**The Village Mystery.** People who live in country towns are usually gifted with a well developed bump of curiosity, and the people of our neighboring town of Greenwood apparently are no exceptions to the general rule, as the following from the Tribune of that place would indicate: There is a mysterious couple boarding at Mrs. M. G. Edwards' in Greenwood that are puzzling all the other boarders at that place and sundry other of our citizens not a little. Nobody seems able to find out what their business is in town, and as a consequence any amount of speculation has been indulged in by their neighbors. Some think they are private detectives, others capitalists in disguise, while still others are inclined to the belief that they are no more than ordinary every day agents dispensing books, soap, or some other article to the public. They have been here nearly two weeks, and thus far all attempts to ascertain their errand in town have been unsuccessful.

**Gaebel's Annual Hog Sale.**  
C. J. Gaebel, of Louisville, was in town on Monday advertising his annual hog sale, which occurs on Thursday, October 3d. Read his advertisement in another column. A recent issue of the Nebraska Farmer says: The last year or two Mr. Gaebel has had a double proposition—including both Poland Chinas and Duroc Jerseys. For the reason that Mr. Gaebel raises no other kind than good hogs—those with bone, size and good feeding qualities—there is always much interest manifested as his sale day approaches. This year Mr. Gaebel states that he cannot be outdone in raising good pigs and plenty of them. There are enough to go around, about seventy-five head in all. Forty-five head are red, and thirty black. In either section there are about half sows and half boars. The Poland Chinas are of the very best, the get of Louisville Chief, by Chief Tecumseh 2d, and One Price Look, while the Durocs are by Nebraska Boy, 10803, a good boar bred by W. L. Addy, Parnell City, Mo. Mr. Gaebel has reserved every pig for sale day. He wants you to count on being there, because hogs are hogs right now, and after awhile he says pigs will be hogs.

**Robert Bruce Wallace.**

Dr. R. B. Wallace, the well known physician of Union, died at his home in that town early Monday morning from heart disease. He had been complaining for several days, but did not believe his trouble was dangerous. He died suddenly, while sitting up in bed. Deceased was born in Sheridan county, Missouri, on March 16, 1846, and in 1864 removed to Nebraska City, where he was employed for a year in teaching school. He removed to the east in 1866, and attended the Jefferson Medical College at Philadelphia, graduating from there in 1868. He afterwards returned to Nebraska City, where he was employed in a drug store, and was also clerk at the Seymour hotel for nearly a year. He then removed to Wyoming precinct and commenced the practice of medicine, later on removing to Factoryville, and then to Union, where he has since made his home. He married Lottie M. Pollard, daughter of Isaac M. Pollard, of Nehawka, and to them three children were born.

The doctor was a very genial, whole-souled man, strong in character, and was held in the highest respect by his numerous friends. In politics he was an uncompromising democrat, and always occupied a prominent place in the councils of his party in this county. For a number of years he was a prominent member of the Otoe county medical society, and for some time was the president of the society. The funeral was held Wednesday afternoon, and was largely attended, many friends and acquaintances from this city being present. Rev. H. B. Burgess, of St. Luke's Episcopal church, officiated. The remains were buried at Wyoming cemetery.

**Louis Foltz.**

Louis Foltz, our esteemed fellow citizen departed this life on Thursday, September 12th, at 3:30 p. m. Mr. Foltz had been ill with dropsy for about three months, and was a great but patient sufferer. The funeral was held at the home on his farm four and one-half miles east of Weeping Water, on Sunday at 2:00 p. m. The services were conducted by Rev. S. I. Hanford, who preached a comforting and helpful sermon. A large concourse of friends gathered to pay their respects to one they so deeply mourned. Beautiful floral tributes were sent by friends as silent tokens of love.

Louis Foltz was born February 28, 1840, in Holmes county, Ohio. At the first call for volunteers for service in the civil war he enlisted in the 16th Ohio volunteer infantry, the date of his enrollment being May 2, 1861. In December of the same year he was united in marriage to Miss Susan Stucker. Mr and Mrs. Foltz continued to reside in Holmes county until 1876, when they removed to this county and located in Mt. Pleasant precinct, on the farm where they have both since died. Mrs. Foltz having passed to the beyond in March, 1899. Four children were born to them, one little son dying at the age of 11. The other three children are grown up and left to mourn the loss of an indulgent, kind and loving parent. The children are William J. Mary, wife of E. N. Munson, and David.

Deceased was a man of integrity and ability, combined with good business judgment and was a prosperous business man and farmer. Mr. Foltz owns a large farm which is under a high state of cultivation, and was president of the First National bank and also of the Weeping Water Lumber company. He served six years as county commissioner and was very popular with men of all political parties. In the death of Louis Foltz the community mourns the loss of one of our best citizens and of Weeping Water's truest friends. Though the body is dead his memory will live.—Weeping Water Republican.

**Large Crowd Goes to Omaha.**

The parades in Omaha on Wednesday drew a large crowd of people from this city, and the number from here who went up on that day is estimated at over a thousand. The military parade in the afternoon was somewhat of a disappointment, and did not compare very favorably with the daylight fraternal parade of last year. It consisted of the first and second regiments of the Nebraska national guard, a troop of cavalry and a battery, the Omaha high school cadets, the Elks lodge uniformed as Indians, and carriages containing attractions from the Midway.

In the evening the Ak-Sar-Ben parade was given during the drizzling rain, which somewhat dampened the enthusiasm and enjoyment of the large crowd of spectators which lined the sidewalks under a sea of umbrellas. The floats were much on the same order as heretofore, a new feature being introduced in the way of lighting the floats with hundreds of incandescent electric lights of different shades and colors, which caused a very beautiful effect. The line of march followed the electric street railway tracks and the current for the lights was obtained from the overhead wire by a trolley pole, the same as the street cars.

A special train from here over the B. & M. went up at 6:00 o'clock, returning after the parade and arrived here at 12:30 o'clock with a dozen car loads of wet, cold and tired humanity.

**Log Rolling at Louisville.**  
Contrary to reports received in this city last Friday, the Modern Woodmen log-rolling was held at Louisville on Saturday as scheduled. The rainy weather of Friday caused word to be sent here that the affair would be postponed, and consequently all arrangements that had been made by the local order and their friends to attend were declared off, and Plattsmouth was not represented very largely. From L. J. Mayfield we learn that everything was pulled off as scheduled, and the usual good time was had by all in attendance. The balloon ascension was most successfully made. Mr. Mayfield said that the crowd from Plattsmouth was sadly missed, particularly the B. & M. band. The crowd in attendance is estimated at about two thousand.

**Pension Has Been Restored.**

John Columbus Boone, the negro barber who lived here until two years ago, has had his pension restored to \$8 per month. About ten years ago John applied for an increase of pension, but instead of an increase received a decrease of \$2 per month. All this happened during a democratic administration, and John's republican blood boiled with indignation. He had no use whatever for a democrat until about two years ago, when the boys who were with the army in the Philippines wrote back home and told how they were killing the "niggers" over there, when his love for the republican party was somewhat dimmed.

**McKinley Memorial Services.**

Yesterday was a day of general mourning among the people of Plattsmouth. All the business houses, stores, offices, schools and shops were closed all day and business and labor of every kind was entirely suspended. A general air of sadness and quiet prevailed, and the entire city joined in mourning the death of the nation's chief executive.

After noon the bells were tolled for an hour, while the people assembled at the Parmele theatre, where appropriate exercises were held. The auditorium was beautifully decorated. Messrs. Weidmann, Goos and Tartsch doing the artistic work assisted by the ladies of the Woman's Relief Corps. A large crowd was present, many not securing seats. On the stage was seated the mayor and members of the city council, the county officials, the Women's Relief Corps, and members of the G. A. R. The Knights Templar in full uniform occupied the front row of seats on the west side of the hall.

J. W. Johnson presided, and the exercises were opened by a piano selection, a memorial march, by Hilt Wescott, followed by "America" by the chorus and the audience rising. Prayer was then offered by Rev. J. T. Baird, followed by scriptural reading by Rev. C. W. Nichols, who read from the eighth and ninth chapters of Ecclesiasticus. A song, "My Faith Look Up to Thee," was next rendered by the chorus in charge of Mrs. Hasse. Hon. S. M. Chapman and C. A. Rawls delivered brief addresses, followed by "Nearer My God to Thee" rendered by the News quartette. H. D. Travis next delivered an address, and Mrs. Asa Sleeth recited a poem composed for the occasion by her son, Dana. An address by George M. Spurlock was followed by a vocal solo by Miss Clara Edna Street, who rendered "Lead Kindly Light," accompanied on the piano by Hilt Wescott. Addresses by Hon. R. B. Windham and Rev. Asa Sleeth followed, and the News quartette rendered "Brave Hearts Sleep On." Benediction was pronounced by Rev. H. B. Burgess, the audience rising and reciting in concert the Lord's prayer.

The day was uncomfortably cold, and the opera house was not heated, which rendered it disagreeable, but the large audience held their places until the programme of exercises was concluded.

**Brief Bits of Politics.**

The republican central committee met at Louisville last Saturday and laid out the work for the coming campaign. Poll books were distributed among the precinct committeemen, and the candidates were assessed to foot the bills. The democrats have honored our former citizen, Dr. M. L. Thomas, of Eagle, by nominating him for coroner. If we are to have any democrat sit on our dead body we know of none we would prefer to our old friend Dr. Thomas.—Union Ledger.

Louisville was the storm center of county politics last Saturday, with the populist county convention in session, the meeting of the republican county central committee, and most of the democratic candidates in town during the day.

Twenty out of twenty-four delegates from Cass county to the democratic state convention were in attendance at the Lincoln convention.

The nomination of Frank Schlater for county clerk by the democratic convention last week is gratifying to his many friends in Louisville precinct. Frank was born and reared in this precinct, and if for no other fact than he is the son of our old-time friend and neighbor, Conrad Schlater, the Courier editor is glad to see him recognized by his party.—Louisville Courier.

The democrats and populists of Otoe failed to agree on fusion, and both parties nominated full tickets. George W. Tompkin was nominated by the democrats for county judge by acclamation.

The Turn-Verein picnic which was originally advertised for September 8th, and then postponed until the 15th, was again postponed to next Sunday, the 22d, when it will positively be held, the weather permitting. Those having the affair in charge have made all arrangements to present a fine program, and those who attend are assured a good time.

**Populist County Convention.** The populists held their county convention at Louisville last Saturday afternoon, and placed a ticket in the field. The convention was called to order by James Clark, chairman of the county central committee, and W. D. Hill selected as presiding officer and W. H. Wortman as secretary. The temporary organization was made permanent, and twenty-three delegates selected to attend the state convention at Lincoln. Resolutions were passed sympathizing with Mrs. McKinley in her recent bereavement, and condemning the act of the murderer. A resolution to the effect that the convention neither nominate nor endorse any candidate already nominated by the other parties caused a warm discussion, L. G. Todd and others opposing the resolution and James Clark and A. M. Russell favoring it. The resolution was finally adopted, and the convention proceeded to nominate the following ticket: Treasurer, John Hollenbeck, of Murdoch; clerk, Elmer Rouse, of Elmwood; sheriff, J. M. Kiser, of Mynard; recorder, W. H. Wortman, of South Bend; judge, Robert J. Vass, of Plattsmouth; coroner, Charles Powers, of Wabash; surveyor, E. G. Cooley, of Plattsmouth; precinct superintendent of schools, no nomination; commissioner, no nomination. The county central committee was empowered to fill vacancies on the ticket, and it is generally believed that there will be considerable doing in this line.

From the News.  
The democrats of Salt Creek precinct have nominated the following precinct ticket: For assessor, Frank Nichols; for justices of the peace, E. D. McDonald and Jos. McNurlin; for constables, John Montgomery and E. E. Clayton; for road overseers—district No. 6, Frank Rouse; district No. 7, E. K. Reese, Andrew Rouse and Sam'l Stradley were recommended as judges, and W. E. Palling as clerk of election.  
Finley & Nichols shipped a car load of hogs last week, for which they paid 6c for most of them, the highest price paid for hogs in Greenwood during the last eight years.
