

# PRETTY WOMEN & PROMINENT MEN CURED BY PE-RU-NA.

MISS ELEANOR M. GARDNER,  
135 State St., Salem, Ore.

MISS MARY CRAWLEY, 241 S. Madison Ave., LaGrange, Ill.

REV. HOWARD FLORY,  
612 1/2 Broadway,  
Los Angeles, Cal.

MRS. ELIZABETH REUTHER,  
107 W. 40th St., New York City

## Pe-ru-na Has a German Baron's Heartiest Endorsement.

Baron J. M. Vendenheim, 1229 G street, N. W., Washington, D. C., writes:  
"For a long time, until I came into this climate, I had congratulated myself upon having a perfectly sound pair of lungs. But I began to have little coughs and annoying colds that shook my faith in my breathing apparatus. This continued two winters until I had lost health and strength to an alarming degree. Peruna cured me and restored my strength. You are at liberty to use my heartiest endorsement of Peruna as a medicine and tonic for colds, coughs and as a tonic."—J. M. Vendenheim.

## Pe-ru-na Has Many Friends.

Miss Eleanor M. Gardner, 135 State street, Salem, Ore., writes:  
"I am very pleased with the results obtained from the use of Peruna. A few months ago I contracted a severe cold and cough. After using a little more than two bottles of Peruna the cold left me and the cough disappeared."  
"I don't know just what to take now when I contract a cold and will not let it get such a hold on my system. Your

medicine has many friends and well deserved."—Eleanor M. Gardner.

## As Sure as Fate.

There are some things which are as sure as fate, and can be relied on to occur to at least one-half of the human family unless means are taken to prevent them.  
First, colds not promptly cured are sure to cause enteritis.  
Second, catarrh improperly treated is sure to make life short and miserable.

## A Letter to Catarrh Sufferers.

Miss Mary Crawley, Treasurer LaGrange Rooms Club, 241 S. Madison avenue, LaGrange, Ill., writes:

"I trust everyone suffering from systemic catarrh will read this letter, and will profit by it. I was in a very bad shape indeed when I began to take Peruna, and my friends, as well as myself, were very much alarmed over my condition. I was nervous, slept badly, my food did me no good and I was always tired.  
"I took three bottles of Peruna and felt like a new woman. However, I did not stop there, and kept on taking it for a while longer and broke my gradually until I had taken eight bottles. Then I felt completely cured and have remained so since. I am glad to recommend Peruna."—Mary Crawley.

## The Destructive Power of Catarrh.

Catarrh spares no organ or function of the body. It is capable of destroying sight, taste, smell, hearing, digestion, secretion, assimilation and excretion. It pervades every part of the human body, head, throat, stomach, bowels, bronchial tubes, lungs, liver, kidneys, bladder and other pelvic organs.

## The Curative Powers of Pe-ru-na.

There is no fact in medical science better established than that a teaspoonful of Peruna before each meal will absolutely protect a person from catching cold. Now, if this is true (and there is no doubt of it), thousands of lives would

be saved, and tens of thousands of cases of chronic catarrh prevented, by this simple precaution within reach of every one.

Peruna is not simply a palliative to relieve some of the distressing symptoms. It is a permanent and radical cure.

## Thousands of Testimonials.

We have on file many thousand testimonials like the ones given here. We can only give our readers a slight glimpse of the vast array of unsolicited endorsements we are receiving every month. No other physician in the world has received such a volume of enthusiastic letters of thanks as Dr. Hartman for Peruna.

## Rev. Flory Much Pleased With Pe-ru-na.

Rev. W. Howard Flory, 622 S. Broadway, Los Angeles, Cal., a minister with Progressive Brethren, a branch of the Dunkards, also a lecturer and a leader in reform movements in connection with capital and labor, writes:  
"I am very much pleased with Peruna, as it cured me of catarrh which I had suffered with for many years, and which I thought I would never be rid of. All the medicines I had taken only relieved me for a short time and I was pretty discouraged when I began using Peruna.  
"A few doses convinced me it was doing me much good, and when it finally cured me and there was no catarrh left in my system it seemed all too good. I find that my cure is permanent and I shall guard against another case of catarrh by taking Peruna as soon as I contract a cold."—W. Howard Flory.

## Suffered Several Years—Health Restored by Pe-ru-na.

Mrs. Elizabeth Reuther, 107 West 40th street, New York City, member board of Directors North End Club Association, writes:  
"I am pleased to endorse Peruna as a splendid medicine for catarrh and stomach trouble from which I suffered for several years. I took it for several months and at the end of that time found my health was restored and have been plentifully ever since. I now take it when I contract a cold and it keeps the system free of catarrhal tendencies."—Elizabeth Reuther.

Mr. and Mrs. J. H. Shanbarker were the victims of a surprise last Thursday evening, when a number of Odd Fellows and their wives went over to tender them a farewell reception, before they take their departure for their new home in Oregon. A royal good time is reported.

## Elmwood

From the Leader-Echo.

George Baell has purchased the unimproved Albert Wallinger eighty, five miles northwest of Elmwood. Consideration \$7,000.

Charlie Peck went down to Union Wednesday. The Modern Woodmen had a class of sixteen to initiate that night and the boys wanted Charlie to come down and help the good work along.

E. T. Comer's team became unmanageable Monday evening and upset the wagon, throwing "Gene" to the ground and bruising an arm quite bad. The overturned wagon prevented the team from running very far.

Henry Stanford came near having one of his legs broken Friday evening from being kicked by a horse. He was rendered unconscious by the blow, but fortunately no bones were broken, although the flesh was considerably lacerated. He was standing quite close to the horse, consequently did not receive the full force of the kick.

Ernest, the five-year-old son of Mr. Mrs. Henry Hauschild, died Monday evening of last week from rheumatism of the heart, and was buried on the following Wednesday at North Branch cemetery, twelve miles southeast of Elmwood. This is the fifth child Mr. and Mrs. Hauschild have lost in recent years. Mrs. Hauschild is a sister of Mrs. Louis W. Roettger of this city.

Mr. H. H. Swarts and Miss Marie Backemeyer were united in marriage at six o'clock Sunday evening, November 19, at the home of the bride's parents, the Rev. and Mrs. F. Backemeyer, Rev. A. Wichman, pastor of the German Evangelical association, performing the ceremony. The wedding was a very quiet one, only near relatives of the contracting parties being present.

## Man's Unreasonableness.

is often as great as woman's. But T. S. Anstin, mdr. of the Republican of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick, she could hardly leave her bed, and five physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed by F. G. Fricke & Co., druggists, price 50 cents.

## Nehawka

From the Register.

Otto Carroll and George Pittman commenced shelling their corn crop last Saturday.

J. L. Smith is the first to report having finished gathering his corn crop. He got it all cribbed last Friday.

Charles Crabb and Al Despain of Plattsmouth spent Sunday with the former's brother. They have about completed the new barn for Malcolm Pollard.

Joseph Malcolm has been a very sick man during the past week, but he commenced improving Monday, and at this writing is some better, but is yet a very sick man. His recovery is assured but it will take time.

Misses Chloey and Isabel Tanner of Weeping Water husked and cribbed 115 bushels of corn Monday, the 12th inst. Can any other two girls in Cass county or any other county in this, or any other state beat that? We wager peanuts no other two can. They may not be adepts on the piano, but they do know how to work, and that is more to their credit than being a parlor attraction.

At the watch contest that was held last Saturday evening Perry Neal held the lucky number for the gold ticker, but after handling the beauty for about a second, sold it to Mr. Davidson for a six dollar bill. The writer has promised his girl a gold watch and has purchased enough numbers to let him close enough to hear it tick, then Perry got his work in, and said his girl was from Missouri. Our girl is prostrated over the thought that without a "time piece" she may get old without knowing it—awful.

## No Case of Pneumonia on Record.

We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause constipation, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. F. G. Fricke & Co.

Mrs. W. L. Taylor has been very ill for some time, and Wednesday morning Mr. Taylor took her to Omaha with a view of having the hospital surgeon, Dr. Allison, perform an operation for appendicitis. It was finally decided that her weak condition made an operation inadvisable at that time and that she might avoid an operation and get along better by returning home for care and treatment.
