A. H. S. vs P. H. S.

On last Saturday the Plattsmouth high school team met defeat at the hands of the Ashland high school team in that city by a score of 4 to 1. Although they were defeated they are proud of the score and the way the Ashland team treated them while they were there. They stopped for dinner at a swell restaurant and were otherwise royally entertained and "Quack" Loyd succeeded in getting rid of two pieces of pie besides the big dinner which he ate.

Richey "fanned" the first five men up to bat; Morgan made the only score; Man did exceedingly well at bat; Fitzgerald hurt his hand which caused him to overthrow his first twice, letting Ashland make two scores. Besides this the game was errorless.

There are a few in this community that have corn planted. The little child of Mr. and Mrs. H. E. Smith is very sick with fever. Ground has been broken on the lot just east of the bank for Ed Williams' new residence.

Mrs. James Snoko went to Lincoln last Saturday to remain for several weeks and take treatment at the Sanitarium.

Mrs. Finke and son who have been visiting among relatives here for the past four or five months left last Saturday for their home in Wisconsin. Mrs. Finke is a niece of Mrs. C. Wettenkamp, Sr.

L. Canfield of Bennet, arrived in town yesterday morning from Albuquerque, N. M., where he had been helping take care of Charlie Michael who has been very sick with typhoid fever. He said that when he left there Tuesday night, Charlie was much better and on a fair road to recovery.

James Burdick of DeSmet, So. Dakota, who has been at Hot Springs, Arkansas, taking treatment for rheumatism during the past four or five months, arrived here Tuesday on his way home. He says he is much better than when he went there which his friends here will be glad to learn.

Last Friday Mrs. Ed Carr met with a very painful accident. While running a washing machine she got her right hand caught in the cogs and was not able to get it out. As there was no one else about the house at the time she had to wait in that condition until she could see someone passing and call for help. About a half hour later Jas. Snoko happened to be passing and she called him in, but he could not get her hand out and went to the field for Mr. Carr. Dr. Jester was called to dress the hand and found the flesh on the first finger badly lacerated and torn from the bone. The bone was not broken and the finger can be saved, but will likely be left stiff in the first joint.

Sometimes a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes a cough hangs on so long you feel as if nothing but dynamite would cure it. Z. T. Gray of Cahoon, Ga., writes: "My wife had a very aggravated cough which kept her awake nights. Two physicians could not help her, so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep and finally cured her." Strictly scientific cure for bronchitis and la grippe. At F. G. Fricke & Co.'s drug store; price 50c and \$1.00; guaranteed. Trial bottle free.

Warning. You cannot have good health unless your kidneys are sound, for the kidneys filter the blood of impurities which otherwise act as irritating poisons and break down the delicate organs of the body and cause serious trouble. If you have kidney or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases. F. G. "I owe my life, without doubt, to Ayer's Sarsaparilla. It is the most wonderful medicine in the world for nervousness. My cure is permanent, and I cannot thank you enough." MRS. DELIA McWELL, Newark, N. J.

for Poor Health

Corn planting is now in full force in this locality from early in the morning till late at night.

An Interesting Event. The Plattsmouth Turnverein is arranging for a big exhibition at the Parmele theatre, Wednesday night, May 17. Many new features will be introduced in the way of drills. It is to be the finest exhibition of gymnastics ever produced in this city. Dumb-bell and wand drill, reed exercises, in connection with fancy steps by the ladies' class, will beat anything ever put on in this opera house. Then the turning on the horizontal bar, side and vaulting horse, gymnastic games and pyramids. Several special numbers will include baton-juggling by E. A. Brodie; and in the musical line, a solo by R. W. White and a flute solo by Chas. Winn, of the Iowa State band. The exhibition will prove worthy of the attendance of a large audience, and not only this, but it is a home affair and should receive the support of the amusement loving people of Plattsmouth and vicinity. Program will follow later.

After Fourteen Years. About fourteen years ago, while engaged in doing the family washing, Mrs. I. S. Wooster's hand came in contact with a pin, which caused a slight flesh wound near the second joint of the thumb. It was not known until a few days ago that a piece of the pin still remained in the thumb, and fearing the consequences of blood poisoning, the patient was advised to go to a hospital in Omaha and have the pin removed which was successfully accomplished. Although the many years that have elapsed, it looks very strange that Mrs. Wooster has never experienced any pain in the thumb until this spring.

Mother Saved By Children. Mrs. Theresa Kromar of Manitowoc, Wis., explained to us what her children have done for her. "I am an old lady," she said. "The years have taken all strength from me and I was prepared for the end of my days. Then my children brought me Triner's American Elixir of Bitter Wine which indeed worked like a miracle. Although I took it in small doses only, I noticed how quickly I was gaining in strength; my appetite returned and my whole body was refreshed and strengthened. I would not be now without this excellent tonic—my only hope—and I wish to recommend it to all sick, old and feeble persons." Triner's American Elixir of Bitter Wine makes new blood, gives full strength to the stomach, and it is the only remedy making the digestion of all food complete. In all maladies of the stomach it is the remedy to be relied upon. At drug stores. Jos. Triner, 739 So. Ashland Ave., Chicago, Ill.

Cheer Up--Don't Get Blue. Cheer up. The world is taking your photograph. Look pleasant. Of course you have your troubles, troubles you cannot tell the policeman. A whole lot of things bother you. Of course. Business worries or domestic sorrows, it may be, or what not. You find life a rugged road. Whose stones hurt your feet. Nevertheless—Cheer up. It may be your real disease is "selfishness"—ingrown selfishness. You imagine your tribulations are worse than others bear. You feel sorry for yourself—the meanness of pity. It is a pathetic illusion. Rid yourself of that, and—Cheer up.

What right have you to carry a picture of your weebegone face and funeral way about among your fellows, who have troubles of their own? If you must whine or sulk or scowl, take a car to the unfrequented lanes—Cheer up.

Your ills are largely imaginary. If you were really on the brink of bankruptcy, or if there were no thoroughfare, through your sorrows, you would clear your brows set your teeth and make the best of it—Cheer up.

You are making a hypothetical case out of your troubles and suffering from a self-inflicted verdict. You are borrowing trouble and paying a high rate of interest—Cheer up.

Why, man! In ten minutes' walk you can see a score of people worse off than you are. And here you are digging your own grave and playing pall-bearer into the bargain. Man alive, you must do your work. Smile, even though it be through your tears—which speedily dry—and—Cheer up.

Recommend PARACAMPH as a Most Reliable First Aid to the Injured. Many people in this city are injured daily, and oftentimes serious results follow simply because the injury was not properly cared for in the beginning. It is not always possible to secure a physician at a moment's notice. Many deaths are caused by negligence and delay. Blood-poisoning often results from bad cuts, gun shot wounds, etc., because the wound is not properly treated promptly.

Paracamp is a simple, inexpensive remedy which every family should keep in their homes every day; every factory, manufacturing plant and large institution should keep Paracamp near at hand. It is conceded by medical authorities to be a most reliable, relieving, soothing and healing agent. It not only stops pain quickly, but it heals wounds without leaving ugly scars and absolutely prevents blood-poisoning.

Paracamp is truly a home remedy and every bottle is guaranteed to be pure, safe, clean, and to do exactly what is claimed for it. If you do not keep Paracamp in your home, get a bottle today. It is just as necessary in your home as good soap and water.

You will find it excellent for quickly relieving Rheumatism, Neuralgia, Sore, Tired Feet, Skin Troubles, Catarrh, or any form of Swelling or Inflammation.

Sold only in 25c, 50c and \$1.00 bottles by all good druggists.—The Paracamp Company, Louisville, Ky., U. S. A.
