It is expected there will be an attendance of 600. The local committee has finished all arrangements. President McGee, of Ashland, will come on a morning train and will assist in receiving the visitors. Tomorrow evening there will be an informal reception at college auditorium where addresses of greeting will be exchanged. The association is the new one formed at the state association meeting at Lincoln. It is to be composed of the counties in east central Nebraska, and from this derives its name. The session in Fremont will be the initial one. Owing to the large number of visitors expected, many citizens have been asked to give rooms of their residence for the teachers."

The Richest Man in the World.

The richest man in the world can not have his kidneys relaxed or live without them, so it is important not to neglect these organs. If Foley's Kidney Cure is taken at the first sign of danger, the symptoms will disappear and your health will be restored, as it strengthens and builds up these organs as nothing else will. Oscar Bowman, Lebanon, Ky., writes: "I have used Foley's Kidney Cure and take great pleasure in stating it cured me permanently of kidney disease, which certainly would have cost me my life." Against Crime.

In some of our large cities the law-abiding citizens are forming clubs for the protection of the people against crime, but the results of this crusade seem to be insignificant. Crime cannot be oppressed by force alone. Good and steady employment for all people, to enable everybody to honestly support his family, may have a better effect. For people shunning work there should be no place in the human society; for people unable to work on account of sickness and weakness, there is Triner's American Elixir of Bitter Wine, the specific medicine for all derangements of the digestion. It goes to the root of the weakness—the debilitated digestive tract—and soon makes it strong enough not only to accept but to long for food. The digestion being made perfect the body receives new, pure blood and with it new strength and vitality. It brings appetite, restful sleep, perfect health. At drug stores. Jos. Triner, 799 So. Ashland Ave., Chicago, Ill.
