### MAJORITY IS ABOUT 1,500

Unofficial Vote on Judges Is Now About Complete.

#### EIGHTY-SEVEN COUNTIES UNOFFICIAL VOTE

Five Counties Yet to Send in their Reports of Election.

LINCOLN, Nov. 9.—With eighty-seven counties reported completely and with partial returns from two others, the candidates for supreme judge show the following strengths: Dean, 88,572; Good, 88,059; Sullivan, 89,450; Barnes, 91,623; Fawcett, 90,900; Sedgwick, 91,086. This gives Fawcett a lead over Sullivan of 1,450 votes.

The counties still to be heard from are Chase, Keya Paha, McPherson, Sheridan and Sioux. Partial returns are on hand from Sheridan and Sioux. Last year Chase, Keya Paha, Sioux and McPherson gave majorities for Taft of 251, while Sheridan went for Bryan by 24. The partial returns from Sheridan and Sioux indicate that both will be for the republican candidates by small majorities. Judge Fawcett's majority over Judge Sullivan will be about 1,600. Official returns are still lacking at the secretary of state's office from twenty-five counties.

Counties still have a week in which to get these returns into the hands of the secretary of state. If they are not there by that time a messenger will be sent to the delinquent counties, who shall be paid the expense of his trip by the county in question.

#### Dr. Rickard Killed.

Dr. Edward T. Rickard, 46 years old, of Weeping Water, was killed Monday morning by his automobile turning over on him. The sad accident occurred a short distance from his town. Theodore Davis, a farmer, found the body when he was going to his field. Appearances indicate that the doctor was killed instantly, as the machine laid across his breast and his head was much bruised. Dr. Rickard was mayor of the town a few years ago, had served in other capacities, was very popular and was a leading member of the Methodist Episcopal church. He was a graduate of Cotner university medical school in Lincoln and also of the University of Nebraska. The deceased is survived by a wife and two sons, one 11 years and one five months old.

### FALLS CITY MAN KILLS HIS WIFE

Turns Pistol on Himself and Is Killed Instantly.

FALLS CITY, Nov. 10.—An old soldier who moved here a few months ago killed his wife by shooting her yesterday afternoon and then blew out his own brains.

Mr. and Mrs. Inks came to this city only a few months ago, but had never been able to get along very well together and they finally separated. Yesterday Inks came to the house where his wife and twelve year old boy were living, but his wife refused him admission. He picked up an ax and battered down the door and entered the house. He then pulled a revolver and fired, the bullet striking Mrs. Inks in the arm. She ran from the house and he followed firing again, the ball entering her back between the shoulders. She ran a few steps and then fell dead. Inks then pulled from his pocket a pension check of \$24 and handing it to his son, placed the muzzle of the gun to his own head and fired. The ball passed through his right temple, killing him instantly.

#### HE WAS SUCCESSFUL ON SECOND TRIAL

He Wanted the Girl and His Former Wife Assisted Him.

HASTINGS, Neb., Nov. 10.—Assisted by his former wife from whom he had recently secured a divorce, Erskine G. Fellows eloped with Miss Goldie Alexander for the second time yesterday and by this time it is supposed that the deed is done which makes them man and wife.

The first time Miss Alexander missed connections because a telegram called her away just before the ceremony was to take place. This time she was out riding with her mother and the former Mrs. Fellows was met at the gate of the girl's home by Fellow who engaged the party in conversation while the girl's mother was unhitching the horse at the barn.

An elopement was proposed by Fellows and Mrs. Fellows the first kindly assisted them to get away by packing the girl's clothes for her.

#### Quick Action.

Frank A. McElroy, adjuster for the Shawnee Fire Insurance Co., of which Judge Archer is the local agent, was in the city yesterday and settled with C. A. Peterson on the loss sustained by him when his buildings burned on the 30th of last October. All claims were paid in full, which is pretty quick returns for a fire loss.

### TRIP OF PRESIDENT IS NEAR THE END

Now on His Way on the Final Lap of Long Journey.

AUGUSTA, Ga., Nov. 9.—After defeating Major Joseph B. Cumming at a game of golf, the president opened the Georgia-Carolina interstate fair, rode through the streets of the city amid the cheers of the multitudes and then left the city for Florence, S. C.

On invitation of the president Tyrus Cobb, the great ball player called on the president at the golf links and was warmly received by the executive. The president made quite an extended speech at the fair grounds. Upon Cobb's presentation to the president Mr. Taft said:

"I am very glad to meet Georgia's most popular citizen."

"I'd be glad to give you whatever popularity I have," replied Cobb.

### MAYOR JOHNSON HAD MADE POOR INVESTMENTS

### HE ONLY GOT AWAY WITH ABOUT \$643,000

Same Story that Catches them all—Cards, Wine and Women.

NEW YORK, Nov. 9.—C. L. Warriner, the local treasurer of the Big Four railroad, has defaulted in the sum of about \$643,000. He has turned over about \$100,000 and his bond in a surety company will be about \$50,000 more. This will leave the company holding the sack for about \$500,000.

Warriner used the "cash in transit" method to carry out his work. At the end of each month there are considerable sums of money on their way to the local treasurer from station agents and others which have not been received by him. It was by including in this item the moneys which he had in fact stolen that he was enabled to conceal his defaultations.

Mrs. Jeanette Ford, the woman in the case, who has been living in luxurious apartments in Cincinnati, is missing from her abode in that city. She has been a conspicuous figure in society both in that city and in Chicago, and had always the appearance of being wealthy. Every Wednesday she was in the habit of receiving remittances and has been known to very frequently spend twenty dollars in champaign in a day.

#### Died in Omaha.

Noah Ward, who was injured while working with a Missouri Pacific construction gang near Murray, and who was taken to a hospital in Omaha, died there last Wednesday. The deceased was 33 years of age and is survived by his parents and his wife.

### CASS COUNTY PIONEER DIES

Mrs. N. E. Sage Passes Away at Seattle, Washington.

Mrs. N. E. Sage died at the home of her daughter, Mrs. Alta Bowen, in Seattle, Wash., Tuesday, aged 87 years.

She was married to Mr. Sage in New York and they removed to Fulton, Ill., where they resided for several years, and then came to Nebraska, arriving in Plattsmouth on March 11, 1869. Mr. Sage was a carpenter and worked at his trade while here. He passed away here in December, 1872, aged 58 years. Mrs. Sage was well and favorably known here where she resided for about 25 years. She had been living with her son, Herbert, in Sheridan, Wyo., for a number of years.

#### Getting Ready for the Rush.

M. Fanger's store is a hive of industry. A large corps of new clerks is assisting in marking down every article to unheard of low prices and when the store is thrown open Friday morning at 8 o'clock to the public there will be something doing in the mercantile line in Plattsmouth. Rock bottom has been reached in prices and the prices are backed up with goods known for their sterling quality. Mr. Fanger's well known business reputation for square dealing is behind every article offered for sale, and that means good values. Remember that the sale commences Friday morning and remember also that the big stock must be sold and sold regardless of price. Mr. Fanger is going out of business and this sale is the opportunity of a lifetime to secure high grade goods for little money. Be on hand early and avoid the rush that is sure to take place.
