In Ye Olden Times

The Greeks entrusted their Gold and Silver to the Priests

who kept the money in the temples for security. Those were days of primitive banking. MODERN BANKING is the result of a slow development, and today the bank offers every possible facility and the methods are systematic and simple. A man deposits his money in the bank: he can then go out among his fellows, pay his debts, make purchases, etc., by writing a check for his obligations. He checks against his money in the bank. The checking system is most convenient. It is adjusted to the needs of everyone. It is for large business. It is for small business.

The Lord's supper will be observed at the United Presbyterian church on next Sabbath morning. It is earnestly hoped that all members will be present to honor their Lord and Master, who says: "This do in remembrance of me."

Mrs. A. M. Holmes continues to gain in strength this spring. In a letter to the relatives in Murray Mr. Holmes says she has been able to set up in her bed some of the time during the past week. The many friends trust she may continue to improve.

Wes. Burnett, from down near Rock Bluffs, was in Murray Wednesday afternoon to see Dr. Gilmore, and have a slight operation performed upon one of his fingers for the removal of a hedge brier, which had caused him considerable trouble for the past few days.

Al Kennedy has been doing some fine cave work in Murray this spring. He claims to be the inventor of the popular circular cave, and during the past few days he has completed a large roomy 12 foot one for Lee Oldham, and an 8 foot one for James Root. Many of them are now in use in Murray.

Our town is much annoyed by many worthless curs who live in a semi-wild condition and pilfer from the entire community. They represent a needless waste of money, since the average dog requires as much provision as the average man; and, in addition, are more or less of a menace to the safety of the community. Now that warm weather is approaching the owners of these curs should confine them to their own premises, or apply to our druggist for a few cents worth of chloroform.

TOOK SNAP JUDGMENT ON THE OLD FOLKS

Thomas J. Brendell of Murray and Miss Frances Vallery of Mynard United in Marriage.

Some time Sunday afternoon Mr. Thomas J. Brendell and Miss Frances Vallery departed from Murray, apparently for a buggy ride, and the young lady not returning to her home as early as her parents thought she ought, a tracer was sent after them, and after coming to Plattsmouth and finding that they had not come in this direction they went back home.

It was later learned that the young people went to Louisville where the team was left and they boarded a train for Omaha. The sequel to their hasty flight can be learned on reading the list of marriage licenses granted in Omaha Monday, which appears in Tuesday morning's papers. Among the number are the following: "Thomas J. Brendell, Murray, Neb., aged 22; Frances E. Vallery of Mynard, Neb., aged 19." This explains the whole business, and we suppose the happy couple are "at home" today receiving the congratulations of their friends and the forgiveness of the old people if their is any forgiveness required to send the bride and groom down the pathway of time in a joyous and happy manner, as should and undoubtedly will be the case.

The groom is a son of Dr. and Mrs. B. F. Brendell of Murray, is a very highly respected young man of much promise, while the bride is a daughter of Mr. and Mrs. J. B. (Prairie) Vallery, who reside in the vicinity of Mynard, and is one of the handsomest and most accomplished young ladies in Cass county. While it may be that the happy couple did take snap judgment on their parents and friends also, they are nevertheless married, and the Journal takes this opportunity to wish them a pleasant and profitable journey through life, and may the bright wings of love always hover over them.

"A Shower of Tin."

Mr. and Mrs. Brendell arrived home on Monday evening, and the following evening a large number of their friends, about forty in number, gathered at the home of the groom's parents, Mr. and Mrs. Dr. Brendell, to give the happy young couple a genuine surprise, planned and carried to a most successful end by Miss Gussie Robb, and termed a tin shower, but from the fine collection of useful kitchen articles received, we are of the opinion it should have been called "a shower of tin." After many hearty congratulations extended the new Mr. and Mrs. Brendell, a most pleasant evening was enjoyed by all, and at the customary hour refreshments were served by the estimable lady of the house. Following were those present: Mr. and Mrs. Edmunds, Mr. and Mrs. W. C. Brown, Mrs. Holmes and son

Ralph, Mr. and Mrs. Underwood, W. S. Smith, Mrs. Wood and daughter Velma, Mr. and Mrs. Baker, Mont Robb, James Loughridge, Mr. and Mrs. Carroll, Mr. and Mrs. James Root, Misses Gussie Robb, Marie Berger, Carrie Allison, Viola Young, Daisy Buck, Bessie Brendell, Mr. and Mrs. Brendel, Messrs Chas. Ferguson, Jake Brendel, G. H. and J. M. Manners, Cecil Murphy, Leslie Hall and Prof. Earhart.

Mr. and Mrs. Brendel have rented the Christian parsonage, and will be settled in their new home about the first of May. The happy young couple carried out their well laid plans to perfection, they were determined, and asked the advice of none of the relatives on either side, and they shall ever live and hope for the best, believing that they have wronged no one, and in living for each other, will always believe they have done right.

Plays Good Ball.
 Quite a number of the base ball fans from Plattsmouth, Murray and Mynard and vicinities went up to Omaha Saturday and Sunday to witness the game between Topeka and Omaha, in which contest Geo. Graves played with Topeka. While Topeka proved an easy victim for Omaha, Geo. Graves, the Cass county ball player, was in the game from start to finish. He played good ball and played it all the time.
