The Catalogue House.

If the catalogue house can spend a big sum of money in every county in the state, that ought to be a pointer to the local dealers. Let them convince their customers of the fact which they themselves believe to be true—that their prices are lower than the catalogue houses give, everything considered, instead of being higher. The best way, in fact almost the only way, to do this is by advertising in the local papers. Get a catalogue and in your advertisements make a comparison of prices. Don't mention the catalogue house by name necessarily but refer to the page in a the catalogue of a big mail order house on which the article quoted appears. A systematic and persistent and concerted effort along this line will knock out the mail order house in any locality, for the local dealer will make lower prices in the aggregate than the mail order house. If any of our readers doubt this we are willing to take the risk involved in the following proposition: Bring in the next bill you had intended to send to the mail order house and we will fill it for you here in Plattsmouth at a price at least as low as the mail order house would lay it down for. We have not seen the Plattsmouth dealers to learn whether or not they will back us up on this proposition, but we are very sure we will have no difficulty in making good. The proposition covers an ordinary bill of goods.

Our advice is: To the dealers—advertise. To the buyer—buy at home and save money thereby.

Time Tried and Merit Proven.

One Minute Cough Cure is right on time when it comes to curing coughs, croup, whooping cough, etc. It is perfectly harmless, pleasant to take and is the children's favorite cough syrup. Sold by F. G. Fricke & Co. and Gering & Co.

Double Wedding.

A double wedding occurred at St. John's Catholic church on Wednesday, May 3, 1905, at precisely the hour of 10 o'clock a. m. Mr. Ewald Ulrich and Miss Josephine Dietl, and Joseph Dietl and Miss Crescent Engl, were the contracting parties, and Rev. Father William Bradley officiated. At precisely the hour mentioned the happy couples marched into the church, to the music of Mendelssohn's Wedding March, Miss R. Scotten presiding at the organ. Mass was celebrated by Father Bradley, and the choir sang Bergman's mass. But few were in attendance.

These young people have made Cass County their home but a short time, but expect to make this city their permanent home. They are industrious, not afraid of work, and in starting out in married life, they have evidently a bright and prosperous future before them. And, in extending congratulations, the Journal hopes their fondest anticipations may be fully realized.

Strictly Genuine.

Most of the patent medicine testimonials are probably genuine. The following notice recently appeared in the Aetichson (Kan.) Globe: "Joe Tack, a well known engineer running on the Missouri Pacific between Wichita and Kiowa, lately appeared in a big one, with a picture, and when he was in this office today we asked him about it. He says he had terrific pains in his stomach, and thought he had cancer. His druggist recommended Kodol and he says it cured him. He recommended it to others, who were also cured." Kodol Dyspepsia Cure digests what you eat and cures all stomach troubles. Sold by F. G. Fricke & Co. and Gering & Co.

Anything you want in the wall paper line at Gering & Co.'s at the right price.

A Case of Contempt of Court.

The Lincoln Journal and Omaha World-Herald of Tuesday contain accounts of a case of contempt of court at Chadron, Neb. In which Judge Harrington officiated as Judge of the district court and Judge A. W. Crites, a former citizen of Plattsmouth figured as the attorney. It seems that Judge Harrington had warned Mr. Crites not to propound certain questions to a witness he was examining, in a manner that the Judge had prescribed. But, as our people know Mr. Crites' shrewdness, got out of the witness just what he wanted by asking the question in another way. This riled the judge and he fined Mr. Crites \$10 for contempt of court, and committed to jail until it was paid. Mr. Crites went to jail, but did not remain any longer than he could get a telegram to Chief Justice Holcomb at Lincoln, who gave orders for his release, and now the matter will be settled in the supreme court. Some judges on the district court bench "feel their oats" too much sometimes, and let their prejudices get the upperhand of them in many of their acts, but generally the supreme court takes the starch out of such fellows when they get an opportunity.

A Scientific Discovery.

Kodol Dyspepsia Cure does for the stomach that which it is unable to do for itself. Kodol Dyspepsia Cure supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol Dyspepsia Cure digests what you eat and enables the stomach and digestive organ to transform all food into rich, red blood. Sold by F. G. Fricke & Co. and Gering & Co.
