The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

### Public is Aroused.

The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters, of 546 St. Clair Ave., Columbus, O., writes: "For several months I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak, from useless doctors' drugs, that I could not eat. Soon after beginning to take Electric Bitters, I obtained relief, and in a short time I was entirely cured." Guaranteed at F. G. Fricke's drug store; price 50c.

It is not enough to see young girls pacing up and down the streets with their sleeves pushed up to their elbows, but the boys are getting into the habit, also.

# A COMRADE OF GENERAL GRANT

Says: "I Do Not Believe Pe-ru-na Has a Superior."

COL. BENJ. F. HAWKES.

Col. Benj. F. Hawkes, of 611 G street, S. W., Washington, D. C., is one of the three living comrades of General Grant in his cadet days at West Point. In a recent letter this venerable gentleman says of Peruna:

"I have tried Peruna after having tried in vain other remedies for catarrh, and I can say without reservation that I never felt a symptom of relief until I had given Peruna the simple trial that its advocates advise. I do not believe it has a superior either as a remedy for catarrh or as a tonic for the depressing and exhausted condition which is one of the effects of the disease."—Benj. F. Hawkes.

### The Greatest Family Medicine Ever Discovered.

Hon. Wm. G. Hunter, ex-member North Carolina Legislature, Washington, D. C., as follows:

"The greatest family medicine ever discovered, in my opinion, which comes from experience as well as observation, is Peruna. The most common affliction to humankind is a bad cold. Peruna drives it out of doors, warms off catarrh, invigorates and gives fresh strength to mind and body. I give Peruna my unqualified endorsement."—Wm. G. Hunter.

### Cure of Catarrh of the Stomach Cured by Pe-ru-na.

Jas. T. Jakeman, President Elder Mormon Church, Salt Lake City, Utah, writes:

"I should be and am a very grateful man for having been recommended the use of Peruna for catarrh. I had a chronic case of catarrh of the stomach and my system was so filled with different remedies that I had taken, that I desisted at the sight of a medicine bottle. Peruna was a last resort and it did cure me, but cured me in about three

months and I feel that it is a wonderful remedy and gladly give my experience from its use."—Jas. T. Jakeman.

### Pe-ru-na Proved a Life Saver.

Mr. Louis Byrens, auctioneer, commission merchant and business broker, 436 1/2 Richmond street, London, Ont., writes:

"I had been a sufferer with what physicians diagnosed as chronic catarrh. I thereby lost the necessary speaking faculties, which almost caused me to discontinue the business of auctioneer.

"After spending several hundred dollars for various medicines and doctor bills without avail, your wonderful remedy, Peruna, was recommended to me.

"After using several bottles of this life saver, I found relief, and I am again capable of conducting my auction sales. I wish to convince others, likewise afflicted, of the merits of your great remedy."—Louis Byrens.

### Thousands of Testimonials.

We have on file thousands of testimonials like the ones given here. We can give our readers only a slight glimpse of the vast array of unsolicited endorsements of Peruna which we are constantly receiving.

### A Cruel Joke.

A young lady of this city played a cruel joke on her mother not many days ago, which was told to a Journal reporter today.

The daughter happened to find a love letter written by her father to her mother in their babyhood days of courtship. She read the letter to her mother, substituting her name for that of her mother and telling the old lady it was from her lover. The mother raved with anger and stamped her foot in disgust, and forbade her daughter having anything to do with a man who could write such sickening, nonsensical stuff to a girl. The girl then handed the letter to her mother to read, and the house suddenly became so quiet they could hear the grass grow in the back yard.

### Soothing and Cooling.

The salve that heals without a scar is DeWitt's Witch Hazel Salve. No remedy effects such speedy relief. It draws out inflammation, soothes, cools and heals all cuts, burns and bruises. ### Mad Capers of the River.

The Glenwood, Iowa, Opinion says: "The river is cutting into its old channel on the west side of Hobo Island. This will be good news to the people of Mills county, as it will thus throw the river away from Henton station and return to Iowa all of the land known as Hobo Island. This island is becoming depopulated, many of the farmers moving to Bellevue and other places in Nebraska. Since the flood they are in a state of fear that they may be drowned out. Peter Marko had 200 acres on the Nebraska side near Bellevue and it is all gone. During the recent flood fifty acres of it was eaten up by the hungry Missouri river within one week.

Pe-ru-na is a Catarrhal Tonic Especially Adapted to the Declining Powers of Old Age.

In old age the mucous membranes become thickened and partly lose their function.

This leads to partial loss of hearing, smell and taste, as well as digestive disturbances.

Peruna corrects all this by its specific operation on all the mucous membrane of the body.

One bottle will cure (see anyone. Once used and Peruna becomes a life-long stand by with old and young.

Mr. Charles F. Benetton, Truesdell, Mo., writes: "I have followed your instructions for the

past month and am now as well as I can be at the age of eighty-

four years. I thank you for your valuable instructions and advice. I first used Peruna fourteen years ago when my health was so bad that I had no hopes of staying many days, and after using it I began to pick up. It has helped me ever since. I feel well, but will always have Peruna as my companion."—Charles F. Benetton.

### Suffered a Number of Years From Systemic Catarrh.

Used Peruna as Last Resort, Now in Good Health.

Mrs. E. Schoneker, 220 1/2 S. Olive St. Los Angeles, Cal., president Girl's Friendly Society, also secretary South Los Angeles Travelers Club, writes:

"I was for a number of years a sufferer from systemic catarrh. I was very nervous and run down, my appetite had failed me and my sleep was not restful. I had lost much in weight and looked like a very sick person. My physician advised a change of climate and the medicine I took only gave me temporary relief.

"I tried a bottle of Peruna as a last resort and was greatly pleased to find that I felt much improved in a general way and then I bought several bottles more.

"I am now in good health and have a good appetite and sleep well. I cannot say too much for Peruna and for what it has done for me."—E. Schoneker.

### Pe-ru-na Contains no Narcotics.

One reason why Peruna has found permanent use in so many homes is that it contains no narcotic of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peruna does not produce temporary results. It is permanent in its effect.

### Telephone Man Again Arrested.

The controversy between R. W. Sample and the Home Telephone company is still in progress. Being denied the privilege of moving his home east on Twenty-fifth street, Sample moved the building up onto Twenty-sixth street and demanded that he be allowed through there. This was also refused and he swore out a warrant in police court for W. J. Stadelman, the manager of the company. Stadelman was arrested and his case continued until next Tuesday. It is understood that Sample will now go to Twenty-seventh and attempt to go through there. What the outcome will be remains to be seen.—Kearney Hub.

### A Mighty Mean Man.

Some time ago on the Titus Nursery near Nemaha, several buildings were burned, and while Mr. Titus was in Auburn settling with the insurance company, his barn was also burned. It now develops that the fires were the work of an incendiary who previously sent a threatening note to Mr. Titus, the owner, demanding that he place \$500 in a sack in a convenient place, and if his demands were not met the buildings would be burned and stock poisoned. Officers are now trying to locate the firebug.—Weeping Water Herald.

### Degenerates of the First Water.

Two sympathetic traveling men who were waiting for their train at Nebraska City last Friday evening, volunteered to assist in the search for the two young boys who were drowned in the Missouri river. While doing so some degenerate or degenerates, without fear of the great hereafter, stole from the pocket of one \$80 in cold cash, and from the shirt front of the other a valuable diamond stud, while their clothing lay on the river bank. This is one of the meanest tricks ever recorded. William Geldey and A. N. Carraway are the names of the warm-hearted but unfortunate traveling men.

### Dangerous and Uncertain.

For sunburn, tetter, and all skin diseases DeWitt's Witch Hazel Salve has no equal. It is a certain cure for blind, bleeding, stinging and protruding piles. It will draw the fire out of a burn and heal without leaving a scar. Blisters, old sores, carbuncles, etc. are quickly cured by the use of the genuine DeWitt's Witch Hazel Salve. Accept no substitute, as they are often dangerous and uncertain. Sold by F. G. Fricke & Co., Gering & Co.
