many friends. The best wishes of all are extended for their future happiness.

As yet Mr. Ingwersen has found no trace of the mules stolen from his place over three weeks ago. There must be some pretty smooth thieves engaged in the work, with hiding places along the route of travel. The "voca" thieves who robbed the general store of Steffens & Zimmerer have not been located, although it was reported that suspicion rested on two young men. But the sheriff returned empty handed, and is doubtless up against another mystery.

Sciatic Rheumatism Cured.

"I have been subject to sciatic rheumatism for years," says E. H. Waldron of Wilton Junction, Iowa. "My joints were stiff and gave me much pain and discomfort. My joints would crack when I straightened up. I used Chamberlain's Pain Balm and have been thoroughly cured. Have not had a pain or ache from the old trouble for many months. It is certainly a most wonderful liniment." For sale by all druggists.

Greenwood

From the Enterprise.
Mr. S. Pullen has moved here from Ashland. Nothing like living in a live town.

Peter A. Smith of Springfield, this state, has filed a petition with the village clerk for a saloon in Greenwood.

Charley Trumble, the Eagle butcher, was in town today looking up a location for a saloon, but found the field pretty well covered.

Rev. Father Hennessey of College Hill was in town Tuesday, called here to the bedside of Mr. A. Stone, who is in very poor health.

The three-months old daughter of Mr. and Mrs. Frank Welton, living west of town, has living at present four great grandmothers, two great grandfathers and two grandfathers.

Dennis Dowd and the B. & M. railroad company are still at loggerheads. Sheriff McBride came up Wednesday to serve papers on Mr. Dowd to appear at Plattsmouth and show cause why the B. & M. should not have a right of way through his land.

Early Wednesday morning Olean Bishoff, aged about eighteen years, living four miles south of town, became violently insane and it required five or six men to hold him. Dr. Talcott was called and soon had him quiet. He will probably be taken to the asylum.

The Plattsmouth Independent Telephone company have had a gang of men here for the past ten days putting up poles and stringing wires for a farmers' line in this vicinity, and in a short time farmers living near here will be able to talk to Greenwood people at will. We have been kept waiting a long time, but are assured that the farmers' exchange will be put in as rapidly as possible, and all farmers who want phones will be accommodated.

Makes a Clean Sweep.

There's nothing like doing a thing thoroughly. Of all the Salves you ever heard of, Bucklen's Arnica Salve is the best. It sweeps away and cures Burns, Sores, Bruises, Cuts, Boils, Ulcers, Skin Eruptions and Piles. It's only 25c, and guaranteed to give satisfaction by F. G. Fricke & Co.

Eagle

From the Beacon.
N. S. Miller has purchased a fine quarter section of land near Bennett.

W. M. Fricke says he is having a tough time trying to shake the grip off. Joe Blanchard is building a new barn on his farm a half mile east of town.

Byron Stall has purchased the Ed Snell farm of 160 acres and will take possession next March.

Ed Betts has been very sick with pneumonia the past ten days, but is much better at this writing.

Mrs. Jay Freeman and two youngest children of Stuart, Neb., arrived yesterday for an extended visit with her parents, Mr. and Mrs. J. Bahr and other relatives.

Best Cough Medicine for Children.

When you buy a cough medicine for small children you want one in which you can place implicit confidence. You want one that is unquestionably harmless. You want one that is pleasant to take. Chamberlain's Cough Remedy meets all of these conditions. There is nothing so good for the coughs and colds incident to childhood. It is also a certain preventive and cure for croup, and there is no danger whatever from whooping cough when it is given. It has been used in many epidemics of that disease with perfect success. For sale by all druggists.

Louisville

From the Courier.
A 12-pound boy was born to Mr. and Mrs. Frank Bates, April 10.

Frank Fulton arrived here with his family this week from South Dakota, and will occupy Martin Sjogren's new residence as soon as it is completed.

The baseball grounds are being graded and put in shape, and a grand stand will be erected next week, to be in readiness for the opening game May 2.

Andrew Stohlman has purchased the flour and feed business in Louisville of W. A. Cleghorn and has opened up a feed store in his building opposite the Courier office.

Since Ben Ward has returned from the west, what's the matter with reorganizing the Louisville band. We have some of the best material in the west, and we understand all that is lacking is encouragement. Tune up. The new village board met at the council chamber Tuesday evening and selected the following officers for the ensuing year: L. J. Mayfield, chairman; Mike Tritsch, clerk; M. N. Drake, treasurer; W. A. Johnson, marshal and street commissioner.

J. M. Jackman will move his family to Indiana next week, where Mr. Jackman will go into the sawmill business. William Wade, we understand, has rented the Jackman residence. Mr. Jackman expects to be absent about two years.

The number of new residences in course of erection in Louisville is evidence of prosperity. What Louisville needs is a better class of residences, and the Courier is glad to note that our citizens are awaking to this fact.

George Frater has purchased ground south of F. H. Nichols' residence on Main street and will build a new residence. The Courier has not been informed as to the dimensions or the cost of the proposed new building, but we understand it is to be completed and ready for occupancy about the first of July.

A Great Sensation.

There was a big sensation in Leesville, Ind., when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma, but your New Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures of Consumption, Pneumonia, Bronchitis and Grip are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c, and \$1. Guaranteed by F. G. Fricke & Co., druggist. L. W. Ingwersen wishes to thank his many friends who rendered assistance to him, financially and otherwise, in endeavoring to run down a clue to the parties who stole his team some time ago. He has not given up the search, hoping at some time to find the guilty parties.

Died-At 8 p. m., Monday, April 18, at his home in Fairfax, Mo., Richard Carper, "Dick," as he was always known, was born on a farm a few miles south of Nehawka, and made his home there until the past few years, which he has spent in Missouri. He was married to Miss Laura McDaniel, of Fairfax, who survives him, with two little children. He also leaves his mother, Mrs. Onicy I. Carper; a brother, A. L. Carper of Nehawka, and two sisters, Mrs. Mattie Porter of Nehawka, and Mrs. Annie Pittman of York, Neb.
