standing of the Modern Woodmen of America, in which order he carried insurance in the sum of \$2,000 payable to his wife. To mourn his demise he leaves a wife and three children—Lizzie, Joseph and Otto; a sister, Frisbie, and three brothers, Martin, Max and John, the latter with the family of the deceased coming with the body to this place. The funeral takes place Sunday afternoon at 2 o'clock from the Catholic church. Members of the M. W. A. and friends are invited. The News extends its sympathy to the mourning relatives.

Detroit Team Wins.

Havana, Nov. 8.—The Havana base ball team went down to defeat at the hands of the American Detroit base ball club by a score of 5 to 1. The game was well played by both teams, but the Detroiters were just a little the fastest.

More Car Breakers.

Saturday morning Mr. Jordan saw three young men break into a car at the Missouri Pacific depot in this city and he at once sent his son to notify Deputy Sheriff Manspeaker, who with Sheriff Quinton was soon on their trail and captured them near the home of T. M. Patterson as they were making for the tall timber. They are now confined in the county jail. It was not learned what, if anything, was taken from the car.

We have learned since that the burglars were apprehended by Sheriff Quinton and Mr. Jordan. It is also learned that the night workers broke into a work car and stole one or two overcoats, one of the coats being identified by the owner.

D. C. Calton and C. W. Dillon of Decatur, this state, are spending their vacations in this city, being domiciled with the family of R. O. Watters.
