Immediately following the ceremony a reception was held at the home of the bride's grandfather, where light refreshments were served by Misses Ellen Windham, Helen Chapman, Margaret Mauzy and Inez Dovey, to a large number of invited guests, who extended hearty congratulations and best wishes for the future happiness of the bride and groom.

The Show Last Night. The Gollmar Bros. shows have been and went, and they carry with them the best wishes of all our people. A clever show never entered any town or city. The attendance last night was quite satisfactory to the proprietors, as the number of tickets indicated over two thousand present. Over two thousand tickets were sold at the ticket wagon, and the number of complimentary given out was quite large. Everyone that attended either day or night give the management great credit for the manner in which the show is conducted. Quite a Curiosity.

A Journal reporter saw today a young bull pup about two weeks old, that was born with only three legs and has a stub tail. The pup belongs to George Black, and it moves around with the same alertness as though it had four legs. It is quite a curiosity, in the fact that we never heard of a similar case.
