**Charitable People.**  
It will be remembered that two weeks ago today the Journal contained an account of the accident which occurred to James Privett, resulting in breaking one of his legs and otherwise injuring him. He is a poor man, with a wife and four children, living here in Plattsmouth. One of the children, aged about five months, died Tuesday of whooping cough and the other three are afflicted with it. Mrs. Z. W. Shrader and her daughter, Mrs. E. H. Christwieser, learning the condition of the unfortunate man's family, conceived the idea of raising by subscription means by which they could assist while the poor man is confined and unable to provide for them. Mrs. Shrader and Mrs. Christwieser displayed a most charitable disposition in this matter, as did also those who responded to their call, who are as follows, to-wit:

"I had been troubled with kidney disease for the last five years," writes Robert R. Watts, of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies without relief. Finally I tried Foley's Kidney Cure and less than two bottles cured me and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. F. G. Fricke.
