Iowa Parties Arrested.

Last week Sheriff McBride received word from W. V. Vest, sheriff of Tama county, Iowa, asking him to locate James F. Ferrier and wife and George E. Carter, who were known to have relatives residing in Louisville, in this county. They were wanted for burglary, and soon after receiving the word Sheriff McBride had the parties located at Louisville, and so informed the Iowa sheriff. But before the arrival of that official the parties had gone to Lincoln, the Cass county sheriff keeping his eagle eye on their movements. When the Tama county sheriff arrived here Mr. McBride accompanied him to Lincoln yesterday morning where the three parties were arrested and taken back to Tama county last night.

Henry R. Gering.

The democratic congressional convention has been called to meet in Lincoln on Wednesday, August 10th, at 10 o'clock in the forenoon. Cass county, according to this call is entitled to 17 delegates. It will be remembered that the Louisville convention unanimously instructed for H. R. Gering of this city for congress, and gave him the power to select his own delegation. This was quite a compliment to our young and energetic Mayor. And a still greater compliment would it be, not only to Mr. Gering, but to the democratic party of Cass county, for him to receive that nomination.

The Journal is not advised as to whether any other names will be presented for the nomination from any other counties outside of Lancaster and Cass or not; but we do know that if this honor should fall upon the shoulders of Mr. Gering, that he has the vim and vinegar to get out and organize the First district democracy as it has never been organized since the days when it was so ably represented by Hon. W. J. Bryan.

The Journal is of the opinion that the nomination should skip Lincoln and go to some other county, and we believe that this time Cass is entitled to it.

Mr. Gering is a natural born organizer—he knows exactly how to do the work—and he will do it most successfully if nominated.

His friends in Plattsmouth and Cass county will go to Lincoln on the 10th day of August, and extend to that convention many good reasons why Mr. Gering should be the democratic standard-bearer in the First district, and they will prove sufficient.

Gone and Done It.

The report that Billy Butler was married in Chicago reached here Monday, but many were at first not inclined to believe it. In the list of marriage licenses published in the Chicago Chronicle last Saturday, we note that a license was granted to "William R. Butler and Mollie C. Ward," so we suppose from that that Billy has "gone, did and done it." The Journal extends congratulations along with the balance of Billy's many Plattsmouth friends, with a hope that he will find smooth sailing over the matrimonial sea.

N. B. Since the above was put in type, Mr. Butler has arrived home. He came in yesterday morning and Mrs. Butler will follow in a few days.
