TART CURB-STONE JOSHINGS

And Other Items of Interest Prepared Especially for the Journal Readers.

St. Valentine, in love's despair To her sent Cupid, trickey cif. Alas! Alack! She was so fair Sir Cupid fell in love himself.

St. Valentine's day next Sunday. Candidate are beginning to "pull

dollar wheat.

Be sure you are right then let your wife have her own way.

From a loke book of 1808: If you like ground hog, eat sausage.

Many a girl who is deathly afraid of a mouse wears a rat in her hair. Some people are like lobster salad-

they don't agree with anybody. In the absence of a man there may be some comfort for an old maid in a er they "vamoose" to make room for

lamp that smokes. strengthened if the girls would agree eral. Such people are not desirable in to press the man's trousers.

The old familiar motto, "Love one to mean love one and another.

The lightest fine for a mail box mutilator is \$100 for the first offense. Last Monday Not Very Largely Attended, There's not apt to be a second one.

It may be fun to take one's best girl out sleigh riding, but it is far more comfortable to sit by the warm stove and feed her "taffy."

This is encouraging to coal-burners.

When Adam, in bliss,
Asked Eve for a kiss,
She puckered her lips with a coo;
Gave a look so ecstatic
And answered emphatic,
"I don't care Adam if I do."

A little girl recently remarked that editors were a kin to physicians-that she had heard so many say "they could not live without the Journal." Nice little lady, that.

"Will the canning factory proposi- 16. tion fail to materialize?" asked a citi- 22. zen the other day. Not if the project- 37, or lives up to his agreement, and the 10. Journal believes he will.

There are several young men in this old town who have had their own way | 21 from infancy up, who will wake up 17. some of these mornings and wonder $\begin{vmatrix} 19 \\ 33 \end{vmatrix}$. why they ever got married.

If you want the Journal and the Journal Monthly Magazine both for one dollar a year, subscribe before the 27. first of March. All subscribers who 26. pay one year ahead also reap the benefits of this bargain.

Remember when you receive a ridiculously constructed valentine, don't get mad, but be like the fellow that was kicked by the jackass, "consider the source." No one but jealous-hearted enemies are guilty of such work.

very much rejoiced over the fact that Gaebel wouldn't listen to our going out tons of advertising matter, the mained. they have harvested and housed a until after supper, and of course we country merchant must have the goods A week ago last Saturday the boy paid no attention to the summons and splendid crop for suffering humanity remained. Mr. Gaebel's farm is one and the prices, and he must ad-showed up at his father's home in another one was served. This also next summer, and they don't care now of the finest in that section, and be- vertise or get run over in the march of Elmwood. He had taken French leave was ignored. Then the judge comhow soon the "good old summer time" ing surrounded by a family of whom civilization. His rents are less, his of the navy. The father recognizing mitted the couple to jail for failure to

It is said that a school teacher not a ed a pupil's ears a few days ago. The be greatly improved. At least four souri river, boy toldshis mother, and the next day pages, beginning with our March numthe teacher received the following note: ber, will be given over to this departyou to use it hereafter."

Bad Coughs

"I had a bad cough for six weeks and could find no relief until I tried Ayer's Cherry Pecto-ral. Only one-fourth of the bottle cured me." L. Hawn, Newington, Ont.

Neglected colds always lead to something serious. They run into chronic bronchitis, pneumonia, asthma, or consumption.

Don't wait, but take Aver's Cherry Pectoral just as soon as your cough begins. A few doses will cure you then.

Three alses : 25c., 50c , \$1. All droppists.

am not so particulay. "I was brought ip a Baptist, but I'd just as soon change over to accommodate you."

will not mention, objected to doing certain chores about the house which fell to his share. He went so far as to properly be assigned to the women. The mercury seems to be chasing the down." That husband has wiped the pened. It seems the young man and

dishes ever since. And old fogy of the worst sort remarked in our presence the other day that "he did not believe in giving the canning factory one penny to locate here." His "kick" was expected, for he has lived here a number of years, and has opposed every enterprise calculated to benefit the city during his residence here. Such citizens are no credit to any community, and the soonmore enterprizing citizens the better The leap year inducements might be it will be for the community in gena wide-awake town.

But Stock Brought Fair Prices.

The weather being very unfavorable the sale at C. J. Gaebel's farm, five miles southwest of Louisville, was not very largely attended. Those who Want a dead safe tip? Here it is: were there, most went to buy, and the There will not be as many cold days in general result was that the sale was February as there were in January. considered a success both in prices and the sale of stock. Below we give a list of the purchases and the names of purchasers, as numbered:

 E. H. Deal, Elwood, Ill. . . . \$ 65 00 Swan A. Keson, Gretna...

Geo. Hammer, Greenwood 33 00

Wm. Erhart, Wabash..... J. E. Pierce, Greenwood...

J. J.-Black, Benson..... Amos Keiser, Louisville ...

Two bulls at \$40 each.

A representative of the Journal attended the sale, and after the con-
