

Every Two Minutes

Physicians tell us that all the blood in a healthy human body passes through the heart once in every two minutes. If this action becomes irregular the whole body suffers. Poor health follows poor blood; Scott's Emulsion makes the blood pure. One reason why

SCOTT'S EMULSION

is such a great aid is because it passes so quickly into the blood. It is partly digested before it enters the stomach; a double advantage in this. Less work for the stomach; quicker and more direct benefits. To get the greatest amount of good with the least possible effort is the desire of everyone in poor health. Scott's Emulsion does just that. A change for the better takes place even before you expect it.

We will send you a sample free. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy. SCOTT & BOWNE Chemists 409 Pearl St., N. Y. 50 cents and \$1.00 All druggists

The Wheat Crop O. K.

We have talked with numerous farmers during the past week relative to the condition of the wheat. Without an exception they all agree that the wheat has passed through the winter apparently without injury or winter-killed in the least, and with the present condition the ground is in the fields will get an early start and the prospects for a bumper crop of wheat never has been equalled in Cass county.

A Conflagration Prevented.

A disastrous fire was prevented Saturday at John Hinz's place five miles northwest of town, by the timely discovery of the blaze by one of his boys. The shingles had caught fire in some manner, and the roof was threatened for a short time on account of the strong wind that was blowing, but with several buckets of water the flames were extinguished.

Iowa Town Up Against It.

G. W. Alexander, mayor of Chariton, Iowa, is in the Inebriate asylum at Knoxville, and the other day the city clerk was sent over with a request for the mayor to resign. This Alexander refused to do, and the superintendent of the asylum says he cannot get out for six months, so now the council of that burg are wondering "where they are at." And all this in poor old prohibition Iowa! My, my, but that's awful.

"Cut it Out"

says many a doctor to his lady patients, because he doesn't know of any medicine that will cure female troubles except the surgeon's knife. That such a medicine exists, however, is proved by thousands of cures made by

WINE OF CARDUI

Cures Womb Disease

It has saved the lives of many weak, sick women and rescued others from a lifetime of chronic sickness. It will cure you if you will only give it a chance. Try it. Sold by all druggists and dealers in \$1.00 bottles.

GAVE UP SUPPORTER.

"I was a supporter for four years, to keep up my womb," writes Mrs. S. J. Christman, of Mansfield, N. Y. "My doctor said no medicine would help me. After taking Cardui I gave up my supporter and am now well."

LITTLE COMMON SENSE TALK

"Do Unto Others as You Would Have Others Do Unto You."

Here are a few timely thoughts for the Plattsmouth merchants to ponder over, which may prove beneficial to some of them:

"If you sell groceries to Mr. Smith, it is only natural that Mr. Smith should expect you to buy meat in his shop.

"Isn't that perfectly fair? Well, then, if you earn your living in Plattsmouth, is it unfair to expect you to spend what you can of it here? Many of those who do their shopping out of town do so thoughtlessly.

"If your brother sells furniture you wouldn't go into an Omaha store to buy a chair just because it looked pretty and cheap in the show window, would you?

"Wouldn't you say to yourself: My brother can get me that chair just as cheap. I couldn't think of getting it from any one else?

"If you have to live and earn a livelihood in Plattsmouth, every other person who is similarly situated is your brother. He can get it for you just as cheap, no matter what it is, and will do it if you request it."

Garden Seeds.

This is the season of the year when the congressmen are busily engaged in ordering seeds from the government department sent to their constituency, and every mail brings large quantities. This reminds us of a story told us yesterday morning at the postoffice when one of our citizens drew forth from his box a large package of those "vote-getters." He didn't want them and threw them away. He told us that a few years ago he received several packages and among them was a package labeled turnip seeds. His wife coaxed him to sow them, which he did, expecting to raise enough to last him through the winter. He visited the patch several times, and he noticed that they did not spread out like turnips, but grew in length. One day his wife told him to gather a mess and she would try them. He did so, and after boiling them an hour or so, instead of getting soft, they really became harder, and to this day he has never been able to tell what kind of seeds they were. Since that experience he says he don't want anything more to do with government seeds. They are a fraud of the first water, and the Journal is pleased to know that this great graft which has existed as a benefit to congressmen in the way of making the farmer believe they are remembered "for their past favors," is going to be a thing of the past by the discontinuance of this department by the government.

Returned from California.

A. J. Graves, who went to California several months since in the hopes that a change of climate would benefit his health, returned home Wednesday. For a few weeks Mr. Graves seemed to improve, and had great hopes that he would finally recover, but he was doomed to disappointment, hence his return. His many friends in Plattsmouth and in Cass county regret his decline in health and still have hopes for the best.

Card of Thanks.

The undersigned take this method of returning their most sincere and heartfelt thanks to those kind friends who rendered such valuable assistance during the illness of our dear wife and mother, and also to those who were so attentive during the funeral, and to those also who showed their esteem of the departed loved one with many floral tributes.

J. J. SVOBODA, SR.,
J. J. SVOBODA, JR.,
THOMAS SVOBODA,
FRANK SVOBODA,
MRS. J. W. BOOKMEYER,
MRS. GEORGE KOEHNKE,
MISS JOSIE SVOBODA.

A Case of Destitution.

A report came to the county clerk Saturday that the family of Carl Anton, who live in the north part of town, were in very destitute circumstances, and that Carl has gone from home and has not supplied the needs of his family. It will be remembered that Carl Anton attempted to take his own life several years ago, and failing in that he left home, and his wife had received no word from him until Saturday morning, when he reappeared upon the scene. Mrs. Anton has been sick and has two little children to care for, and consequently was unable to secure the necessities of life. The county clerk ordered provisions and fuel to be sent to the family to supply their immediate wants.

A Former Plattsonian.

J. F. Svoboda, of Lawrence, Neb., arrived in the city Thursday evening to attend the funeral of his aunt, which occurred this morning. Mr. Svoboda is a former Plattsmouth boy, and left here for his present home twelve years ago. At which time he was employed as switchman in the Burlington yards, but is now engaged in farming. He gave this office a pleasant call and while here ordered the Journal sent to his address.

Funeral of Mrs. Svoboda.

The last sad rites were held over the remains of Mrs. Frances Svoboda Saturday at 10 o'clock a. m. at the Bohemian church, of which she has always been a member since childhood.

In spite of the snowy, blustering morning, an exceedingly large number of friends were in attendance at the funeral, and escorted the bier to its resting place. The members of the order No. 58 of St. Wencislav, and of the Ladies' St. Rosary, attended in a body, and tendered beautiful floral tributes to the lovely sister and friend.

The services were conducted by Rev. Bouer, who made his home with Mr. and Mrs. Svoboda when he was attached to the St. Mary's Catholic church here. Rev. Bouer was assisted by Rev. Bradley and Rev. Hanek.

The pall bearers were Ed Svoboda, Joe Svoboda, A. Kanka, J. Wostreys, Frank Janda, sr., and Joe Svoboda, of Lawrence, Neb. Accompanied by a large cortege of friends and relatives the remains were conveyed to the Catholic cemetery and interred.

The choir of the St. Mary's church, under the leadership of Mr. Cyril Janda, and Miss Janda as organist, furnished appropriate music at the services.

Those attending the funeral from out of town were Mrs. Robert Denham, Lincoln; Mrs. Fannie Heinick, Mrs. Kern Fogerty, Havelock; Mrs. D. Murray, F. Janda and family, Omaha.

One of the last requests of the deceased was to thank the many friends who had visited her while confined in the hospital at Omaha.

IN PLATTSMOUTH

Every Claim Is Backed by Local Testimony.

If the reader wants stronger proof than the following statement and experience of a resident of Plattsmouth, what can it be?

H. M. Young, city bill poster of Sixth street, says: "Mrs. Young was constantly complaining of a dull pain across the small of her back which increased if she overexerted herself or contracted cold. Later it was continuous, or one attack seemed to succeed another so rapidly that just as one was leaving she dreaded the return of another. She used more than one remedy, but it was like throwing money away as far as benefit from the treatment was concerned. I had read in newspapers about people suffering like her where Doan's Kidney Pills had been used with very good results and this influenced me to go to Gering & Co's drug store for a box. Mrs. Young commenced the treatment and she was more than pleased with the benefits received. This remedy differs from all others for the kidneys; it acts directly upon these organs and does not affect any other part of the body."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

A Tough Old Town.

Omaha needs a change in the administration of affairs about as much as any city in the land. Something is radically wrong in the police force. Last night just a few moments before the hour of 10 o'clock Frank Clark, manager of the Brandies & Sons bank, was shot down in the attempt to free himself from footpads while on his way home to his wife and children. And had it not been for the timely aid of a couple of men who happened near he would have been murdered and the bank looted. Where was the policeman on that beat during this occurrence? While badly wounded Mr. Clark was doing as well as could be expected this morning. Murder and robbery is of too frequent occurrence in that city to lay claim that it is well governed. It is not. And a change for the better must be brought about by a change of administration.

Teachers—Important.

There will be a teachers' examination held in the high school building at Weeping Water on Friday and Saturday, March 16 and 17.

There will also be an examination held at Plattsmouth on the same dates. The subjects will be given in the order named in the pamphlet with one exception.

By special arrangement with the examining board, for the benefit of teachers, mental arithmetic will be given Saturday afternoon instead of Friday morning.

Applicants expecting to take certain subjects must be present at the time when such subjects are given, as there can be no shifting of program to accommodate individual applicants.

All applicants for certificates, teachers and otherwise, who have not yet begun to write, are urged to begin the examination at this time.

J. W. GAMBLE, Co. Supt.

DEATH OF AUGUST ULICH

Supposed to Have Been Killed in Burlington Yards at Lincoln.

FORMERLY A PLATTSMOUTH RESIDENT

Brief Sketch of the Unfortunate Man, Who is Supposed to Have Been Killed By a Switch Engine.

Following is a brief sketch of August Ulich, who was killed in the Burlington yards at Lincoln last Saturday. His remains were discovered about six o'clock, and they were so horribly mangled that it was almost impossible to identify them. It is supposed he was run over by a switch engine. He was a resident of Plattsmouth for several years, and a brief account of his career will be read with considerable interest by his former acquaintances in this city, which is taken from the Lincoln Journal:

August Ulich was born in Saxony, Germany, December 5, 1847. With his father and mother he came to the United States in 1860, the family settling on a farm in Iowa. In 1864, desiring to serve his adopted country as a soldier, he purchased his release for \$300 from his father and enlisted in company F, Fifth regiment of Iowa infantry, October 22, 1864. He was mustered out at Louisville, Ky., July 24, 1865.

Mr. Ulich enlisted in company C of the Second regiment of artillery U. S. A., November 12, 1866, was made corporal November 1, 1868, and because of his faithful discharge of duty and ability was discharged at the expiration of his time, November 12, 1869. Returning from the army, he took up the pursuit of farming at Guthrie Center, Ia., where he met Miss Mary Helen Brainard to whom he was married May 9, 1876.

In 1878 Mr. Ulich with his family removed to Plattsmouth, Neb., where he entered the service of the Burlington. Working with the company two years he received promotion and was removed to Omaha, remaining in the service of the company at Omaha six years. He was again promoted and removed to St. Francis, Kan., where he had full charge of the work at that end of the line. Remaining at St. Francis two years, he was called to Lincoln, where he was given charge of the passenger yards and in a short time his duties were still further enlarged by placing him in charge also of the repairing of freight cars. In this position he introduced the piece work system, which has been of great benefit to the company as well as the men working under him.

His wedded life through all these years has been one of unalloyed happiness. The family consists of the following children: Mrs. Myron Jones Stella, George P., Arthur Scott, Martha Helen and Mildred, the last having died. Mr. Ulich was a devout member of St. Paul Methodist church, also a member of the Masons and A. O. U. W. During all the years in his service with the Burlington he has had the good will of his men and among them is felt the deepest sorrow over his loss. He strictly adhered to the principles of the golden rule and followed it out in all his dealings with his men. When his men reported for duty on Saturday morning and learned of his death it unfitted them for duty and they returned to their homes, mourning over his untimely death.

Hundreds of prayers have been offered in this city for this family in their great bereavement. Private services were held at the residence at 2 p. m. Monday. Public service at 2:30 p. m. at St. Paul's Methodist church, Rev. Mr. Jones, D. D. officiating. The active pallbearers were chosen from those closely connected with him in his work, honorary pallbearers from the Masons and Workmen.

A Request.

In view of the fact that the Sunday school is giving the best possible service to aid the home in the proper training of the children, and the further fact that the temptations to evil are so numerous and alluring, and especially the slot machines which train little children to become gamblers in spite of the influence of the Sunday school and home.

Therefore, we humbly but sincerely request the mayor of this city to compel the removal of all slot machines from all places where publicly exposed. The foregoing request was unanimously voted by the official board of the Methodist Episcopal Sunday school at its meeting held March 4, 1900.

Do Not Be Imposed Upon.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. F. G. Fricke & Co.

Clears the Complexion.

Orino Laxative Fruit Syrup stimulates the liver and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children, as it is mild and pleasant, and does not gripe or sicken. Orino is much superior to pills, aperient waters and all ordinary cathartics, as it does not irritate the stomach and bowels. F. G. Fricke & Co.

Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

Mr. S. S. Ball, of Ravenswood, W. Va., says: "I was troubled with sour stomach for twenty years. Kodol cured me and we are now using it in milk for baby."
