## Back to the Farm!

 He paused to letand a vorce asked:
"What change?"
Wanted Plenty of Room.
The greatest advertisement ever given to western farm lands is contained in the present discussion regarding the high cost of living. Our population
and its demands have increased beyond the ratio of increased soil products. The man who owns a farm is surer today tha n ever before of its future value and worth to him. Nearly a million emmigrants come annually to this country, The west is increasing in population at the rate of half a million a year. The dent, yet the west offers you 320 -acre tracts of Mondell lands or 80 -ace tracts of Government frigated land, at a price that comes near being gift.
omesteader in a fer years, It will pay you to get hold of a western farm
