Nehawka

(From the Register.)
A few of John Murdock's friends "just happened around" Sunday and took dinner with him, it being his 31st birthday. Hope you will see no more John.

Mrs. West was hostess to all her relatives Sunday at dinner. The tables were set in the shade of the trees, and loaded with all of the good things the market affords. A happy day was spent.

Mrs. L. E. Stone and son, Milton, arrived last week from Michigan, where they have been since last summer. She will pack their goods and ship them to Oklahoma where they will make their future home.

We are told that the ledge of stone uncovered at Nick Opp's farm is over 30 feet in thickness. This will insure the opening of another quarry here which will add to the business of the town quite materially.

D. C. West and Morris Pollard started Tuesday, to view the Alberta, Canada, country. A good many of our people are becoming interested in that country and many of them will probably go and see it this summer.

We are sorry to be forced to state that Nehawka will have no ball team this year. This decision was arrived at after careful consideration by those who are interested, and it was found that nearly all of the players were farmers or were working on a farm and could not spare the time. This forces Nehawka to withdraw from the Cass County League, and it is too bad, too, as we believe the boys stood as good a show as any of the teams for carrying off the pennant. Elmwood or Plattsmouth will probably take Nehawka's place in the league.

A Mountain of Gold.

Could not bring as much happiness to Mrs. Lucia Wilke of Caroline, Wis., as did one 25c box of Bucklen's Arnica Salve, when it completely cured a running sore on her leg, which had tortured her twenty-three long years. Greatest antiseptic healer of Piles, wounds and sores. 25c at F. G. Fricke & Co's drug store.

Weeping Water

(From the Herald.)
A large proportion of the farmers have finished planting corn, and some report it coming up nicely.

Dr. Stein of Lincoln, preaches the Baccalaureate for the High school class at the Congregational church, Sunday evening.

G. W. Woodruff has sold his south side residence property to O. K. Cromwell, and the latter gets possession sometime this fall.

Dr. Butler reports the birth of a son on May 18, to Mr. and Mrs. W. T. Allen; also a son to Mr. and Mrs. Geo. Olson on May 22.

Colonel Wm. Hayward delivers the address to the old soldiers at the Congregational church on next Wednesday, May 30.

C. W. Percival of Omaha, arrived here Monday morning and has opened a dental office in the front rooms at the armory. Mr. Percival comes to us highly recommended and we extend to him a warm welcome.

Miss Addie Rockwell is the proud owner of a new piano. She took part in a word contest conducted by Hospe and secured the second prize of \$50, and this made a good start toward the new instrument.

Jesse Domingo was taken to Dr. Shoemaker's hospital at Lincoln, Monday evening, where he will be given electrical treatment. It is to be hoped that this treatment will prove beneficial to him and that he may return entirely recovered.

Postmaster Robbed.

G. W. Eonts, postmaster at River-ton, Ia., nearly lost his life and was robbed of all comfort, according to his letter, which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters; which cured me and have kept me well for eleven years." Sure cure for biliousness, neuralgia, weakness and all stomach, liver, kidney and bladder derangements. A wonderful tonic. At F. G. Fricke & Co's drug store. 50 cents.

Attachment Notice.

R. H. Graham will take notice that on the 18th day of April, 1906, M. Archer, sheriff of the peace of Plattsmouth city, Cass county, Nebraska, issued an order of attachment for the sum of \$3.75. In an action pending before him wherein Claus Speck is plaintiff and R. H. Graham is defendant, that property of the defendant consisting of money in the hands of the garnishee has been attached under said order.

Said cause was continued to May 31st, 1906, at 10 o'clock a. m.

The Forger Wilson Bound Over.

A special from Beatrice under date of yesterday says: "W. B. Ellis, alias W. B. Wilson, alias W. B. Elbert, wanted in Omaha, Denver, St. Louis and other points, at his preliminary hearing today in the county court on the charge of forgery, was held to the district court in bonds of \$1,000. He failed to furnish bail and was remanded to the county jail. Ellis claims to be a resident of Garnett, Kan. He appears to have operated successfully for the last year in the principal cities throughout the west." We take the following from the Beatrice Daily Sun: "Chief Burke, who recently sent a photograph of W. B. Ellis, the alleged forger, to Omaha, yesterday received a telephone message from a detective at that place stating that Ellis is wanted there for passing a number of forged checks on Omaha merchants amounting in all to about \$125. The officer said that if the authorities here failed to make a case against him he would come to Beatrice after Ellis. If signs do not fall the alleged forger will not visit Omaha until after he serves a term in the penitentiary."

Invitations are out announcing the marriage of Miss Lulu Catherine Laughlin, daughter of Mr. and Mrs. B. F. Laughlin, to Mr. Joseph E. Gavin, which will occur at the home of the bride's parents in Greenwood, at high noon on Wednesday, June 6, 1906. The bride-elect is one of the most charming and accomplished young ladies in Cass county, and the Journal can congratulate the groom, who is a stranger to us, upon securing the consent to lead such a lovely little lady to the hymenial altar. The Journal has been acquainted with Miss Laughlin for some time and we know what we are talking about when we say that in the capture of her for a wife, Mr. Gavin secures a most valuable prize. In advance the Journal wishes the young couple much happiness and prosperity and hopes their pathway through life may be constantly be strewn with the choicest of flowers.

RAIN SHUTS OUT VISITORS

Game Called at End of Sixth Inning and Locals Get Decision From Soldiers. Score, Red Sox 4; Ft. Crook 0.

The base ball team of company M's sluggers arrived from Ft. Crook yesterday morning, and despite the threatening rain crossed bats with the Red Sox at the ball park at 3:30 yesterday afternoon. As was anticipated, it was the best that enthusiasts of the game have had the opportunity to witness on the home grounds. The only two errors of the game were made by the visitors, who succeeded in getting three hits off of Graves. Both of the twirlers, Graves for the Red Sox and Munday for the soldiers, did excellent work, seven men being struck out by each of them. The home team proved to be more effective at the stock work—Mein, Fitzgerald, Butler and Heatherington bringing in the four runs out of the six hits made during the game. In the field work Heatherington did some fast work as short stop. When the visitors took their bats at the beginning of the seventh inning a heavy down pour of rain commenced, and it was found necessary to call the game off. The soldiers who had succeeded in getting a man across the plate were desirous of continuing the game, but torrents of rain prevented any further playing and the Red Sox were given the decision for the six innings played. Score: Red Sox..... 0 0 1 0 0 3-4 Ft. Crook..... 0 0 0 0 0 0-0 As the boys demonstrated yesterday what they can do with the proper en-

couragement, the Journal believes that all those who have to witness a good game of ball should now aid the Red Sox in procuring suits. Would it not be the proper paper for some of our merchants to give a suit each to the boys. Then let a subscription paper be started to secure means with which to fix up the park in proper shape. Give the boys some help and Plattsmouth will soon boast of one of the best amateur ball clubs in the state. We have the material and all that is lacking is the proper encouragement.
