Some careless rowdies were shooting  
firecrackers on Main street Saturday  
night, and caused John Gustin's team  
to break loose and run away. It was  
lucky for some young fellows that no  
damage was done.  
Dr. Merkel returned from Omaha  
Wednesday. The doctor has decided  
on a post graduate course, and will  
soon leave for Chicago, to complete  
his course. During this time his wife  
will remain with her parents at Jul-  
ian, Neb.  
Mr. and Mrs. H. A. Tool celebrated  
their ninth wedding anniversary last  
Friday evening and a large number of  
friends were invited to help partake  
of delicious ice cream and cake. The  
evening was enjoyably spent until a  
very late hour, and all departed wish-  
ing these good people many more  
years of happiness.

John Buskirk, born April 23, 1824,  
died July 7, 1906. Funeral services  
were conducted at the Evangelical  
church in Murdock Monday afternoon  
and interment at Wabash cemetery.  
The deceased left Wisconsin thirty-six  
years ago, and has ever since resided  
in Cass county. Dropsy was the cause  
of his death. He leaves a wife and a  
number of children to mourn his death.  
The ball game between the Murdock  
second nine and the eastern league, or  
in other words a nine composed of  
Elmwood, Louisville and a few fellows  
living out east of town caused con-  
siderable amusement last Saturday.  
Our local boys simply out classed the  
other fellows and laid them in the  
shade to the tune of 10 to 4. The  
battery work of McDonald and Thim-  
gan for the locals was superb. A big  
windy guy started out on the diamond  
and attempted to dispute the umpire,  
but the way he got called down was  
not slow. He accepted the first invita-  
tion to get out, and the last we saw of  
him he was behind the backstop  
smoking cigarettes. Umpire, H. V.  
McDonald. Time of game, 1 hour and  
30 minutes.

Remedy, as it promptly controls any

Corn plowing is nearly all done in  
this section. Fall wheat is all harvest-  
ed and oats and spring wheat is nearly  
all ready to cut, and the prospects are  
for a bouncing crop this season.
