

Just Think of It

According to figures furnished by Secretary Cortelyou, it costs just \$7.97 a year for each man, woman and child in the United States.

Yet it costs more than this amount per year for every one employed in our Clothing Store, and we have it to pay as sure as time rolls around.

We have an enormous stock of Clothing and Overcoats for Fall and Winter that must be disposed of, and we would like to interest you in either a Suit or Overcoat, or even both, to help us pay our expenses.

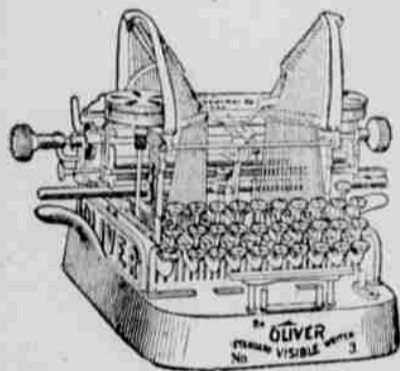

Drop in some day and see what we have—maybe we can make a trade. Big stock of Husking Mitts—one that will not wet through.

Given Up to Die.

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." F. G. Fricke & Co.

One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Austria's Verdict.

Austria has a special board of government physicians to whom everything that is publicly offered in the line of medicine must be submitted for inspection and analysis. Last month a verdict was published, to stop the manufacture of certain patent medicines sold as herb-tea, and we mention this fact only because two of these preparations are advertised in this country also. We believe the public being entitled to honest preparations, containing no dangerous ingredients, such as Triner's American Elixir of Bitter Wine. This is a preparation made only of pure, unadulterated wine and of herbs selected with the greatest care and knowledge. In diseases of the stomach and of the intestines, there is no better, no safer and no more reliable remedy; for purifying the blood and strengthening the muscles and the nerves, Triner's American Elixir of Bitter Wine is the best medical agent found. Every member of the family can use it to advantage. The taste is very pleasant. At drugstores. Jos. Triner, 729 South Ashtland Ave., Chicago, Ills.
