

PE-RU-NA NECESSARY TO THE HOME.

A Letter from Congressman White, of North Carolina.

PE-RU-NA IS A HOUSEHOLD SAFEGUARD.

No Family Should Be Without It.

PERUNA is a great family medicine. The women praise it as well as the men; it is just the thing for the many little catarrhal ailments of childhood.

The following testimonials from thankful men and women tell in direct, sincere language what their success has been in the use of Peruna in their families:

Louis J. Scherrens, 108 Locust street, Atlantic, Iowa, writes:

"I will tell you briefly what Peruna has done for me. I took a severe cold which gave me a hard cough. All doctors' medicines failed to cure it. I took one bottle of Peruna and was well."

"Then my two children had bad coughs accompanied by gagging. My wife had stomach troubles for years. She took Peruna and now she is well."

"I cannot express my thanks in words, but I recommend your remedy as every opportunity, for I can conscientiously say that there is no medicine like Peruna. Nearly everyone in this town knew about the sickness of myself and family, and they have seen with astonishment what Peruna has done for me. Many followed our example and the result was health. Thanking you heartily, I am—L. J. Scherrens."

Mrs. Nannie Wallace, Tulsa, Cal., President of the Western Baptist Missionary Society, writes:

"I consider Peruna an indispensable article in my medicine chest. It is twenty medicines in one, and has so far cured every sickness that has been in my home for five years. I consider it of special value to weakly women, as it builds up the general health, drives out disease and keeps you in the best of health."—Mrs. Nannie Wallace.

Peruna protects the family against coughs, colds, catarrh, bronchitis, catarrh of the stomach, liver and kidneys. It is just as sure to cure a case of catarrh of the bowels as it is a case of catarrh of the head.

HON. GEORGE H. WHITE.

Congressman George H. White, of Tarboro, N. C., writes the following letter to Dr. Hartman in regard to the merits of the great catarrh cure, Peruna:

House of Representatives, Washington, Feb. 4, 1899.

The Peruna Medicine Co., Columbus, O.: Gentlemen—"I am more than satisfied with Peruna, and find it so an excellent remedy for the grip and catarrh. I have used it in my family and it has done me in recommending it as an excellent remedy."

Very respectfully,
George H. White.

Peruna is an internal, scientific, systemic remedy for catarrh. It is no palliative or temporary remedy; it is thorough in its work, and in cleansing the diseased mucous membranes cures the catarrh.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

STATE'S BUILDING

NEBRASKA'S STRUCTURE AT THE WORLD'S FAIR.

APPROPRIATION WILL BE ASKED

Coming Session of the Legislature to Be Asked for an Appropriation for the State Normal School—Miscellaneous Nebraska Matters.

LINCOLN, Oct. 8.—Since his return from the allotment of space for state buildings at the St. Louis exposition, Gov. Savage has said that he will recommend an appropriation by the next session of the Nebraska legislature for the erection of a building and the installation of a suitable exhibit at the exposition. Space was awarded the state during his visit, the presentation being made to him and Commissioners Price and White in behalf of the state.

The location of the proposed Nebraska building is on the outskirts of the large area set apart for state buildings and at the end farthest away from the main features of the exposition, but it is near one of the main entrances and railway terminals, and a street railway terminal is to be located still closer to it. Gov. Savage said that there is no state to which the exposition is to be of more importance than Nebraska, unless it be Missouri, and that he will recommend an appropriation of not less than \$75,000.

Fix on Their Figures. LINCOLN, Oct. 8.—The State Normal board has decided to ask of the next legislature for an appropriation of \$73,500 for salaries and all other expenses and supplies for the biennium. The raise in the cost of living has moved the board to increase the salaries of teachers. Additional teachers will also be needed. The range of wages at the Normal now is \$800 to \$1,300 a year. The last legislature tried to get these figures reduced, but the board insisted that it would cripple the teaching force if done. As fixed last year the amount for salaries for the two years was \$52,000. Exactly \$10,000 more will be asked next year.

It is unofficially given out that a request will be made, although not through the board, for the appropriation of \$75,000 for the building of two more structures at the Normal. One most desired is a library. An assembly hall is also badly needed. These two buildings were cared for in the last appropriation bill, \$43,500 for the assembly hall and \$32,000 for the library, but Gov. Dietrich cut both of them out with his little veto.

The Peru authorities say that they have the largest normal school library in the world, and that many of the 15,000 volumes are priceless. At present these are housed in a frame building, with no water system in the village and no protection from fire.

Boy Kicked to Death by Horse. BEATRICE, Neb., Oct. 8.—The 9-year-old son of Henry Bowman, a prominent farmer living ten miles southeast of here met with a horrible death at his home. He was riding one of the horses to water and had tied the halter rope around his body, when the horse became frightened and threw him off. The little fellow fell among some logs which were lying in the yard, and before he could be rescued he was kicked and trampled to death.

Boy is Accidentally Shot. NORTH LOUP, Neb., Oct. 8.—The 4-year-old son of John Weirich, who lives about six miles south of town, was shot in the foot by his grandfather. The old gentleman had been hunting and forgot to remove the load from the gun. After coming into the house he started to clean it when the gun was accidentally discharged, and mangled it so badly that it had to be amputated.

Cattle Business Takes Boom. WAUSA, Neb., Oct. 8.—The cattle business is taking quite a boom in and around Wausa. On account of too much soft corn in this vicinity the farmers are preparing to feed on a large scale and already about 1,500 head of feeders have been shipped in and have found ready sale.

Preacher Charged With Shooting. BEATRICE, Neb., Oct. 8.—County Attorney Sackett filed information in district court against Rev. S. P. Benbrook, charging him with shooting at Dr. W. H. Johnson of Wymore with the intent to kill. Benbrook's hearing is set for the January term of court.

Signal Corps Buys Hall. FREMONT, Neb., Oct. 8.—The engineering and signal corps of the Nebraska National Guard purchased the Mannerchor hall on D street and will fit it up for an armory. The hall was fitted up for an armory by a former military organization, Company E of the First Nebraska, and was used by them until they were mustered out in 1892. It is provided with lockers and the floor is wide enough to be used for platoon drill.

May Build His Power Canal. LINCOLN, Oct. 8.—The state irrigation board overruled the protest of J. E. Riley against the granting to Andrew Rosewater the right to tap the Platte river for 6,000 cubic feet of water per second and conferred upon the latter the privilege petitioned for under the law Rosewater must begin work on his proposed canal projector on or before next April and must have it completed and in operation within four years from that time.

CHILD TOSSED BY A MAD BULL

Father Comes to Rescue in Time to Save the Little One's Life.

NEBRASKA CITY, Oct. 6.—Edna, the 13-year-old daughter of Mr. and Mrs. Ludwig Brunt, living about two miles south of the city, had a terrible experience with a mad bull. The little girl had been sent to the pasture for the cows and had taken the dog along for company. Upon coming up with the herd the dog started after a calf that was somewhat removed from the rest. This enraged the bull, who, instead of attacking the dog, turned and charged upon the child. She screamed but could do nothing to avoid the infuriated animal, who caught her up on his horns and tossed her into the air. This was repeated a dozen or more times and the child's clothing was literally torn from her body. Her screams finally attracted the attention of her father, who rushed to the rescue and carried the fainting girl to the house. Upon examination it was found that there were over twenty marks on the little one's body where the animal's horns had scraped the skin, but fortunately they had not penetrated the flesh. The right shoulder blade was broken, but it is believed that no other serious injuries have resulted.

IMPROVING STATE NORMAL Necessity of Revising Work in the Elementary Courses of the School.

PERU, Neb., Oct. 6.—The board of trustees of the State Normal met in joint session with the faculty and, under the leadership of State Superintendent Fowler, discussed various lines of work, and especially the need of extending the influence of the school through the elementary course. The matter was left with the faculty to devise a proper revision of the work leading to the elementary certificate. Following this the board met in regular session with the following members present: State Superintendent Fowler, Dr. Ludden of Lincoln, State Treasurer Stuefer, R. A. Tawney of Pierce, and T. J. Mayor of Peru; absent Superintendent Stevens of Beatrice and George Rogers of Omaha. Principal W. A. Clark read his report, giving in detail the work of improvements made since the last meeting, with recommendations for important changes still needed to meet the growing demands of the school. The report was enthusiastically received and adopted, the various lines of improvement already made were inspected and approved and plans for the future heartily commended.

Niengenfind Tells His Story. PIERCE, Neb., Oct. 6.—Niengenfind was arraigned here. Attorney George F. Kelley of Plainview appeared for Niengenfind and County Attorney Barnhart for the state. It was agreed by counsel for both state and defense that the preliminary before County Judge Williams be held today. In conversation with a visitor Niengenfind said he shot Breyer when Breyer had drove him into a corner and had struck him with a pitchfork three or four times.

Robbers Loot a Bank. MINDEN, Neb., Oct. 6.—The safe in the bank at Norman, eight miles from here, was blown open by robbers. The robbers, four in number, secured about \$1,000 in cash and terrorized the town. Many persons saw them at work, but the robbers were well armed and threatened to kill anyone who interfered. The robbers escaped.

Charged with Gambling. FAIRBURY, Neb., Oct. 6.—Five prominent young men of Diller, this county, were bound over to appear at the next term of district court to answer to the charge of gambling. They gave their personal recognizances to appear.

Gage County Mortgage Record. BEATRICE, Neb., Oct. 6.—Following is the mortgage record for Gage county for the month of September: Farm mortgages filed, 22; amount, \$38,880; farm mortgages released, 29; amount, \$40,933; city mortgages filed, 19; amount, \$7,928; city mortgages released, 19; amount, \$5,742.

Farmer Injured by Fall. BEATRICE, Neb., Oct. 4.—Thomas Zimmerman, one of Gage county's most prominent farmers, fell from the depot platform at Haigler, Neb., and sustained two broken ribs and internal injuries.

Feed for Many Cattle. YORK, Neb., Oct. 6.—Owners of stock cattle and cattle feeders can make money feeding cattle in York county this winter as there are thousands of acres of roughness in the way of corn fodder and millions of bushels of corn. There never has been in the history of the county such a hay crop as this year. There are thousands of tons of alfalfa, timothy and clover and prairie hay, all of which can be bought at a very reasonable price.

Old Man Disappears. FREMONT, Neb., Oct. 6.—Henry Quick, a Butler county man, who has resided for some time in the family of Alg Zellers of Morse Bluffs, has been missing for several days and his friends are somewhat alarmed. Quick is 65 years old and a resident of Nebraska for many years. He has a wife and family with whom he has not lived for some time and of late has been in poor health and very despondent.

THE LIVE STOCK MARKET.

Latest Quotations from South Omaha and Kansas City.

SOUTH OMAHA. CATTLE—The few bunches of corned steers that were offered sold at about steady prices. There was nothing of a nature, however, good enough to bring over \$7.10, so that a fair test of the market was not made. The cow market was in very satisfactory condition, and if anything was a little higher. The improvement seemed to be on all classes, as supplies so far have not been up to expectations, and the tendency so far has been to put on what was taken off last week. Bulls, veal calves and stags also sold at fairly good prices as were paid last week. The demand for stockers and feeders was of good proportions, and as the supply was not at all excessive the market on the more desirable grades could be quoted steady to strong and active. There were comparatively few western range steers in the yards this week, good enough for killers. Anything at all desirable sold freely at good firm prices, but the commoner grades were rather dull and only about steady. An offering was moderate but not very heavy, and the market was out of first hands.

HOGS—There were more hogs than yesterday, but still receipts were light. The market opened at just about steady with yesterday on the good light and butcher weights, but after the first round the market weakened and buyers were bidding a nickel lower. Sellers, of course, were slow about making the concessions asked and as a result trading was not active. The bulk of the hogs sold from \$7.45 to \$7.45, and early some of the choicer loads from \$7.45 to \$7.50.

SHEEP—Quotations: Good to choice yearlings, \$3.75@4.00; fair to good, \$3.50@3.75; good to choice wethers, \$3.50@3.75; fair to good wethers, \$3.25@3.50; choice ewes, \$3.00@3.25; fair to good ewes, \$2.50@2.75; good to choice lambs, \$4.75@5.00; fair to good lambs, \$4.50@4.75; feeder wethers, \$2.00@2.25; feeder lambs, \$3.00@3.25; cull lambs, \$2.00@2.25; feeder ewes, \$1.50@1.75; stock ewes, \$2.50@2.75.

KANSAS CITY. CATTLE—Corn fed and grassers opened steady, closed weak; cows steady to higher; choice export and dressed beef steers, \$7.00@7.25; fair to good, \$6.00@6.50; stockers and feeders, \$2.50@3.00; western fed steers, \$3.40@3.60; Texas and Indian steers, \$2.75@3.00; Texas cows, \$1.50@1.75; native cows, \$1.50@1.75; native heifers, \$2.50@2.75; canners, \$1.00@1.25; bull, \$2.00@2.50; calves, \$3.00@3.50.

HOGS—Market opened strong to 5c higher, closed weak; top, \$7.45; bulk of sales, \$7.35@7.45; heavy, \$1.00@1.15; mixed packers and light, \$7.30@7.45; yorkers, \$7.00@7.25; pigs, \$6.25@7.00.

SHEEP AND LAMBS—Market steady to strong; active; native lambs, \$2.25@2.40; western lambs, \$1.00@1.25; native wethers, \$2.00@2.25; fed ewes, \$2.00@2.25.

HAMLINS WIZARD OIL LAME BACK

STANBERRY NORMAL AND BUSINESS COLLEGE, STANBERRY, MISSOURI.

Reviews the Grand Army.

Roosevelt Carried from His Room to Carriage Amid Cheers.

WASHINGTON, Oct. 9.—President Roosevelt yesterday reviewed the Grand Army parade in his carriage. He was carried downstairs from his room on the second floor of the temporary White House in an invalid's chair at 11:10 o'clock this morning, and was placed in the carriage, in which there was a board to support his injured leg.

He was accompanied by Secretary Cortelyou and Colonel Bingham, his military aid. His carriage was guarded by a platoon of mounted police under command of Maj. Sylvester, superintendent of police. As the carriage appeared on the avenue the president was greeted with loud cheers. The president stopped at the reviewing stand for a moment, until the marshals of the parade and Rawlins post of Minneapolis, the right of the line, had passed, and then drove down the avenue to the Peace monument at the foot of the capitol.

The veterans faced the carriage as the president drove by and saluted him. There was continuous cheering from the crowds as the president drove along.

CHANGE IS NEWS TO MEYER. Ambassador to Italy Says He Has Not Resigned.

PARIS, Oct. 9.—The correspondent of the Associated Press saw Ambassador Meyer here this morning and showed him the Washington dispatch announcing that Secretary White of the American embassy, in London, was to succeed Mr. Meyer at Rome. He said:

"I saw President Roosevelt during the summer, stayed a day with him at Oyster Bay, and he gave me no intimation of any change in the Italian mission. I have not sent in my resignation. I leave Paris next Sunday in order to be at my post October 13, the date my leave expires."

President Still Improves. WASHINGTON, Oct. 9.—The president's condition continues satisfactory to his physicians. He saw quite a number of visitors yesterday besides members of the cabinet.

One of Lincoln's Assassins Dead. BALTIMORE, Oct. 9.—Samuel Arnold, 72 years old, who was convicted in 1865 of participation in the assassination of Abraham Lincoln, is dead at his home at Masonville, Arundel county, Arnold, with Dr. Mudd, Frank McLaughlin and others, was tried and convicted in Washington during Andrew Johnson's term of office. Arnold and Mudd were sent to the Dry Tortugas for life, but were pardoned by President Johnson.

Treasury Passes on Bonds. WASHINGTON, Oct. 9.—The committee appointed by Secretary Shaw to pass upon the character and sufficiency of state and municipal bonds as a basis for public deposits has received about \$4,000,000 or these bonds. Among them are the issues of New York, Philadelphia, Boston, Louisville, Cincinnati and Des Moines. The bonds of several states have also been favorably passed upon and will be accepted.

A GREAT SUFFERER FROM RHEUMATISM.

Cured by St. Jacobs Oil. Mr. E. G. Moore, of 7, Phillips Street, Kingland:

"I was a great sufferer from Rheumatism for many years, during which time I tried many remedies, from which I received but very little relief. Being advised to use St. Jacobs Oil, I did so, and am happy to say that after a few applications I felt great relief, and continuing its use I can now say I am perfectly well. St. Jacobs Oil is, in my opinion, a thing which should be in every household."

What a blessing, and what hours of suffering, pain and misery would have been saved had Mr. Moore adopted the wiser course and used St. Jacobs Oil at first. Instead of wasting time and money on worthless embrocations and nostrums with which, unfortunately, the market is flooded. The public should not lose sight of the fact that St. Jacobs Oil has conquered pain for more than fifty years, and it isn't going to stop doing the same thing now or at any future time—Fifty years' record of pain conquering is a record to inspire confidence.

It doesn't take conscience to make cowards of some people.

FALLING HAIR

Prevented by shampoos of CUTICURA SOAP, and light dressings of CUTICURA, purest of emollient Skin Cures. This treatment at once stops falling hair, removes crusts, scales, and dandruff, soothes irritated, itching surfaces, stimulates the hair follicles, supplies the roots with energy and nourishment, and makes the hair grow upon a sweet, healthy scalp when all else fails.

Millions of Women

Use CUTICURA SOAP, assisted by CUTICURA OINTMENT, for preventing, curing, and relieving itching, for cleaning the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore skin, for relieving itching, burning, and chafing, in the form of baths for annoying irritations, inflammations, and ulcerative weaknesses, and for the relief of pruritic, autonomic purposes which readily suggest themselves to women.

CUTICURA SOAP, to cleanse the skin; CUTICURA OINTMENT, to heal the skin; and CUTICURA RESOLVENT PILLS, to cool the blood. A SINGLE SET is often sufficient to cure the most torturing, distressing, itching, burning, and scaly skin, scalp, and blood humors, rashes, itching, and irritations, with loss of hair, when all else fails.

A Portable Street Light.

A portable street light of great illuminating power is the device of the Westminster county council for lessening accidents from London fogs. A cylindrical tank eighteen inches in diameter and two feet high is charged with twenty-five gallons of petroleum, and compressed air forces vapor from the oil into a standpipe provided with a burner. On igniting, the torch flares up eighteen inches to two feet, with a power of 1,000 candles.

Violet Glass as Cancer Cure.

An expensive electrical apparatus which is known as an actinometer has just been placed in the New York Flower hospital, said to be the first complete instrument of the kind permanently set up in an American hospital. By its operation it is hoped to make a thorough test of the theory that the powerfully concentrated chemical, or actinic, rays of violet-colored light possess distinctly curative properties in cases of cancer and tuberculosis. To the patient the operation is an entirely painless one, and its advocates claim for it that it has none of the objectionable features that often attend the application of the Roentgen rays to sensitive portions of the human body.

A Supervisors' Story.

Lockport, N. Y., Oct. 6th.—Mr. George P. Penfold, Supervisor of the first ward of the city of Lockport, has written the following letter for publication in the newspapers: "It gives me great pleasure to recommend Dodd's Kidney Pills as a cure for Kidney Trouble. My kidneys troubled me more or less for years and treatment by local physicians only gave me partial and temporary relief. An old friend, knowing my trouble, advised me to try Dodd's Kidney Pills and telling me at the same time how much they had helped him. I used altogether six boxes and found a permanent cure. This was two years ago and I have not since been troubled in any way with pains in the back or any of the many other distressing difficulties arising from diseased kidneys." (Signed) George P. Penfold, 307 Church St., Lockport, N. Y.

Men should never flirt with the woman who writes her love affairs in ink.

"I'm not safe to be a day without Dr. Thomas' Electric Oil in the house. Never can tell what moment an accident is going to happen. The boy belongs to the mother, but the man belongs to the world or some other woman."

May Build His Power Canal.

LINCOLN, Oct. 8.—The state irrigation board overruled the protest of J. E. Riley against the granting to Andrew Rosewater the right to tap the Platte river for 6,000 cubic feet of water per second and conferred upon the latter the privilege petitioned for under the law Rosewater must begin work on his proposed canal projector on or before next April and must have it completed and in operation within four years from that time.
