The three young men belonging to the advertising car of the Hall shows who have been in the city for the past week received orders today to proceed to Farmington, Iowa, and bill that town. They left accordingly. They say positively the show will be in Plattsmouth some time early in September.

The migrating land seeker follows the trend of good prospects for crops so closely nowadays that any one section cannot have a good show for crops long without being over-run with land lookers, indicating that there are, in this great country of ours, a liberal supply of landless. The man who is waiting for land to get cheaper will wait in vain from now on.

In an old copy of the Journal we note the following item: "Conrad Schlater has tapped many of his maple trees this spring and succeeded in making a fine article of sugar. He is a pioneer in its manufacture in this state and receives his reward in the richness of his feed, while other poor mortals have to eat adulterated stuff."

This was several years before Mr. Schlater took up his residence in Plattsmouth.

F. M. Richey returned yesterday from a week's trip through the western part of the state including Wyoming, Orleans and Arapahoe. Mr. Richey is enthusiastic over the glorious crop prospect. The state is one vast granary and there are not enough people to take care of the great output of golden grain. Many thousands of bushels have gone to waste. Corn too is excellent everywhere. **C. A. Rawls, Lawyer. Probate and general practice. Office of County Attorney.**

The people of Plattsmouth are still after "more light," even if their wishes are not satiated. Merchants who have the best interests of the city at heart should come out and say they favor lighting the town. Have we not been in darkness about long enough?

Father Schmuettgen of Howells, Neb., stopped over night with Father Bradley. Father Schmuettgen is on his way home from a visit to Germany and has brought his sister with him from the old country. Father Schmuettgen is an old school fellow of Father Bradley's.

If you see a well dressed man 22 years old and smooth faced driving a team of white ponies, 5 years old, and attached to a black buggy with red running gear, just nab the man and inform C. E. Case, sheriff at Fairbury, Neb. The young man stole the team and there's \$50 in it for you if you catch him.

A Kansas paper boasts that there are two sisters in the "city" in which it is published, who quarrel every day because they both want to do the heavy part of the housework which is divided between them. We know two sisters in a town not a thousand miles from Plattsmouth that even fuss because they have to get up to eat breakfast—after mother has cooked it.

"Back to the simple life," murmured Dr. Elster as he alighted from the Chicago train this morning. He and Mrs. Elster and the baby have been enjoying an outing in Ann Arbor and Detroit, Mich., including some excursions on the lakes. They report a delightful time but the temperature here seems very oppressive after the cool breezes of the northern lake port.

Look to your wells and see that the water is not contaminated. Allow no cess-pools to form about your place and cut down the weeds in your back yard.

There are many cases of sickness from fever and these evils mentioned in this paragraph are potent factors in promoting ill health at this time. If your neighbor went out his weeds voluntarily and cut them for him. Typhoid fever is not contagious, we believe, but with all conditions such as weeds and bad water favoring the disease an epidemic may be expected, and the new mound in the cemetery may contain some one that is dear to you.

- This man sells eatables and wearables, or in other words Dry Goods and Staple and Fancy Groceries. He sells the Famous Gold Medal Flour and the Yale Coffee. He also has a big stock of Imported China and Queensware, and is agent for the best Insurance Company on the face of the globe—the Phoenix. What is his name?
- It will have to be a funny shaped man that could not get a fit here, where they sell the always fitting Kirschbaum Clothing and the Stetson and Beaver Hats. They have everything and anything in Gents' Furnishings and always aim to give you the very best for less money than any of their competitors. What is the name of the firm?
- Thirty years to perfect a Range. The manufacturer of the Majestic Range has made that one Range a study for 30 years. That's all they make. So, is it any wonder that it is perfect than any other Range that has been made? There is nothing like having only one iron in the fire. It is so much easier to watch than a dozen. The minute the Majestic manufacturers starts to make a heater, cast stove or anything else, then they divide their energy. Force of necessity was the cause of the making of the first Majestic, and now the world feels the need of them more and more every day. Who sells the Majestic?
- This is the store where you can buy 20 lbs of granulated sugar for one dollar; where they sell Dry Goods, Clothing, Notions and Millinery, and the finest Cloaks you ever saw for less money than you can buy them west of the Mississippi river. You ought to see their new fall goods, ladies, and you gents, don't fail to get their price on Tailor Made Suits. You can get more coupons here than any other place in the city. Who is the proprietor?
- This is the place "Where Quality Counts." Where they sell the best Clothing on earth at "one price and no monkey business." Get your Clothes here and be satisfied.
- Who is the most scientific up-to-date Watch-Maker and Jeweler in Plattsmouth? He carries the finest and best stock of Watches you ever saw. His prices, goods and methods of business are customer winners, and if you don't believe it give him a trial. Who is he?
- Where can you get the finest and best drugs in the city? Right here they carry everything in Drugs, Toilet Articles, Notions, Oils, Brushes, and where they sell the best sodas in this part of the state. What is the firm's name?
- Who sells the May Mouton Bazaar Glove-fitting Patterns, the "Better than Ever" R. & G. Corsets? The man who always has such a choice stock of Dry Goods, Dress Goods and Groceries. The place where all up-to-date in styles ladies go for up-to-date patterns. Who is he?
- Don't expect to get anything for nothing. The nearest you can come to that is to buy your goods from the man who sells the Henney Buggies and the Moline Plow Co.'s goods, and Gilman's Best Flour. He has a complete stock of Groceries and is closing out his Shoes and Children's Ready-to-Wear Clothing at half price. Who is he?
- In time of peace prepare for war, and in time of heat prepare for cold, by buying your Hard and Soft Coal from the man between 4th and 5th streets. He sells not only Coal, but also Groceries, Queensware, Flour and Feed. He is the only man who sells it. Golden Belt Flour and Columbus Coffee, and for this week he will sell his big stock of Japanese China at half price, and give 50 coupons with every set. Who is he?
- For a good drive, for a place to keep your horse, for a place to buy your buggy right, and your threshing machine and supplies for less money than anywhere else, go to the man up the Hill who keeps a Livestock and Sale Stable. Who is he?
- When you are looking for a thing that makes life's walk easy, this is the place to come. It is our business to fit your feet with the best on the market. For men, we have the Howard & Foster famous shoe and the Dr. Reed's cushion insole. For ladies the Julia Marlowe and the shoe that needs no breaking in—the John Cross Shoe. What is the firm's name and when was the firm established?
- This firm is new in town but old in the business. Our goods, our prices and our methods of doing business are customer winners. We have to offer you the products of a soda fountain that for quality of goods is hard to excel. For a nice hot summer evening, you can find nothing more acceptable than what we can offer you in this line. If you are in doubt as to where the place is, just ask anyone you see, who it is that carries the "Lows Brothers' Paint; anyone can tell you that it is the drug firm who carries a full and complete line of pure Demos, and a complete line of Wall Paper. The aim is to carry a full line of everything that goes in our line. We reduce the "just out" remark to a minimum by so doing, on business principles. We solicit your patronage. What is the firm name?
- This firm has the honor of being able to offer the public a grade of soda fountain products that are not surpassed by anything that can be found in the city. They are the largest distributors of Spaulding's Sporting goods in town and handle a fine line of Cigars and Tobaccos, and a complete line of musical goods. Everything in the book line. Who is he?
- This is a Clothing Store for horses. It's the place where you can buy the famous Noxall Collars for your horses, and they will smile when they feel the fit. Its the place

where the best Horse Blankets in the city are sold. If you are in doubt as to who it is, just ask anybody you meet who makes the best harness in town and who carries the largest stock of everything in the harness line. Who is he?

Just a word friends. We are equipped to handle the trade that comes to us on principles that are customer winners, about our goods. We feel that quality should always be considered, and when it is, we can give you goods that are hard to duplicate for the same money. When in need of anything in the Jewelry line, Cut Glass or Silverware, call on the man who is giving away a piano. Who is he?

This is the largest store of its kind in the city and has only one close competitor in the state. We carry a full line of Books, Stationery, Cigars, Cut Glass and fine China. We make it point to treat our customers fairly and make right anything that the customers are dissatisfied with. We handle the Oliver typewriter. What is the proprietor's name?

This is where money grows. We have the only savings department in connection with our bank that can be found in the county. We pay a higher rate on savings than on certificates, or than any other bank pays on certificates. There can be no better advice given to a young man than to "start a bank account." For anything in the banking business call and see us. Who are we?

This proprietor has been in the business for 25 years. He aims to keep a full and complete line of the best, in all sizes synonymous with best. We have for men, the famous "Florsheim," the "Ralston Health," and the "Douglas." For ladies the celebrated Marsloff and the Utz & Dunn. Everything in shoes. Who is he?

One of the neatest places in town to get a good lunch or meal is at the place where they have four tables and a fine lunch counter. Its the place where you can get the best cup of coffee in the city. Where they always have a fine line of oysters whenever in season and remember the season is nearly on. Come in and see us. What is the proprietor's name?

We are the leading distributors of the famous John Gards' beer. We can give to our customers the benefit of a long experience in handling leading drinks that are found on the market. We sell the famous Gukenheimer and McBrayers whiskies. Our rooms are attractive and our treatment right. Call and see us and be convinced. What is the proprietor's name?
