## THE NEW TAX SCHEDULE.

If Followed as Contemplated by Law the Assessors Will Have a Hard Time.

Copies of the schedule for personal property to be assessed this year have been received by the county clerk and if followed as contemplated by law the assessors will have a hard time. On the first page extracts of the revenue law are printed. The second and third pages contain a list of articles to be assessed, containing 86 items. The last page contains four interrogatories of the person assessed, and various other items.

On the pages giving list of assessable property are blank spaces for number of items, actual, and assessed value, the latter being 20 per cent of the cash value. Under the head of "number" every blank space must be filled out. If the person has no such item he must write in the word, "none." Each person in the county will receive a blank with a notice that reads: "You are required to make out and return to the county assessor a true statement, list or schedule, of all personal property subject to taxation which is held by you as owner, lessee or occupant in control thereof or as guardian, husband, parent, trustee, executor, administrator, receiver, accounting officer, partner, agent or other representative officer."

The sections quoted on the schedule are as follows:

Section 28. Personal property shall be listed in the manner following:

First. Every person of full age and sound mind, being a resident of this state, shall list all his moneys, credits, bonds, or stocks, shares of stocks of joint stock or other companies, when the capital stock of such company is not assessed in this state; moneys loaned or invested, annuities, franchises, royalties, and all other personal property.

Second. He shall also list all moneys and other personal property invested, loaned or otherwise controlled by him as the agent or attorney, or on account of any other person or persons, company, or corporation whatsoever, and all moneys deposited subject to his order, check or draft, and credits due from any person or persons, body corporate or politic, whether in or out of the county.

Third. The property of a minor child shall be listed by his guardian. If he have no guardian, then by the father if living, if not, by the mother, if living, and if neither father or mother be living, by the person having such property in charge.

Fourth. The property of any other person under guardianship, by his guardian; or if he have no guardians by the person having charge of such property.

Fifth. The property of the wife, by her husband, if of sound mind; if not, by herself.

Sixth. The property of a person for whose benefit it is held in trust, by the trustee; of the estate of a deceased person, by the executor or administrator.

Seventh. The property of corporations whose assets are in the hands of receivers, by such receivers.

Eighth. The property of corporations by the president or proper agent or officer thereof.

Ninth. The property of a firm or company, by a partner or agent thereof.

Tenth. The property of manufacturers and others in the hands of an agent, by and in the name of such agent, as merchandise.

Section 29. If any person shall make a false or fraudulent list, schedule or statement, required by this act, or shall willfully fail or refuse to deliver to the assessor, when called upon for that purpose, a list of the taxable property which under this act is required to be listed, or shall temporarily convert any part of such property into property not taxable, for the fraudulent purpose of preventing such property from being listed and of evading the payment of taxes thereon, or shall transfer or transmit any property to any person with such intent, he shall be guilty of a misdemeanor and subject to a fine of not less than fifty dollars and not more than two thousand dollars. If any person shall knowingly swear falsely regarding any matter contained in such schedule or interrogatories, he shall be deemed guilty of perjury and be punished accordingly.

Section 54. It shall be the duty of the state board of equalization and assessment, all county boards, county assessors and deputy assessors, to notify the county attorney of the proper county, of all willful violations of the provisions of this act known to them, and to sign and verify complaints and information with respect thereto when prepared by the county attorney.

Section 55. In every case where any person shall refuse to make out and deliver to the proper deputy assessor the statement required under this act, or shall refuse to make and subscribe to any of the oaths or affirmations required by the deputy assessor shall proceed to obtain the number of each description of the several enumerated articles of property and the value thereof; and such deputy assessor shall make a note of such refusal in a column opposite the person's name, and the county attorney shall add to such valuations, when returned by the deputy assessor, fifty per centum of the value returned.

To avoid anything that may be overlooked in the regular list the following questions are asked and they must all be answered:

Section 52. Such schedule shall have attached the following interrogatories which the person required to list property shall answer to writing over his signature and under oath.

Interrogatory 1. Are you, or were you, on the first day of April of the present year the executor or administrator of the estate of any deceased person, or the guardian of the estate of any infant or person of unsound mind, or the trustee of the property of any person, or the receiver of any corporation, association or firm, or the agent, attorney or banker investing, loaning or otherwise controlling the money or the property of any person, or the president or accounting officer of any corporation, or a partner, consignee, or pawnbroker?

Interrogatory 2. Have you, since the first day of April of last year, either personally or through the agency of others, caused all or any part of your taxable property or other property to be temporarily converted either by sale, loan, exchange, or in any other manner, into bonds or other securities of the United States not taxable, with the intention to pay back, return, exchange, or dispose of such property after you have made out your tax

statement? Or did you on or before the first day of April of the present year, and before you saw this interrogatory, pay back, return, exchange, or dispose of any such property for the purpose aforesaid?

Interrogatory 3. If you have converted any of your money or property or money or property of any other person, as inquired of you, then state when the same was so converted or invested, and the time and amount or value thereof?

Interrogatory 4. Have you, at any time since the first day of April in the preceding year, withdrawn from any bank any moneys there deposited, for the purpose of converting the same into some form of non-taxable property or for the purpose of sending the same out of the state, or transferring the same to some other person or persons, with the intent to, or purpose of, evading the payment of tax on the same?

Following is the oath:

I—being duly sworn, say that the foregoing statement and schedule is true and contains a full and complete list of all property held by or belonging to me on the first day of April, including all personal property pertaining to merchandise, whether held in actual possession or having been purchased with a view to possession or profit, and all personal property appertaining to manufacturing, and all manufactured articles, whether on hand or owned by me. In all cases where I have been unable to exhibit certain classes of property to the assessor, such property has been fully and fairly described, and its true condition represented, and I have in no case sought to mislead the assessor as to the quantity or quality of the property. I further swear that, since the first day of April of last year I have not directly or indirectly converted or exchanged any of my property temporarily, for the purpose of evading the assessment thereof for taxes, into non-taxable property or securities of any kind, or transferred or transmitted the same to any person or in any wise for the purpose of evading the assessment thereof; and that my answers to the foregoing interrogatories are true. So help me God.

If a person refuses to list or subscribe to the oath the deputy assessor must make such notation on the list.

### Proper Treatment of Pneumonia.

Pneumonia is too dangerous a disease for anyone to attempt to doctor himself, although he may have the proper remedies at hand. A physician should always be called. It should be borne in mind, however, that pneumonia always results from a cold or from an attack of the grip, and that by giving Chamberlain's Cough Remedy the threatened attack of pneumonia may be warded off. This remedy is also used by physicians in the treatment of pneumonia with the best results. Dr. W. J. Smith, of Sanders, Ala., who is also a druggist, says of it: "I have been selling Chamberlain's Cough Remedy and prescribing it in my practice for the past six years. I use it in cases of pneumonia and have always gotten the best results." Sold by all druggists.

### Accidentally Shoots Himself.

Frank Stanley, a former employe of B. & M. shops, accidentally shot himself in the right leg last Saturday. It seems that he was engaged in cleaning a 22 calibre revolver, when in some manner it was discharged, the ball entering the limb just above the knee. Dr. Cook is attending him, and states that the wound is not a serious one, but it will lay him up for several days at least.

### More Riots.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run down systems. It dispels Nervousness, Rheumatism and Neuralgia, and expels Malaria germs. Only 50c, and satisfaction guaranteed by F. G. Fricke & Co.

### For Sale!

Eight acres of land, 11 block west of M. P. Depot; good five room house, barn, wells and other improvements. Plenty of fruit of all kinds. For further particulars call on or address, H. G. STOLL, Plattsmouth.

### Wakeful Children.

For a long time the two year old child of Mr. P. L. McPherson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by all druggists.

### Wouldn't a "P-Eim" Club Be Better?

Plattsmouth has a "Jack-the-Hugger," who scares young ladies every time he meets them. A shot gun well loaded and properly aimed would end the pranks of this man.—Nebraska City News.

### A Favorite Remedy For Babies.

Its pleasant taste and prompt cures have made Chamberlain's Cough Remedy a favorite with the mothers of small children. It quickly cures their coughs and colds and prevents any danger of pneumonia or other serious consequences. It not only cures croup, but when given as soon as the croupy cough appears will prevent the attack. For sale by all druggists.

If it's a bilious attack, take Chamberlain's Stomach and Liver Tablets and a quick recovery is certain. For sale by all druggists.

## Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, putting it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased. Mr. D. Knable of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I saw Kodol Dyspepsia Cure for about four months and it cured me."
