NEWS OF NEBRASKA.

Twenty Years for Assault.
Fremont, Neb., Sept. 24.—Harold Bailey pleaded guilty in the district court to the charge of felonious assault upon Pearl Olson and was sentenced by Judge Hollenbeck to twenty years in the penitentiary. The Olson girl is improving and has almost entirely recovered.

Traces of a Missing Farmer.
Humboldt, Neb., Sept. 24.—Reveals the lives of Jacob R. Hunzaker, the farmer who disappeared from his home near the Kansas line six weeks ago, believe they have found conclusive evidence he is the unidentified party found dead the morning of Aug. 8 at the Metropolitan hotel in Omaha.

Woman Burns to Death.
Lincoln, Sept. 24.—While alone in her room at the Tabitha home the clothing of Mrs. Amelia Oestrich, aged sixty-six, caught fire in some manner as yet unknown and she was burned to death. Her husband, who rushed to her assistance upon hearing her screams, was himself badly burned and his condition is serious.

Falls From Wagon to Death.
Albion, Neb., Sept. 24.—William Kessan, Sr., an old resident of this county met with a fatal accident upon the street here. He had untied his team and climbed upon the hayrack on the wagon preparatory to going home, when he lost his balance and fell to the ground, receiving injuries from which he died immediately.

Asks Help of Express Companies.
Lincoln, Sept. 22.—Deputy Game Warden Carter has mailed to the express companies a letter in which he advises them to be on the lookout for suspicious looking boxes that might contain game being shipped out illegally. The open season for shooting ducks and geese began Sept. 1 and Oct. 1 will begin the season for shooting chickens and grouse, while on Nov. 1 the quail season opens.

Estimates on Grain Crops.
Lincoln, Sept. 22.—A table of statistics prepared by Professor Davis of the agricultural department of the University of Nebraska for the Burlington shows the corn crop in Nebraska will reach 211,000,000 bushels. The fall crop of wheat, according to this report, will amount to 23,000,000 bushels and the oat crop will be 49,300,000 bushels. The quality of the grains, it is said, is better than last year.

No Remarriage for Divorcees.
Fonda, Neb., Sept. 24.—The thirty-second annual convention of the Nebraska Lutheran synod was harmonious throughout. Probably the most important action of this body was on the subject of "Marriage and Divorce." The following section was added to the constitution of the synod: "That no minister of this synod shall knowingly remarry any person or persons who have previously been divorced from a husband or wife, except in the case of divorce for adultery, the innocent person being entitled to remarry when desired."

Killed Under Load of Straw.
Kearney, Neb., Sept. 24.—Claude Fester, the fourteen-year-old son of Mr. and Mrs. Fred W. Fester, living in Buckeye valley, was instantly killed by the overturning of a load of straw which he and his brother, who is two years his senior, were hauling. The boys were coming down a hill with the load when it slipped forward, frightening one of the horses, which began to kick and run. The load was overturned, throwing the boys to the ground and breaking Claude's neck. The older boy was badly bruised, but his injuries are not serious.

NEWS SERVICE ON ALL TRAINS.

Union Pacific and Connections Will Post Bulletins in Buffet Cars.
Omaha, Sept. 23.—Beginning next week the Union Pacific and its connections, the Chicago, Milwaukee and St. Paul and the Chicago and North-western railroad, will begin issuing a bulletin news service for the benefit of the passengers on the overland limited trains.
This news service, which is the first of the kind ever attempted by a railroad, will be sent out at noon and at 4:30 in the afternoon, and posted in typewritten form in buffet cars. Later, it is stated, the service will be extended to other through passenger trains on the system. All the news of importance will be transmitted by the company over its own wires, and will be delivered at scheduled points.

TELLS OF OMAHA BRIBE OFFER.

Building Inspector Says He Was Offered \$500 and Stated Sum a Month.
Omaha, Sept. 27.—Charles E. Fanning offered me \$500 in cash and \$100 a month as long as I remained in office if I would make the changes in the paving specifications as suggested by him.
This was the declaration of Building Inspector Withnell on the witness stand in Judge Troup's court during a hearing of an application for an injunction to prevent the carrying out of a contract with the Nebraska Bitulithic company for paving Thirty-second avenue. Withnell produced a copy of the specifications with red ink interjections, which, he said, represented changes asked for by Fanning.
Withnell said he refused Fanning's offer, but informed Comptroller Lebeck of what had occurred. This is the second city official who has told of an attempt to bribe him during the present paving controversy in Omaha.

Best Harvest Commences.

Fremont, Sept. 22.—The work of harvesting the sugar beet crop in this vicinity began this week. While the acreage is less than last year, the yield is reported good and the quality of the beet above the average. The factory at Leavitt will start operations next week. The acreage contracted for this season exceeds that of any year since the factory began business, owing to the large number of contracts in the western part of the state where irrigation makes the beet crop a pretty sure thing.

United States Judge Fines Strikers.

Omaha, Sept. 26.—George Stevens, secretary of the local council of the Amalgamated Meat Butchers' union, was fined \$250 and costs by United States Judge Munger for violating an injunction of the federal court restraining the packing house strikers from interfering with nonunion men who sought employment. Thirty-four of Stevens' associates were fined \$20 each and a proportion of the costs. They were all ordered committed until the fines were paid. Vice President Stephen Vail was discharged, the court holding that the evidence against him was insufficient.

Speaker Cannon at Hastings.

Hastings, Neb., Sept. 24.—Speaker Cannon and Hon. James Watson of Indiana, who are to address a Republican meeting at the opera house this afternoon, arrived here Sunday noon. They were met at the station by Senator Dietrich, Mayor Miles and a reception committee, and escorted to the Bestwick hotel, where they had been invited to dinner with Senator Dietrich. En route from Oxford the speaker and his party welcomed Governor Hiles and party of Michigan for a few minutes aboard his private car. The distinguished visitors were given a drive about the city in automobiles.

Condition of State Banks.

Lincoln, Sept. 22.—The report of the condition of the state banks at the close of business Aug. 2, just compiled by Chief Clerk Dodson of the banking board, is most gratifying. The increase of deposits over the amount reported May 14 is \$2,282,139.92 and the increase over the report of Sept. 5, 1903, is nearly \$1,750,000. Banks held on the date of the report a reserve of 37.15 per cent, which is 3 per cent higher than the reserve held May 13. The number of depositors has increased over the last report 5,244, there being a total of 127,570 depositors. The banks reporting numbered 315, the greatest number since the organization of the banking board.

USURIOUS NOTES WORTHLESS.

Father Schell Wins Victory Over Men Accused of Fleecing Indians.
Sioux City, Sept. 28.—A lone priest, sent by Mother Drexel, a millionaire nun of Philadelphia, to reclaim the Winnebago Indians of Nebraska from the degradation and debauchery which has been rapidly devouring them, has won a complete victory against as thoroughly organized gang of grafters as ever looted shamelessly. Father Joseph Schell of Homer, Neb., who has accomplished this, is now in St. Joseph's hospital here, recuperating after his long fight.
As a result of his triumph the gang that has been robbing the Winnebagoes of from \$200,000 to \$250,000 annually for twenty years, has been thoroughly broken up and thirty of them will be ordered never to show their faces again on the reservation. One hundred and twenty thousand dollars in usurious notes secured by the grafters from the Indians are not worth the paper they are written on. Mother Drexel, in appreciation of Father Schell's work, will build schools on the reservation.

When Father Schell arrived at Homer, less than a year ago, after exposing the Oregon timber frauds after two years of effort, the grafters at Homer laughed at his efforts to stop the sale of liquor to the Indians and the theft of their money.
The grafters, including a number of storekeepers, bankers and saloonkeepers, induced the Indians to sign notes for outrageous sums in payment for their supplies. They would then collect these notes on pay day by shoving ready cash for balances into the Indians' hands.

Fraternal Congress Convenes.

St. Louis, Sept. 28.—The national fraternal congress convened on the World's fair grounds, to continue in session the remainder of the week. More than 500 delegates were present at the exercises, which were opened by William Eldson, president of the Missouri fraternal congress. President Francis then welcomed the congress to the exposition. Judge Noah M. Givan, past president of the Missouri fraternal congress, delivered an address on "The World's Fair Temple of Fraternity." Addresses were made by President J. A. Patterson of the Canadian Fraternal association; Dr. Warner of Topeka, Kan., and Edwin O. Wood, president of the national fraternal congress.

No Decision in Wisconsin.

Madison, Wis., Sept. 28.—Owing presumably to the absence of Chief Justice Cassidy, who is detained at his home by illness, no decision was handed down by the supreme court covering the right of the LaFollette or the "stalwart" faction to be represented on the state ticket at the November election. The court room was crowded by attorneys and politicians anxious to hear the decision and its postponement was a keen disappointment. The condition of the chief justice was reported as much improved.
