 A disordered stomach may cause no end of trouble. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous diseases, the most fatal of which are painless and therefore the more to be dreaded.  Cleanse the Streets and Alleys.  
 I hereby request all persons to see that the streets and alleys surrounding their homes be cleansed of all rubbish and trash, and that they be kept so during the heated period. In justice to yourselves and for the general health of the city, this should be done. HENRY R. GERRISO, Mayor.

**Heard From.**  
 About one year ago an old gentleman visited this city, claiming to reveal hidden mysteries, and to receive messages from those long since passed over the great beyond. Several years ago Henry Vallery joined the great masses who went to the Klondike to seek their fortunes. For several years his friends could get no news from him, and they had given him up for dead. One of his brothers visited this mysterious old man at the Riley hotel, and he revealed to him the fact that his brother was alive and well, and that he was then living in Dawson, Yukon territory. A letter to the postmaster brought forth the facts just as revealed by the man. The Journal has in its possession a copy of the Dawson Daily World, from which we clip an item in reference to Henry Vallery, whom his relations supposed was dead. The paper was sent to George W. Snyder by Henry, and is dated April 1, 1904:  
 "John F. Baird and Henry Vallery left with a big outfit of freight for Fairbanks yesterday. They are taking in about 1,600 pounds of various supplies much needed in Tanana. The trip is being made with four sleighs, drawn by fifteen dogs. Two drivers are accompanying Messrs. Baird and Vallery.  
 "Baird and Vallery expect to make the trip in about fifteen days. They will probably remain in the Tanana country for some time."  
 Not how cheap but how good. Patton's Sun Proof Paint. Sold only by Gering & Co.

L. BALDWIN,

**What is the Matter?**

Few years ago you could eat and drink all you wanted, everything seemed to do you good. Now you have to be careful. You can not eat what you like nor as much as you like. Still you are troubled with constipation, indigestion and general weakness. What is the matter? Your stomach is too weak, it has no power to secrete enough juice, to assist in the digestive process. In consequence your blood is thickly impure, slowly circulating. Triner's American Elixir of Bitter Wine in such cases is the only remedy, because it works on the stomach directly, regulates the secretions and strengthens the muscles. It assists peristalsis, therefore cures constipation without being purgative. It will bring your digestive organs again to the natural healthy state—then take care of yourself. It can be used by all members of the family, as it contains no deleterious ingredients. At drug stores. Jos. Triner, 788 So. Ashland Ave., Chicago, Ill., Pilsen Station.

**Good for Children.**

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. One Minute Cough Cure is pleasant to take and it is good alike for young and old. Sold by F. G. Fricke & Co.
