**Nip That Cold
 Right Now**

You can knock it out in short order with Dr. Bell's Pine-Tar-Honey. It is the time. Get a bottle before it is too late. Dr. Bell's Pine-Tar-Honey goes right to the cause of the cold and removes it by cutting the gathering mucus and killing the germs of "cold." Then it soothes and heals the irritated parts, stopping the tendency to cough almost instantly. There are no habit-forming drugs in Dr. Bell's Pine-Tar-Honey. Mostly nothing but real old-time pine-tar and delicious honey, scientifically blended with balsam, rhubarb and a few other such things.

Made by a known scientific process with contents shown on the bottle. The standard for 25 years. The largest selling cough and cold medicine in the world, because the best. You need Dr. Bell's Pine-Tar-Honey right now and you ought to keep a bottle of it in your house always. Children love the taste of it and it can't hurt them. Take a little every time you sneeze, shiver, "sniffle" or feel "full in the head." Look for our trade mark (the bell) and Granny Metcalfe's picture on the bottle.
