CENSUS WORKERS

HARD TO FIND.

Many Precincts in this District Have no Applicants.

"We seem to be up against old General Prosperity", said Supervisor Helvey of the First Census District of Nebraska, which comprises the counties of Lancaster, Cass, Otoe, Nemaha, Pawnee, Johnson and Richardson, at his headquarters in Lincoln this morning.

"From a few precincts in Lincoln city and from a number in Lancaster county and a number in each of the counties of Cass, Otoe, Nemaha, Johnson, Pawnee and Richardson, I have not a single application on file for appointments as census enumerator, although extended publicity has been given through the newspapers of the desire to secure applications from competent persons to do the work.

"This is a serious situation inasmuch as the time limit for filing applications expired on the last day of the present month. It must be old "General Prosperity" who stands in our way, said Supervisor Helvey, "as the work is pleasant and attractive, requires only fair ability and good common sense and will be well paid for the term of service rendered. Only that our people are all living at Sunshine Corner on Easy Street can account to me for the lack of applications from so many districts in all the counties named.

Here is a chance for men and women in all the counties of the First Congressional District to secure an agreeable occupation for a limited period. A postal card request directed to Supervisor Helvey at Lincoln will bring you blank application and full information. The time for application is short and if interested write at once.

Masque Ball Saturday Eve.

The Ladies Guild of St. Lukes church are planning to give another of their pleasant functions next Saturday evening at the Coates hall. No pains will be spared to make the ball one of the best of the winter, and the person of the committees in charge is a safe guaranty that the best entertainment possible will be presented.

The reception committee is composed of Mrs. R. F. Patterson, Miss Dora Frickie, Miss Iona Dovey, Miss Gretchen Donndey, Miss Verna Hatt, Mrs. Austin and Mrs. Fred Egenberger.

The committee on refreshments Mrs. M. A. Dickson, Mrs. Guy McMakin and Miss Alice Eaton.

Arrest Wrong Man.

On complaint of some one this morning the agent for the Singer Sewing Machine Co., was taken

Stops Colds and Coughing Quick

If you want to stop that cold right off and in the easiest kind of a way, just get a bottle of Dr. Bell's Pine-Tar-Honey. It's the largest selling Cold and Cough Medicine in the world because it stops coughs and colds quicker than any other known remedy or prescription, and it does that because it gets at the cause—kills the germs of cold—cuts the mucous and gets rid of it naturally.

It contains no habit forming drugs—nothing harmful—only real old fashioned pine-tar, sassafras, rhubarb, honey and other beneficial ingredients—all plainly stated on the bottle. Made by the same known scientific process for the past twenty years. You ought to take Dr. Bell's Pine-Tar-Honey just as soon as you begin to feel "coldy"—just the minute your throat begins to tickle—then you'd stave off these colds and coughs. Keep it in the house—always ready—that's the right way. Every time you sneeze, shiver, "sniffle" or feel "full in the head" you need it. At all druggists in 25c, 50c and \$1 bottles. Children take it readily. Look for our trade-mark (the bell) and Granny Metcalfe's picture on every bottle. That identifies genuine Dr. Bell's Pine-Tar-Honey. Made by E. E. SUTHERLAND MEDICINE COMPANY

Dr. Bell's Pine-Tar-Honey At All Druggists

before the city attorney, by the Chief of police and invited to pay a pedler's license. The gentleman proceeded to explain that his company had been in business here in the city for upwards of twenty years and had maintained an office with an agent here all the time. After the authorities had heard his explanation, he was allowed to proceed with his business.

A Good Stunt. A lot of pretty girls in a small eastern town have banded together as the Marriageable Ladies League, and at one of their meetings adopted this resolution: Resolved, That we, the members of the Marriageable Ladies League, do hereby agree not to marry any man who is not a patron

of his home news paper, for it is very strong evidence of his want of intelligence, and that he will be too stingy to provide for a family or educate his children, or support institutions of learning in the community.—*Ramona (Okla.) Herald.*

Mashes Finger Badly. This morning while engaged in his regular employment at the Burlington shops Henry Perry had the misfortune to get one of his fingers between two car wheels which he was moving, with the result that the finger was badly crushed. The company physician dressed the injured member and while he is suffering a great deal of pain, it is doing as well as could be expected. Henry will have to take an enforced vacation while the finger gets well.

"Tired at Three O'clock?" "No Sir! I Use the Monarch"

IF typewriters were machines run by mechanical means instead of human hands, you would find that, with a given amount of power, a Monarch could be run at a higher maintained speed than other typewriters.

Run by "girl power," you find that the Monarch is run at a higher all-day average speed than other typewriters, and without a "tapering off," from fatigue toward the day's end. Both these truths are due to the fact that

MONARCH LIGHT TOUCH

lightens the draft, uses power more economically. Eliminates the waste of energy that typifies the heavy-touch machines. This in turn means increased production per machine and decreased cost of typewriter work per folio.

The Monarch Light Touch and the Monarch Rigid Carriage are exclusive Monarch features, every other important feature of the modern typewriting machine, such as Back Space Key, Two Color Ribbon Shift, Contained Tabulator, etc., etc., will also be found on the Monarch. Let us give you a demonstration of Monarch Light Touch and other Monarch advancements.

Write For Illustrated Descriptive Literature.

THE MONARCH TYPEWRITER COMPANY.

411 South 15th Street, Omaha, Nebraska.

Executive Offices: Monarch Typewriter Building, 300 Broadway, New York.

Died at the Home.

George W. N. Carpenter, who has been making his home at the Masonic Home is this city for the past three and a-half years, died Sunday morning at 10:30. The deceased was born in Madison County New York, July 29, 1819, hence at the time of his death, Mr. Carpenter was in the ninety first year of his age. He was a member of Northern Light Lodge No 41 A. F. and A. M. at Stanton, Nebraska and came from that place to the home June 4th 1906. The deceased was a sufferer for a long time before death came to relieve him. The remains were taken to Stanton Monday morning where he was buried with Masonic rites.
