The deceased has been lingering between life and death for several weeks, and his death is no surprise to his many friends. He was taken ill about 19 weeks ago, and has been confined to his room almost constantly ever since. Funeral services will occur at St. John's Catholic church to-morrow morning at half-past nine o'clock. The remains will be taken to Ilion, in the state of New York, by Rev. Father Benard, leaving Plattsmouth at 4:30 to-morrow afternoon. Father Carney has been in charge of St. John's church for a number of years, and it is exceedingly doubtful if there is a person in Plattsmouth who can boast of more friends. He was a good man, and one who attended strictly to his own affairs. The Journal will have more to say next week.
