THAT General Bristow be supersed ed, was flercely demanded by 151 con gressmen, until it was rumored that h had something else up his sleeve And they do say Blowhard was among the number that wanted Bristow ou out of the way. Wonder why?

BURTON, the Kansas senator, convicted of bribery by the federal court at St. Louis, says if he had lived in Nebraska, he wouldn't have been convicted. No matter what a republican officeholder does in Nebraska, plenty of his friends will be found standing around with whitewash brushes in hand to douse him.

Don Despain, one of Midget Mickey's young hirelings, came down from Lincoln Tuesday to assist his republican friends in "sweeping the platter."

The fact is, if Mickey had sent down one or two more of Don's calibre, the democrats would have made a clean sweep of everything. Every man, wo-make the sweep of everything. Every man, wo-make the sweep of everything in Plattemouth knows.

F. G. Fricke & Co. Applicant. 62 man and child in Plattsmouth knows what made Don a republican.

THE facts forcibly illustrate two points: One is that a man dare not launch his candidacy for a republican nomination in Nebraska unless he is 14 backed by the B. & M., Union Pacific or Elk Horn railroad. And then he 90 wants to be sure the managers of that particular road will not "throw him overboard" at a critical moment and .... 10 thereby make his candidacy absolutely
