How Advertising Grows.

N. W. Ayer & Son, the "Keeping Everlastingly at It" advertising agents of Philadelphia, have found it necessary to move into new and larger quarters at 200-308 Chestnut Street in that city.

reduced rates. The Wabash is the

This announcement will interest many publishers, because Ayer & Son are so widely known as promoters of newspaper publicity. They began business thirty-three years ago, with two people and an annual business of \$15,000. They now have one hundred and ninety employes, and have for ments west of Kansas City, but they years done the largest advertising decline to make a less rate than 231/2 business in the world. The difference between then and now is, they say, cents from Kansas City proper to Chisimply the result of making newscago. The Santa Fe, however, will paper and magazine advertising pay apply the 181/2 cent rates not only on their customers.

Egyptian Royalty Loves American. Last August, when the Chicago Great It is said that a brother of the khedive of Egypt has fallen in love with an American heiress, who returns his affection, and that Abbas II, the khedive, looks with favoring eyes on the match. The brothers spent their boyhood together at school in Vienna, where they imibed freely of liberal ideas, learning among other things that women are intended to be some thing more than mere caged nonenticent rate from Kansas City, but did ties, according to the prevailing Oriental idea.

Ready to Die.

Not long ago Senator William P. Frye of Maine was summoned to prepare a will for a man who was very ill. It was necessary, of course, to secure two witnesses, and they had to be sent for. While awaiting their arrival the invalid seemed to get worse, and Senator Frye thought it his duty, no minister being present, to talk seriously to him. He told him that he was very ill, and that it was likely he would soon depart this life. "And are you ready to meet the great change?" Frye asked him. "I will be," was the reply. "as soon as those d-d witnesses get here."

Premier Balfour's Musical Tastes. Arthur James Balfour is said to be the first musical premier England has had. He is an enthusiast for the art and is catholic enough in taste to like "Any Chinaman legally resident in Wagner, although his idols are Hanthe mainland territory of the United del and Bach.
