Happy New Year.

Not being urged by the universally accepted custom, but by pure gratitude toward all my friends and patrons I desire to extend to them my heartfelt wishes for a happy and prosperous new year. May all their undertakings meet with success and may all be able to do their share toward the welfare of humankind. I have received during the last year more proofs of friendship than ever before and only by such a rich support was able to bring my specialty, Triner's American Elixir of Bitter Wine, to the acme of perfection and to introduce it to many thousands of families. I was able to show that it is the best family remedy, because it regulates the digestion, strengthens the nerves and constantly renews the blood. If you will use it as soon as the slightest deviation of appetite or of love for work will be noticed, you will check the advance of many diseases. It protects you and upholds your strength and vitality. At drug stores. Jos. Triner, 799 So. Ashland Ave., Chicago, Ill. Mail 10c for the most beautiful wall calendar.

Perfection Attained.

Perfection can only be attained in the physical by allowing Nature to appropriate and not dissipate her own resources. Cathartics gripe, weaken, dissipate, while De Witt's Little Early Riser pills simply expel all putrid matter and bile, thus allowing the liver to assume normal activity. Good for the complexion. W. H. Howell, Houston, Tex., says: "For years I have used Little Early Riser Pills in my family. No better pill can be used for constipation." Sold by F. G. Fricke & Co., and Gering & Co.

Double Wedding.

Cards were out announcing the marriage of Miss Blanche Eveland to Mr. Rudolph Kuehn, to take place at the Eveland home on Thursday, December 28, and all of the guests had been invited, when it seems that something out of the ordinary happened, for about twelve o'clock Wednesday night Uncle Peter came to Murdock and called our liverman out of bed and in very short order Mr. O. W. Gillespie and one John Schwin was to their way to Plattsmouth, and about six o'clock in the morning they hammered Judge Travis out of bed and said they wanted a marriage license and wanted it in a hurry. So the license was issued to John Schwin and Gertrude Eveland, after which the parties returned in due time and four hearts instead of two were united in the bonds of holy matrimony. Rev. Emil Miller, an uncle of one of the contracting parties, performed the ceremony, and everybody present enjoyed a good time, after congratulations and a sumptuous repast had been partaken of by the guests.

Nigger Assaults a White Boy.

Considerable indignation is expressed over the brutal manner in which Jack Obanion, a colored cook at the Gibbon house, knocked Elmer Woods down, while the young people were skating on New Year's day. They were playing "shinny" and we are told that Obanion came up behind him with a heavy club and struck him a terrible blow in the back of the head which bled profusely. Dr. Hungate stitched the wound together. The question is what were the other boys doing while Woods was lying unconscious from a blow behind.—Weeping Water Herald.
