Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflames the mucous membranes lining the stomach and exposes the nerves of the stomach, thus causing the glands to secrete mucin instead of called Catarrh of the Stomach.

Kodol Dyspepsia Cure

relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.
