MEXICAN MUSTANG LINIMENT.

Its Year of Jubilee has come.

Sixty years of faithful service to Man and Beast entitles it to

A GRAND DIAMOND JUBILEE.

and the grateful respect of the millions who have found freedom from pain through its curative powers. Your sires and grand sires used Mexican Mustang Liniment because it healed their hurts and cured the ills of their domestic animals.

What Mexican Mustang Liniment did for mankind and brute kind 60 years ago it does to-day. It has always cured and always will cure any and everything that a good, honest liniment can cure.

It Soaks Right Down Through The Muscles.

It goes quickly to the very core of the cause and stops the most deep-set, excruciating pains almost instantly.

Mexican Mustang Liniment has stood the test of years.

People have unbounded faith in it all these years because it never disappoints.

The One Certain Cure for Hurts and Aches.

No liniment can cure unless it penetrates the fevered and swollen muscles right down to the roots of the trouble. Mexican Mustang Liniment penetrates more thoroughly than anything that was ever created in a chemical laboratory. The deepest, most stubborn and most intense pain can be reached and routed by the use of this good old time-tried liniment.

Cures the Hurts of Anything That Walks.

If your horse has a stiff joint, a harness sore, a cut or bruise Mexican Mustang Liniment will cure it.

If your cow has a hurt or a caked udder it will cure it and restore her to health and usefulness.

If your poultry has roup, frozen combs, rheumatism, leg weakness or any disease of the flesh or bones Mexican Mustang Liniment will cure them if anything on earth can cure and save them. What it has done in thousands upon thousands of instances justifies these claims.

If your Weak Point is a Weak Back

rub Mexican Mustang Liniment over the sore spot after a hard day's work and your back will soon feel rested and free from pain. It is just what is needed when one is afflicted with lame back or lumbago or any other deep-seated muscular misery. Rubbing works the liniment away in through the tired and sore muscles and gets right down to where the pain begins. Just as soon as Mexican Mustang Liniment permeates the affected parts the lameness disappears and the pain departs.

Inflammation is the Root of all Pain.

Wherever there's a painful hurt, sore or sprain, there is inflammation. Mexican Mustang Liniment quickly cools and cures the inflamed parts where the real cause of pain is imbedded. The penetrating, soothing and healing powers of this liniment are really wonderful.

THREE SIZES---25 cts., 50 cts. and \$1.00. SOLD EVERYWHERE.

A WISCONSIN man has just paid \$500 for kissing a servant girl three times. At this price a newspaper man could possibly kiss one in a century—unless she be an old maid, and then three kisses for five cents would be dear enough.

If Rockefeller should happen to read the article in one of the Evening News issues of last week, and signed "C. D. L.," the writer no doubt would be the recipient of barrel of coal oil in recognition of his "great" effort in his behalf.

"If women would pay more attention to their health we would have more happy wives, mothers and daughters, and if they would observe results they would find that the doctor's prescriptions do not perform the many cures they are given credit for."
"In consulting with my druggist he advised McCard's Wine of Cardui and Theford's Black-Draught, and so I took it and have every reason to thank him for a new life opened up to me with restored health, and it only took three months to cure me."
Wine of Cardui is a regulator of the menstrual functions and is a most astonishing tonic for women. It cures scanty, suppressed, too frequent, irregular and painful menstruation, falling of the womb, whites and flooding. It is helpful when approaching womanhood, during pregnancy, after childbirth and in change of life. It frequently brings a dear baby to homes that have been barren for years. All druggists have \$1.00 bottles of Wine of Cardui.
