Weeping Water

From the Republican.
Mrs. Seth Cole has been very sick for
the past week, her trouble being gall
stones.
Rev. Fred Warren, of Plattsmouth,
is here assisting Rev. Worley, in the
protracted meetings.
Mrs. K. Corbett left for Montrose,
Colo., Thursday. She will remain an
indefinite time with her daughter,
Miss Kate, who is there for her health.
Chauncey Gilbert returned from the
hospital at Omaha last week. While
he is still very weak, he is feeling well,
and will soon be hale and hearty as of
yore.
Married, at the residence of the
bride's parents, Mr. John R. Palling
and Miss Byrd Hitchman, on Thurs-
day evening, January 31, 1903, at 9:30,
Rev. S. I. Hanford officiating.
John Wade, who was recently oper-
ated on at the St. Joseph hospital for
appendicitis, has so far recovered that
he expects to be permitted to return
home next week. He writes his
brother that he is getting fat.
Postmaster Hay has received four
letters from three states making in-
quiry about the late Bart Harmer and
his fortune. These good people are
willing to claim relationship to de-
ceased and share in a division of the
property. It is said Mr. Harmer left
no will.

J. W. Edgerton, solicitor for the
Plattsmouth Telephone Co., is in town
with a view of selling to the business
men and farmers of this locality
enough of the company's stock to
build several more farm lines out of
Weeping Water. It is a good paying
investment, and unquestionably safe.
We hope the gentlemen will meet
with success.

Class affinity between different in-
stitutions seems to have been demon-
strated by two of our students lately.
Two charming Plattsmouth girls, one
a senior and the other a junior, were
delayed at this junction almost two
hours Christmas night. They were
enroute to Elmwood but the Missouri
Pacific was in a reluctant mood; hence
the delay. A senior and junior of the
Weeping Water breed welcomed this
pair with tears of joy and from all re-
ports the sequel was a very happy
one. Plattsmouth can at least boast
of pretty girls truthfully, even if her
football team is a little weak in the
knees.

From the Herald.
The new jail is so warm and com-
fortable looking that there is danger
of some one breaking in.

Miss Mae Richey accompanied her
sister, Mrs. Frank Dickson home from
Plattsmouth, Saturday, and will visit
a week or ten days.

While mowing the dried weeds
along the Missouri Pacific right of
way last Thursday, Frank Garrison
killed a large bull snake a rather un-
usual sight for this time of year.
The Independent Telephone Co. last
week received an immense car load of
poles, part of which will be used in
building the farmers' line northeast
and connecting with this exchange.

E. A. Sackett reports his public sale
as highly satisfactory. His fine bull
sold to John Tighe for \$350 and other
cattle ran as high as \$100. Last week
he sold 6200 bushels of corn, and is now
pretty well cleaned out.

W. R. Morrison and family of Eldon,
Iowa, came in last Wednesday on a
visit with his uncles, Will and Jim
Sperry. Mr. Morrison was a resident
of Weeping Water a number of years
ago, but is now railroading.

Last Tuesday about 3 o'clock p. m.,
Mrs. Nancy Reed, living with her son,
Harry D., it is supposed was taken
with a dizzy spell just as she was start-
ing to descend the back stairs in the
house. She fell head first to the bot-
tom and through the door onto the
kitchen floor. They reported no bones
broken, yet she sustained serious
bruises, and possibly internal injuries.
Her head and shoulders were the part
that sustained the blunt of the fall.

Died, at his home, near Wabash,
Saturday, Jan. 2, 1904, E. E. Newton,
aged 39 years, of diabetes. Deceased

bachelor, and resided on his farm of
80 acres near Wabash. The funeral
was held Monday p. m. at the Wa-
bash church, Rev. Myers conducting
the service. Mr. Newion had three
brothers, Clark, Will and Erk, and
four sisters, Mesdames Hood, Mills,
Gourley, and Miss Kate Newion. In-
terment was made in the Wabash
cemetery.

Union

From the Ledger.
Leonard Murray and wife departed
Monday night for Alva, Okla., to make
a visit with Mrs. Murray's parents,
Mr. and Mrs. George W. Young.
Our worthy citizen, Charles Swan,
reached the age of seventy-five years
yesterday, and the occasion was prop-
erly celebrated by a large number of
his neighbors and relatives.
Oliver Baker of Butte, Oklahoma,
spent a week here visiting with his
parents and many other relatives and
friends in Union and vicinity. He de-
parted Wednesday night for his Okla-
homa home.

Lycurgus Banning of Dillon, Mon-
tana, has been here the past week vis-
iting his cousins, Will, Joe and John,
Mr. Banning resided in this vicinity
some years ago, and finds many friends
here who are glad to meet him again.
Charles M. Hobaek and wife of Lex-
ington, Nebraska, arrived here Wed-
nesday evening to visit Ben F. Hobaek
and family. Charles and Ben are
brothers who have met for the first
time in seventeen years, and it is a
visit of genuine enjoyment for all
members of the families.

James Edmisten and wife arrived
home Monday evening from a visit of
several days in Iowa and at the old
home in Worth county, Mo., a trip
from which they derived much pleas-
ure. "Uncle Jim" would have stayed
longer, but the change of climate
caused him to gain in flesh so rapidly
that he had to get away. He felt so
fat that he came in to weigh up with
the Ledger editor.

At an early hour yesterday morning
the people of this village were start-
led by a telephone message from the
home of Mr. McQuin, announcing the
sudden and unexpected death of his
daughter, Mrs. Dow Anna Ashlock.
Few people knew of her illness, there-
fore the news of her death made the
shock the more severe. Her first
complaint of illness was last Friday,
but there were no indications of any
serious attack, and she felt much bet-
ter until Wednesday morning, when
an attack of a grip developed. At about
3 o'clock yesterday morning she
became much worse and fell so rap-
idly that she passed away before medi-
cal aid could be summoned. The fun-
eral services will be held at the
McQuin home at 1 o'clock this (Fri-
day) afternoon conducted by Rev. R.
S. Cook, and the remains will be laid
to rest by the side of her mother in
the Eaton cemetery east of Union.

Congratulations.
Mr. John H. Cullom, editor of the
Garland, Texas, News, has written a
letter of congratulations to the man-
ufacturers of Chamberlain's Cough
Remedy as follows: "Sixteen years
ago when our first child was a baby he
was subject to croupy spells and we
were very uneasy about him. We
began using Chamberlain's Cough
Remedy in 1887, and finding it such a
reliable remedy for colds and croup,
we have never been without it in the
house since that time. We have five
children and have given it to all of
them with good results. One good
feature of this remedy is that it is
not disagreeable to take and our babies
really like it. Another is that it is
not dangerous, and there is no risk
from giving an overdose. I congratu-
late you upon the success of your rem-
edy." For sale by all druggists.

Mr. and Mrs. Perry Lewis of Mis-
souri are in the city visiting with the
family of N. T. Brittenham.
Josiah Cline's house took fire sev-
eral times from sparks, but was
promptly extinguished the night of
the fire.

Whenever a dozen eggs sell for the
price of a pound of butter, the man

with the cows.
Rev. Fowler and J. C. Clymer sol-
icited among the people on Monday to
raise funds for Sam Jones and family
who had all their household goods,
clothing and personal belongings de-
stroyed by fire Sunday night. Within
a few hours they raised \$25.25 cash and
\$11 in merchandise. This is a good
work on the part of these people to
look after those who have met with
misfortune.

Wonderful Nerve.
Is displayed by many a man endur-
ing pains of accidental cuts, wounds,
bruises, burns, scalds, sore feet or
stiff joints. But there's no need for
it. Buckland's Arnica Salve will kill
the pain and cure the trouble. It's
the best salve on earth for piles, too.

has a brother in business.

Mart Zinkon had his hand slightly
burned about two weeks ago while
helping to extinguish a small blaze at
Bahr's hardware. Blood poison set in
and he has been having a serious time
the past week. Two operations have
been performed on his hand and now
he is getting along as well as could be
expected.

We have another one of those trav-
eling grocery firms in town, repre-
senting to sell groceries cheaper than
our own merchants. These traveling
firms may sell some articles cheaper,
but look out they'll get it back on
you and don't you forget it. The
best way is not to patronize them and
you won't get beat, then they will
quit some time.

Saved From Terrible Death:
The family of Mrs. M. L. Bobbitt of
Bargerton, Tenn., saw her dying and
were powerless to save her. The
most skillful physicians and every
remedy used, failed, while consump-
tion was slowly but surely taking her
life. In this terrible hour Dr. King's
New Discovery for Consumption
turned despair into joy. The first
bottle brought immediate relief and
its continued use completely cured
her. It's the most certain cure in the
world for all throat and lung troubles.

Ave., Kansas City, Mo., has for sev-
eral years been troubled with severe
hoarseness and at times a hard cough
which she says "Would keep me in

by physicians with no noticeable re-
sults. A friend gave me a part of a
bottle of Chamberlain's Cough Rem-
edy with instructions to closely follow
the directions and I wish to state that
after the first day I could notice a de-

this time, after using it for two
weeks, have no hesitation in saying I
realize that I am entirely cured." This
remedy is for sale by all druggists.

mind.

Last week the Courier neglected to
mention the marriage of Miss Ella Du-
gan and John Wolf, at the home of the
bride's parents in this city on Christ-

of the prettiest weddings of the Christ-
mas week. The ceremony took place
at 2 o'clock, in the presence of a large
number of relatives and intimate
friends, Elder G. W. Mayfield officiat-

ing. The bride is a daughter of

Unhealthy Kidneys Make Impure Blood.
It used to be considered that only
urinary and bladder troubles were to be
traced to the kidneys,
but now modern
science proves that
nearly all diseases
have their beginning
in the disorder of
these most important
organs.

The kidneys filter
and purify the blood—
that is their work.
Therefore, when your kidneys are weak
or out of order, you can understand how
quickly your entire body is affected and
how every organ seems to fail to do its
duty.

If you are sick or "feel badly," begin
taking the great kidney remedy, Dr.
Kilmer's Swamp-Root, because as soon
as your kidneys are well they will help
all the other organs to health. A trial
will convince anyone.
If you are sick you can make no mis-
take by first doctoring your kidneys.
The mild and extraordinary effect of
Dr. Kilmer's Swamp-Root, the great
kidney remedy, is soon realized. It
stands the highest for its wonderful cures
of the most distressing cases, and is sold
on its merits by all
druggists in fifty-cent
and one-dollar size
bottles. You may
have a sample bottle, Home of Swamp-Root,
by mail free, also a pamphlet telling you
how to find out if you have kidney or
bladder trouble. Mention this paper
when writing to Dr. Kilmer & Co., Bing-

but remember the name, Swamp-Root,
Dr. Kilmer's Swamp-Root, and the ad-
