A Cold Settled in His Kidneys.

A. J. Jenness, 9201 Butler St., Chicago, writes: "I am a switchman and am out in all kinds of weather. I took a cold which settled in my kidneys and I was in bad shape. I tried several advertised remedies with no benefit, until I was recommended to try Foley's Kidney Cure. Two-thirds of a bottle cured me." F. G. Fricke & Co.

Jacob Tritsch and wife went to Oklahoma Tuesday to visit friends and look after land interests.

A fruit tree in full bloom at this season of the year is indeed an oddity, yet that is what may be seen at the home of E. Palmer in the west part of

town. It is a blue plumb tree and bore a large crop of fruit which ripened about the middle of August and now is preparing for the second crop.

Will Ossenkop has purchased him a new driving horse. It is a pacer and said to be capable of setting a "hot pace."

Bernard Shelhorn died Thursday morning at 9 o'clock of Bright's disease. He was taken to Colorado several weeks ago with the hope that the change of climate would prolong his life, but he gradually grew weaker and Wednesday evening he was brought home and expired the next morning. He was fifty-four years of age, and leaves a wife, a number of relatives and many friends to mourn his death.

What's in a Name?

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co. of Chicago discovered some years ago how to make a salve from Witch Hazel that is a specific for piles. For blind, bleeding, itching or protruding piles, eczema, cuts, burns, bruises and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold by F. G. Fricke & Co.

Dean Stone, who left his farm north of town and went to Omaha to run a meat market, will return, not finding it a money making business.

The way potatoes are coming in leads one to suppose there was an unlimited supply in this section, which is about true. The buyer's only drawback is a lack of cars to load the tubers.

Mrs. A. N. Rouse died at an Omaha hospital last evening at 5 o'clock, and her remains will be brought to Greenwood Saturday morning on No. 5, which arrives at 10 o'clock. Funeral services will be conducted immediately after at the Christian church by Elder Utterback. Mrs. Rouse has been a resident of this vicinity for forty years, but the past two years she has lived near Plattsmouth.

The funeral of Mrs. B. B. McNurlin last Friday was largely attended by the neighbors and friends here and many from the east end of the county, where Mr. McNurlin and wife formerly lived. Mr. McNurlin has the sympathy of all in his bereavement.

The Rev. T. S. Fowler and family moved their goods to their home at University Place Monday. This takes from Greenwood one of the best, most scholarly ministers ever located here. He was broad minded and recognized a Christian. The name of the church he did not ask. The family will be missed from the social work of the church, but they have the good will and carry the best wishes of all our good people to their new home.

What is Life?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in constipation, headache or liver trouble. Dr. King's New Life Pills quickly re-adjusts this. It's gentle, yet thorough. Only 25c at F. G. Fricke & Co.'s drug store.

W. A. Swearingen, local agent of the Missouri Pacific, has accepted the offer of a similar position at the Plattsmouth station, the change to take place at once. Earl Kirkpatrick takes Mr. Swearingen's place here, for the present at least. The change is a merited promotion for Mr. Swearingen, as it gives him a position where there is less work at a little better salary. "Brick" has been a faithful servant here since April 17, 1901, at which time he succeeded Harry Willis as agent.

The home of Mr. and Mrs. Charles W. Frans, southwest of town, was a place of more than ordinary pleasure last Saturday evening, the result of plans made by Mrs. Easter, Miss Amelia Nitzman, Miss Ola Munn and other neighbors. Their provocation was Mrs. Frans thirty-sixth birthday, and the neighbors called that evening without invitation, a basket of good things being a guarantee of good intentions. The evening was spent very pleasantly by all, and a splendid supper added to the enjoyment, making it one of the events that will not soon be forgotten by the participants.

Do Not Be Imposed Upon.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. Ask for Foley's Honey and Tar and refuse any substitute offered, as no other preparation will give the same satisfaction. It is mildly laxative. It contains no opiates and is safest for children and delicate persons. F. G. Fricke & Co.

Nehawka

George Douglas of Lincoln came in Monday and can now be found back of the counter at Tom Cromwell's store. He is a brother of Judge Douglas of Plattsmouth, and a cousin of Mr. Cromwell. He is a very gentlemanly appearing man and we hope he may be well pleased with his new environment.

We received a letter from Leipsic, O., Tuesday containing the sad news that C. C. Hadsell had received a stroke of paralysis and but slight hopes for his recovery were entertained. He is our brother-in-law and a former resident of Cass county, having taught school for a number of years in this county, and was also one of the oldest printers of the county, having worked on the old Recorder of Weeping Water, (the first newspaper venture in that town) then on the Republican, the Little Eagle, afterwards The Eagle, then at Plattsmouth on the Journal, Herald and News. He left Nebraska for his Ohio home about ten years ago and has been in the government service since.

Cured of Bright's Disease.

Geo. A. Sherman, Lisbon Red Mills, Lawrence Co., N. Y., writes: "I had kidney disease for many years and had been treated by physicians for twelve years; had taken a well known kidney medicine and other remedies that were recommended, but got no relief until I began using Foley's Kidney Cure. The first half bottle relieved me and four bottles have cured me of this terrible disease. Before I began taking Foley's Kidney Cure I had to make water about every fifteen minutes, day and night, and passed a brick-dust substance, and sometimes a slimy substance. I believe I would have died if I had not taken Foley's Kidney Cure." F. G. Fricke & Co.

A JUDGE'S WIFE CURED OF PELVIC CATARRH

MRS. MINNIE E. McALLISTER.

She Suffered For Years and Doctors Failed to Give Relief—Cured by Pe-ru-na.

MRS. MINNIE E. McALLISTER, wife of Judge McAllister of Minneapolis, Minn., and Chaplain Loyal Mystic Legion of America, writes:

"I suffered for years with a pain in the small of my back and right side. It interfered often with my domestic and social duties and I never supposed that I would be cured, as the doctor's medicine did not seem to help me any. Fortunately a member of our Order advised me to try Peruna and gave it such high praise that I decided to try it. Although I started in with little faith, I felt so much better in a week that I felt encouraged.

"I took it faithfully for seven weeks and am happy indeed to be able to say that I am entirely cured. Words fail to express my gratitude. Perfect health once more is the best thing I could wish for, and thanks to Peruna I enjoy that now."—Minnie E. McAllister.

Miss Esther M. Milner, DeGraff, Ohio, writes:

"I was a terrible sufferer from female weakness and had the headache continuously. I was not able to do my housework for myself and husband. I wrote you and described my condition as near as possible. You recommended Peruna. I took four bottles and was completely cured. I think Peruna a wonderful medicine."—Mrs. Esther M. Milner.

Congressman Thad. M. Mahon, of Chambersburg, Pa., writes:

"I take pleasure in commending your Peruna as a substantial tonic and a good catarrh remedy."—T. M. Mahon.

Pe-ru-na Contains No Narcotics. One reason why Peruna has found permanent use in so many homes is that it contains no narcotics of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peruna does not produce temporary results. It is permanent in its effect.

As a tonic and nerve invigorator Peruna has no equal.

It has no bad effect upon the system, and gradually eliminates catarrh by removing the cause of catarrh. There are a multitude of homes where Peruna has been used off and on for twenty years. Such a thing could not be possible if Peruna contained any drugs of a narcotic nature.
