COASTERS IN WRECK

Weeping Water Coasters
Come to Grief While
Sliding.

CONSIDERABLE DAMAGE
DONE TO RIDERS.

Several Quite Seriously Hurt and
Owner of Rig Badly Injured.

WEEPING WATER, Neb., Last night a party of coasters on Gospel hill came to grief by running a big traveler into a horse and buggy. The injured are:

Harold Barnes, who was steering, rendered unconscious, long deep cut across the forehead.

Miss Lizzie Reed, telephone operator broken nose, cut above eye and deep cut in forehead.

Ossie Robbins, broken nose, cut under left eye.

Helen Wallick, head hurt and front tooth knocked out.

Ethel Fitzpatrick, cut on face.
Charles McKay who was driving the horse, was thrown out and his back was injured.

Tours the West End.

Miss Mary Foster will begin a tour of the county today, inspecting the public schools. She will begin at South Bend and call on the schools in the west end of the county bringing up at Weeping Water, Thursday evening. Miss Foster will conduct examinations in Weeping Water Friday and Saturday. She will be absent from her office Saturday, but some competent person will be in charge.

See Plattsmouth Succeed

"SEE PLATTSMOUTH SUCCEED" IS NEW SLOGAN SELECTED

Chosen By the Plattsmouth Commercial Club Last Night
After a Spirited Contest.

STUDENT OF THE PLATTSMOUTH HIGH SCHOOL
IS THE LUCKY WINNER OF TEN DOLLAR PRIZE

Though Sick In Bed, Connie Schlater Manufactures the Slogan That Is Going
to do Things for Plattsmouth In 1910.

After a contest lasting a little over a week, the Plattsmouth commercial Club Board of Directors met last night to open the letters sent in containing the selections made in the contest for a slogan to be used by the club in its campaign for business the coming year.

The method used to make the selection was as follows: President Falter opened the letters and read the selections, each member of the board writing down the suggestion as it was read. No one but the president knew the names of the contestants and he did not vote. After the suggestions had all been read, and there were 146 of them, the committee

then proceeded to go over the list and selected the one which they thought was the best. They took three hours for the work and after much voting and a great deal of discussion the following was selected:

"See Plattsmouth Succeed"

After the selection had been made the President then announced the name of Connie Schlater as the winner of the prize, which is ten dollars in cash.

It gives us considerable satisfaction to know that a member of the Plattsmouth high school has been the winner of the prize in a contest where one hundred and forty six suggestions were made. Connie Schlater is a lad

about seventeen years of age and is a nephew of Frank Schlater the county treasurer. He has been sick in bed for a few days, but not considered serious.

It should be the aim of every citizen of Plattsmouth to push Plattsmouth the coming year as she was never pushed before. Use "See Plattsmouth Succeed" whenever you have the opportunity. Use it on your letter-heads. Use it on your bill heads. Use it everywhere.

The order for the slogan buttons were sent in this morning and it is expected that they will be received within a few days. They will be placed in the hands of different people to sell. The price charged will be

twenty five cents which will go toward the expense of the big meeting on the 27th of the month. The possession of one of these buttons will admit you to that meeting. Every man, woman and child in Plattsmouth who wants to see Plattsmouth succeed should make it a point to get possession of one of the buttons.

When a member of the committee calls on you for the purpose of selling you a button, don't wait for them to make the proposition, but reach down into your pocket and fish up enough for two. Send the other to a former Plattsmouth friend who will be glad to wear it and get into the game to

"See Plattsmouth Succeed."

THE WAYS OF THE COLD WORLD.

How Some People Appreciate a Favor Done Them.

One little woman and four strong men down on their hands and feet scrambling on the ground.

They were scrambling for a \$10 bill it developed. The little woman got it.

The little woman was the Volunteer of America officer who keeps her vigil at the northwest corner of fifteenth and Farnam streets.

Two elegantly dressed woman had passed that corner. She observed that one dropped a bill on the street unconsciously. She ran to pick it up. Meantime four men passed and they spied the money; they had not seen the woman drop it. With one move they and the Volunteer woman made a dive for the money. When the little woman emerged from the group with the money in her hand she ran and overtook the two elegantly-dressed women. Tapping one on the arm, she handed her the bill, saying

"I saw you drop it."

"Give it here," snapped the fashionably dressed woman, but that was all she said.

The little woman of the Volunteers returned to her post.

"Gee, the most that woman could have done was to say 'thank you,' remarked a man who had witnessed the affair.

"If she'd been one of the boys she'd given the little woman a good sized tip!"—Omaha Bee.

J. E. Dickson Here.

Mr. J. E. Dickson a former Nebraskan, but now of Collins La., arrived this morning and will be the guest of the F. M. Richey home for a short time. Mr. Dickson homesteaded a hundred miles west of Lincoln in the early seventies. The grasshoppers threw quite an obstacle in Mr. Dickson's way and he relinquished his claim. The land is now worth \$100.00 per acre. Mr. Dickson is a brother of M. A. Dickson formerly of Elmwood, also of the late Frank Dickson, deceased

Before Insanity Board.

The insanity commissioners were engaged in the hearing of a complaint against a young man by the name of Kiser, residing near Murray this afternoon. The young man was on the stand for a time but gave no indication of anything wrong with his mental balance.

Jacob Lhones who is treasurer of the school board was sworn and stated that he was afraid to send his children to school because the young man was reported to carry a gun. He was at school last week, and the teacher was afraid to keep the school open this week on account of his actions. The accused is about twenty years of age, he has been making purchases of poultry and horses in the neighborhood, but never returns to receive the stock or pay the money. It was reported that he had threatened the teacher Miss Marie Bookmeyer, and that others were afraid to have their children meet the accused on the highway to and from school.

Later: After hearing the evidence of several witnesses among whom were the parents of the unfortunate young man, the order was made that he should be restrained at the asylum at Lincoln. It was developed in the testimony that young Kiser, after a turn of sickness had threatened his own life, and had committed many irrational acts.

In Supreme Court.

W. C. Ramsey was called to Lincoln last evening to assist the Attorney General in the trial of the State vs Osenkop before the Supreme court today. Osenkop is the man who murdered Charles Byrnes at Eagle a year ago last August, and was convicted of manslaughter by a jury in the district court here, and by Judge Travis sentenced to serve ten years at hard labor at the penitentiary.

It is to be hoped that no error will be found in the proceedings as the trail developed that defendant deserved the punishment assigned him. Mathew Gering will represent the defendant before the supreme court.

MANUFACTURING PROJECT TO BE DISCUSSED.

Dr. Todd of Omaha Will Tell About the Good Points of his Enterprise.

On tomorrow evening will occur another meeting of the Plattsmouth Commercial club when Dr. Todd of Omaha will address the membership and discuss the project of establishing his plant for the manufacture of neck yokes in this city.

It is understood that the doctor has invented a neckyoke which will revolutionize the business along that line and that should the plant be established here it will employ a large number of men. He will take the matter up with the club and let them into the inside of the deal.

The executive committee of the club will also make their report upon the selection of a slogan. Other arrangements will be made for the big public meeting of the club for the 27th of this month and every member of the club should have no other business but commercial club business on that evening.

Christian Church Meeting.

On Wednesday evening this week the members of the Christian church will hold their annual rally and reception to the newly elected elders and deacons. The program will include special music and a select reading. The music will be a duet by Mrs. Morgan and Mr. B. A. McElwain and the reading will be by Mrs. William Baird. Reports from various departments of the church will be called for. There will be a roll call of all the members of the church and each member has been requested to bring a thank offering of not less than one dollar if possible or more according to the ability.

A strenuous year's work is before the church according to pastor Moore's plans and now is the time for action. Every member in line working for and supporting the church is the call for this year.

Goes to Bellevue.

C. O. Larsen went to Bellevue this afternoon to continue his studies in the college. Mr. Larsen says that it will be determined next Friday what the college will do relative to maintaining its connection with the church. It is talked that it may continue under private ownership, if so its friends will at once begin to canvass for an endowment fund.

C. P. Jeffords Here.

C. P. Jeffords of Broken Bow, who has been the guest of his friend Will Robertson for a few days returned to his home this afternoon. Mr. Jeffords and Mr. Robertson were members of the Acacia Frat at the University.

JUMPED THE TRACK

Telephone Poles Become
Mixed Up With Nearly
Serious Results.

SCATTERED ALONG TRACK
SOME DISTANCE.

Switches Broken and Other
Damage Done Though not of
Serious Nature.

No 77 freight which is due through Plattsmouth about 1 A.M. went through this morning rather late. A car load of telephone poles, on the train, was dumped out in the yards by some hook or crook. The poles were scattered from the new sewer to the switch shanty north of the station. The ties in the false work over the sewer were cut into, and the two switches were broken off and the ground much indicated that the load of poles had been off the track for some rods, but jumped back on again at the frog south of the station. The greater part of the load was left just south of the subway, some of the poles falling into it and completely blocking it for a time.

It is supposed the wires which hold the standards together were not securely fastened and had come loose, allowing the ends of some of the poles to drop down, this threw the car off the track and jolting along over the rough ties, threw the entire load out. The principal damage was the breaking of the switches, which the company will soon have in repair.

Accepts Good Position.

Dr. A. P. Barnes, who has been in the restaurant business in the Wetencamp block for sometime, has accepted a good position with the Council Bluffs Remedy Company, and will close out his business here and go on the road. Dr. Barnes has had the matter under consideration for a year or more, but would not make the deal with the company until he was sure the remedies would effect the cures they were intended for.

The remedies are for stock, and the Dr. will be privileged to travel either with single or double rig, or by train as he sees fit. He has for his territory, Cass and Otoe counties, two of the best live stock counties in the state. His hotel fixtures will be stored for the present until otherwise disposed of.

Need a Suit or Overcoat?

If you do, you owe it to yourself to come to this store and invest before Saturday night. Saturday night closes our ten day special suit and overcoat sale, and we want you to "get in on this clean up."

Lots of good thinking men have invested, everyone of them tickled to death with the value we gave them.
